Shelley's notes to Queen Mab. Notes by the editor. -v. 2, pt. 1. Rosalind and Helen. Julian and Maddalo. Prometheus unbound. -v. 2, pt. 2. The cenci. The mask of anarchy. Peter Bell the third. The witch of atlas. Notes. -v. 3, pt. 1. Oedipus tyrannus. Epipsychidion. Adonis. Hellas. Miscellaneous poems. -v. 3, pt. 2. Miscellaneous poems. Fragments. pt. 1. Notes. -v. 4, pt. 1. Fragments. pt. 2-3. Translations. -v. 4, pt. 2. Juvenilia. Doubtful, lost and unpublished poems, Notes** Percy Bysshe Shelley,1892

The Works of Percy Bysshe Shelley in Verse and Prose, Now First Brought Together with Many Pieces Not Before Published Percy Bysshe Shelley,1880 The Complete Poetical Works of Percy Shelley Percy Bysshe Shelley,1894

Complete Works of Percy Bysshe Shelley Percy Bysshe Shelley,2015-11-02 This edition of his Poetical Works contains all Shelley s ascertained poems and fragments of verse that have hitherto appeared in print In preparing the volume I have worked as far as possible on the principle of recognizing the editio princeps as the primary textual authority I have not been content to reprint Mrs Shelley s recension of 1839 or that of any subsequent editor of the Poems The present text is the result of a fresh collation of the early editions and in every material instance of departure from the wording of those originals the rejected reading has been subjoined in a footnote Again wherever as in the case of Julian and Maddalo there has appeared to be good reason for superseding the authority of the editio princeps the fact is announced and the substituted exemplar indicated in the Prefatory Note in the case of a few pieces extant in two or more versions of debatable authority the alternative text or texts will be found at the end of the relevant work but it may be said once for all that this does not pretend to be a variorum edition in the proper sense of the term the textual apparatus does not claim to be exhaustive Thus I have not thought it necessary to cumber the footnotes with every minute grammatical correction introduced by Mrs Shelley

apparently on her own authority into the texts of 1839 nor has it come within the scheme of this edition to record every conjectural emendation adopted or proposed by Rossetti and others in recent times But it is hoped that up to and including the editions of 1839 at least no important variation of the text has been overlooked Whenever a reading has been adopted on manuscript authority a reference to the particular source has been added below I have been chary of gratuitous interference with the punctuation of the manuscripts and early editions in this direction however some revision was indispensable Even in his most carefully finished fair copy Shelley under punctuates Thus in the exquisite autograph Hunt MS of Julian and Maddalo Mr Buxton Forman the most conservative of editors finds it necessary to supplement Shelley s punctuation in no fewer than ninety four places and sometimes punctuates capriciously In the very act of transcribing his mind was apt to stray from the work in hand to higher things he would lose himself in contemplating those airy abstractions and lofty visions of which alone he greatly cared to sing to the neglect and detriment of the merely external and formal element of his song Shelley recked little of the jots and tittles of literary craftsmanship he committed many a small sin against the rules of grammar and certainly paid but a halting attention to the nice distinctions of punctuation Thus in the early editions a comma occasionally plays the part of a semicolon colons and semicolons seem to be employed interchangeably a semicolon almost invariably appears where nowadays we should employ the dash and lastly the dash itself becomes a point of all work replacing indifferently commas colons semicolons or periods Inadequate and sometimes haphazard as it is however Shelley s punctuation so far as it goes is of great value as an index to his metrical or at times it may be to his rhetorical intention for in Shelley s hands punctuation serves rather to mark the rhythmical pause and onflow of the verse or to secure some declamatory effect than to indicate the structure or elucidate the sense For this reason the original pointing has been retained save where it tends to obscure or pervert the poet s meaning Amongst the Editor s Notes at the end of the Volume 3 the reader will find lists of the punctual variations in the longer poems by means of which the supplementary points now added may be identified and the original points which in this edition have been deleted or else replaced by others ascertained in the order of their occurrence In the use of capitals Shelley s practice has been followed while an attempt has been made to reduce the number of his inconsistencies in this regard

The Poetical Works Percy Bysshe Shelley, 1894 Poems of Shelley Percy Bysshe Shelley, 1893 *The Poetical Works of Percy Bysshe Shelley* Percy Bysshe Shelley, 1892 **Delphi Complete Works of Percy Bysshe Shelley (Illustrated)** Percy Bysshe Shelley, 2013-11-17 The Delphi Poets Series offers readers the works of literature s finest poets with superior formatting This volume presents the complete works of Percy Bysshe Shelley with beautiful illustrations and the usual Delphi bonus material 5MB Version 1 Beautifully illustrated with images relating to Shelley s life and works Concise introductions to the poetry and other works Images of how the poetry books were first printed giving your eReader a taste of the original texts Excellent formatting of the poems Special chronological and alphabetical contents tables for the poetry Easily locate the poems you want to read Includes Shelley s
