A.W. Tozer, 2019 Wherever Christians meet these days one word is sure to be heard constantly repeated that word is revival In sermon song and prayer we are forever reminding the Lord and each other that what we must have to solve all our spiritual problems is a mighty old time revival The religious press too has largely gone over to the proposition that revival is the one great need of the hour and anyone who is capable of preparing a brief for revival is sure to find many editors who will publish it So strongly is the breeze blowing for revival that scarcely anyone appears to have the discernment or the courage to turn around and lean into the wind even though the truth may easily lie in that direction **Devotions for a Deeper Life** Oswald Chambers, 1986 Each day Oswald Chambers explains how every Christian can have a deeper relationship with Jesus one that enables you to become all God expects you to be in a relationship full of commitment Originally compiled from previously unpublished lecture notes and magazine articles Chambers spiritual insights help us look at the entire process of sanctification *God's Call to a Deeper Life* Nancy Taylor, 2018-02-06 God is calling to your heart from every page of His Word Can you hear His voice Or does it sometimes feel like you ve read it all before and the words enter your mind but fail to permeate your soul Get ready to experience Scripture in an entirely new way through these 366 devotions Open your heart to God s truth in a way that is clear personal and relevant to your life Let these devotions bridge the gap between the eternal unchanging words written in the Bible and your heart s desire to connect with the One who cares most deeply for you

Contemporary Classic/Devotions for a Deeper Life Oswald Chambers, 2009-12-15 Few have understood the nature of sanctification or the nature of God better than Oswald Chambers His insights into holiness absolute devotion and the pursuit of God have inspired countless Christians challenging them to give their utmost for His highest Devotions for a Deeper Life is a collection of some less known writings by this beloved Christian author Excerpted from articles published in God s

Revivalist in the early 1900 s this year s worth of daily devotions bears Chambers characteristic stamp of practicality and profundity freshness and fire Here are the meditations of a man of the Bible and a man of prayer reflections as timeless as the illumining ministry of the Holy Spirit More than just a devotional Devotions for a Deeper Life is a treasury of truths that will open your spiritual eyes to the incredible full scope of Christ s work of the Holy Spirit s guidance and power and of God s calling on your life that bids you rise higher than you ve ever thought possible Fostering Sustained Student-Faculty Engagement in Undergraduate Education Tieniell L. Parker, III.,2023-12-19 As higher education contexts change with shifts in student demographics additional emphasis on institutional accountability and new classroom and program modalities faculty continue to play an important role in fostering student success through their interactions with students Fostering Sustained Student Faculty Engagement in Undergraduate Education explores how these shifts in college and university environments affect undergraduate student faculty interactions and engagement The edited text focuses on how higher education scholars faculty and leaders might reconsider and rethink undergraduate student faculty experiences for present day higher education both inside and outside of the classroom Additionally the volume challenges existing notions of student faculty interaction focusing instead on improving the quality of interactions and fostering sustained mentoring relationships for important populations of students ultimately considering how student faculty engagement can contribute to student learning and success in higher education A timely book Fostering Sustained Student Faculty Engagement in Undergraduate Education offers practicable recommendations for higher education faculty student affairs staff faculty development professionals and college and university leaders for fostering effectual student faculty experiences

and the latest research from across the UK Such church growth is seen to be on a large scale is multi ethnic and can be found across a wide range of social and geographical contexts It is happening inside mainline denominations but especially in specific regions such as London in newer churches and amongst ethnic minorities Church Growth in Britain provides a forceful critique of the notion of secularisation which dominates much of academia and the media and which conditions the thinking of many churches and church leaders This book demonstrates that whilst decline is happening in some parts of the church this needs to be balanced by recognition of the vitality of large swathes of the Christian church in Britain Rebalancing the debate in this way requires wholesale change in our understanding of contemporary British Christianity

Adedibu,Felicity Apaah,Okelloh Ogera,Benson O. Igboin,2024-10-04 The idea of mega ness is pivotal to the nature characteristics and vision of megachurches as a social divine structure grounded on the belief in grand mega God whose omnipotence is revealed encountered and dramatised in space and place Although the concept of megachurch has been discursively and theoretically problematic sprouting and scouting for a big idea grasping that is in itself elusive the book takes a pragmatic detour to engage and nuance and also beat into manageable shape what can readily be construed as megachurch at least in Africa It argues that megachurch is not only related to from the prism of its exponentiality and grandiosity a feature that is pervasive in its conceptualisation but it is also much more inserted into a socio cultural political and religious context that is at once empirical and relatable responsible and responsive daring and appealing local and transnational spiritual and mundane controversial and soothing The institutionalisation of megachurch legitimises its existence radar and reach in terms of social mobilisation charismatics and incarnationality Central to the praxis of megachurches is digital turn that zooms out the Mega Mega powers and affluence of mega pastors mega narratives mega miracles and mega messes All of this is sited and situated most profoundly within the mega failure of state to be responsible and account for mega wealth that African political rulers vanquished into their private lounges The megachurch and state relations might appear complexified and mutually beneficial the knack with which some Africa s megachurches pastors churches churches dribble and meander through this midfield constantly calls to mind the Megachurches Megachurches claim of divine imprimatur and the future of its pentecostality *Publication* ,1991
