New & Selected Poems Charles O. Hartman, 2008 Poetry New poems join a selection from nearly 40 years of Hartman's groundbreaking computer and jazz influenced work Selections from five previous collections join thirty new poems giving ample evidence of Hartman's broad range and mastery Charles Hartman's NEW SELECTED POEMS will finally establish his rightful place as at least one of the best poets of his generation It takes a large collection to reveal the range depth intricacy and inventive playfulness of his very very fine sensibility Most of all I love his intelligence his refusal of sentimentality that finds an angle for the release of unexpected yet rich and complex feelings and his range of attitudes and situations matched by astonishing metrical inventiveness and resonance Songlines tune the travels This intelligence makes for a range that beggars most poets from elegant short dimeter poems to several sustained and complex long poems on topics ranging from becoming familiar with exotic places to establishing attitudes toward the ways new technologies affect possibilities for feeling and for thinking or for continuing to think that feeling matters Charles Altieri      *Crosscurrents* , 1986

Like slipping into a Celtic knot Like a new perception of space Brigitte Byrd writes dense lovely provocative poems Their prose forms and often rational diction are an entrancing shell game showing and shifting and showing again the true passion and lyricism of her work In this way she illuminates the eternal struggle that our minds and our bodies and our hearts are always engaged in with each other and with themselves SONG OF A LIVING ROOM is a splendid collection Robert Olen Butler
