**Death's Bright Angel** Simon Troy, 1956 **Rise and Progress of the Work on the Congo River** Baptist Missionary Society, Joseph Tritton, 1885 No Ordinary Angel Susan R. Garrett, 2008-01-01 In this provocative intelligent and highly original addition to the Anchor Yale Bible Reference Library Susan R. Garrett argues that angel talk has never been merely about angels. Rather from ancient times until the present talk about angels has served as a vehicle for reflection on other fundamental life questions including the nature of God's presence and intervention in the world, the existence and meaning of evil and the fate of humans after death. In *No Ordinary Angel* Garrett examines how biblical and other ancient authors addressed such questions through their portrayals of angels. She compares the ancient angel talk to popular depictions of angels today and considers how the ancient and modern portraits of angels relate to Christian claims about Jesus. *No Ordinary Angel* offers important insights into the development of angelology, the origins of Christology and popular Western spirituality ranging from fundamentalist to New Age. In doing so it provokes stimulating theological reflection on key existential questions *Life after death according to Orthodox tradition* Prof. Jean-Claude Larchet, Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com/2023/01/book-inventory-vladimir-djambov-talmach.html> This book examines in detail the traditional teaching of the Orthodox Church about the various stages of the posthumous life of the soul. The famous Orthodox French theologian Jean-Claude Larchet tried to present in as much detail as possible the Orthodox doctrine of death and resurrection and to make due clarifications to the controversial issues discussed with representatives of other Christian denominations about purgatory, prayer for the dead and for the veneration of saints or in the bosom of Russian theology itself about apocatastasis or aerial ordeals **Death's Bright Angel** Hugh
