*Christ in Wilderness* Greg Bersche, 2012 From the coal mine country of eastern Kentucky to the sidewalks of Los Angeles the young men in our country

speaking, eating and playing in many different ways. Boys noodling for catfish along the Mississippi Delta would receive disapproving stares from boys playing dodge ball against a brick townhouse in the Bronx of New York City. But there lies deep in the fiber of every young man a commonality placed there by the Creator Himself that only He can make sense of. It is a deep stirring and wonderment of all things wild and untamed. It is that stir within a boy that holds his stare into the red coals of a warm campfire and spawns anxious fear at the yelping of a coyote on a distant ridge. It is the common glue that bonds all boys to their ancient past and to one another. This innate wonder, hardwired into every young man, we will call wildness. It is this wildness component that can be used to drag boys away from their video games and internet sites to the saving grace of Jesus Christ.

**Unlearn, Rewild** Miles Olson, 2012-09-01. Picture a world where humans exist like all other living things in balance. Where there is no separation between human and wild. *Unlearn, Rewild* boldly envisions such a world, probing deeply into the cultural constraints on our ability to lead truly sustainable lives and offering real, tangible tools to move toward another way of living, seeing and thinking. Part philosophical treatise, part hard-core survival guide, this unique and thoroughly unconventional manual blends philosophy with a detailed introduction to a rich assortment of endangered traditional living skills, including harvesting and preparing unconventional proteins, feral food preservation, dealing responsibly with waste, natural methods of birth control, tanning and processing animal skins. Lyrical, humorous, surprising, enlightening and thought-provoking by turns, *Unlearn, Rewild* is essential reading for those who wish to heal themselves and the earth, live gracefully into the future, primitive and experience their wildest dreams.

The settling of southern Kentucky and middle Tennessee from pre-Revolutionary times to the beginning of the nineteenth century is described in everyday detail by Harriette Arnow, the author of *The Dollmaker*. It is the art of pioneering, rather than the acts of individuals in the westward movement, that gives backbone to this book, wrote historian Thomas D. Clark in the New York Times Book Review. The author takes her reader along the early trails onto the land, into the cabins, and even into the private lives of the people. *Seedtime on the Cumberland* won the 1961 Award of Merit from the American Association of State and Local History.
