Dogged Out For Love Shirley Wright, 2006-03-29 Love is something everybody needs and doesn't know what it really means without knowing the love of God For in Him only is there real love And we can't even begin to understand or fathom what love really means without Him We look for it in all the wrong places But we will never find it there It's not in mankind it's not in anything in this world the way we perceive it Until we realize that it only comes from God we will only find hurt and pain and misery Believe me I know there are lots of Christians still looking for love in the wrong places It's sad to say And we are being destroyed and don't understand why So we think God has let us down and we blame Him for our depression hurt and pain We wonder why the Lord doesn't help us But what we don't realize is that God is helping us even though we don't know it You see the devil is fooling us He is taking our focus off Jesus and putting it on people and things so we can't be all that God has for us to be The failure is not in God it's in us You may say I gave him or her all the love I had and he or she betrayed me How could they do me like that But what we fail to realize is that God is our first love and we must receive His love and give Him our love first John 10:10 says The thief comes to kill steal and destroy And that is what he has been doing But you don't have to let him get away with it Jesus came that we might have life and more abundantly Otherwise Jesus is life in every area of our lives if we let him We need to ask Him to lead and guide us in all things Proverbs 3:5-6 says trust in the Lord with all thine heart lean not unto thine own understanding in all they ways acknowledge Him and He shall direct thy path So the failure is not in God it's in us for not seeking God's help Believe me I know been there done that I gave all I had to give to the wrong men yes men I say men because I kept trying to please them so they would love me But it didn't work They betrayed me jumped on me and stepped on me like a floor mat that said Welcome I know how it feels to be dogged out for love or so called love It sucks As we receive God's love then and only then will we know what love is really about It's not a fancy or fairy tale God's love is divine He is not looking at your faults He is looking at your needs Man's love so called love that is cold taking and not wanting to give They lie they cheat they take

away our pride and self esteem they pull us down and then they have the nerve to tell us it s our fault that they treat us the way they do The devil is a liar The devil wants us to believe that we have to take all kinds of abuse that is just the way it is But the devil is a liar We don t need that kind of man because you see he s not a real man anyway He s just something wearing a pair of pants Remember we can make it just us and God God will bring us through But we must learn to trust Him I have been through hell and high waters I ve been a floor mat a punching bag I ve been stressed out I have even tried to take my life a few times when I was younger But I thank God that He said You shall live and not die Satan was trying to take me out to stop me Now I know what it is to be dogged out and kicked to the curb I know how it feels to be turned inside out not knowing if you are coming or going not knowing what to do next For some so called love As far as I am concerned they can keep it I don t need it and neither do you Why take less when we can have the best God did not make woman to be a man s floor mat He made us to be his helpmate But we can t help someone if they don t want to take it Spirituality for Youth-Work Phil Daughtry,2016-09-23 This book addresses a systemic gap in existing studies on human services and youth work While the notion of spirituality does make rare appearances in such literature it is often vaguely defined and underdeveloped both as a concept and as a mode of practice This ambiguity is symptomatic of the broader shift in the sociological context of Western and global societies that has been referred to variously as post modern late modern and post secular From the perspective of the relationship between human development and the spiritual theological we live in a time between times We have not yet worked out how to speak of spirit nor how to include its meanings in positive youth intervention and developments in our language for a public spiritual consciousness remain in a state of cultural flux This book offers a coherent vocabulary and narrative from which to construct a more explicit and deliberate practice of spiritual care education and professional identity for youth workers It speaks directly to youth work practitioners managers of youth services those providing youth work education and anyone with an interest in youth and spirituality research and practice
