MEMOIR OF NORMAN MACLEOD, D.D. MINISTER OF BARONY PARISH, GLASGOW Donald MacLeod,1876 Memoir of Norman Macleod Donald Macleod,1876 Deborah's Daughters Joy A. Schroeder,2014 Joy A Schroeder offers the first in depth exploration of the biblical story of Deborah an authoritative judge prophet and war leader For centuries Deborah s story has challenged readers traditional assumptions about the place of women in society Schroeder shows how Deborah s story has fueled gender debates throughout history An examination of the prophetess s journey through nearly two thousand years of Jewish and Christian interpretation reveals how the biblical account of Deborah was deployed against women for women and by women who aspired to leadership roles in religious communities and society Numerous women and men who supported women s aspirations to leadership used Deborah s narrative to justify female claims to political and religious authority Opponents to women s public leadership endeavored to define Deborah s role as private or argued that she was a divinely authorized exception not to be emulated by future generations of women Deborah s Daughters provides crucial new insight into the history of women in Judaism and Christianity and into women s past and present roles in the church synagogue and society *Memoir of Norman Macleod, D. D. Minister of Barony Parish, Glasgow; One of Her Majesty's Chaplains; Dean of the Chapel Royal; Dean of the most ancient and the most noble Order of the Thistle* Donald Macleod,1876

Memoir of Norman Macleod, D.D., Minister of Barony Parish, Glasgow. One of Her Majesty's Chaplains, Dean of the Chapel Royal, Dean of the Most Ancient and Most Noble Order of the Thistle Donald Macleod,2024-06-25 Reprint of the original first published in 1876 **The Andover Review** ,1889 Judges Abraham Kuruvilla,2017-06-05 Judges A Theological Commentary for Preachers engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the units of the letter to craft effective sermons This commentary unpacks the crucial link between

Scripture and application the theology of each preaching text i.e. what the author is doing with what he is saying Judges is divided into fourteen preaching units and the theological focus of each is delineated The overall theological trajectory or theme of the book deals with the failure of leadership in the community of God's people Since God's people are all called to be leaders in some arena to some degree in some fashion the lessons of Judges are applicable to all Christians The specific theological thrust of each unit is captured in this commentary making possible a sequential homiletical movement through each pericope of Judges While the primary goal of the commentary is to take the preacher from text to theology it also provides two sermon outlines for each of the twelve preaching units of Judges The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through Judges with an emphasis on application

Biblical Women's Voices in Early Modern England Michele Osherow, 2009 Bringing to bear a commanding knowledge of Hebrew Scripture Osherow presents a series of case studies of biblical heroines who engage in poetry and in song The author investigates how the cultural requirement for feminine silence informs early modern readings of these biblical characters and furthermore how they were used to counteract cultural constraints on women's speech The book's chapters focus on Miriam Hannah Deborah and a feminized King David

Life Matters Adrian Ebens, 2011-04-04 I have often found myself chasing this treasure of memories I recently traveled to a place I lived when I was a child and I just soaked up the sights and the sounds visited my old home and relived the memories Memories of Dad and Mum my sister and I sitting around the lounge memories of going running with my Dad memories of playing with my friends in the creek climbing trees and riding bikes I know that the memories are slightly rose glass tinted and there is an incredibly strong bias to only remember the good times but it feels so good and satisfying Building and protecting this kind of treasure safeguards the health of communities and gives hope to generations yet to emerge The treasures of love and affection sweet memories laid down in family rituals and experiences are the fabric of life Without this treasure life has no heart and soul and is reduced to the drudgery of survival Without a series of warm memories connected to special relationships life is meaningless No person can centre and stabilise themselves without some place they can point to with warmth and call home
