Faculty of Library and Information Science, 1992 About itself the 8th edition notes Primarily intended as an instructional guide for library personnel and researchers who work with reference materials the Guide surveys the basic and most familiar or typical resources for general reference work and for work with the disciplines of the humanities social sciences and pure and

applied sciences The 7th edition titled Guide to basic reference materials is recommended by ARBA v 16 but is missed by BCL3 and Sheehy A solid work marred by the flimsy paper binding a shockingly bad production decision a bibliography gets repeated use Annotation copyrighted by Book News Inc Portland OR *Ulysses S. Grant* Marie Ellen Kelsey, 2005-09-30 In *Ulysses S Grant A Bibliography* Dr Kelsey has created an invaluable resource for Grant scholars The bibliography consists of twenty chapters covering Grant's early life his careers both as soldier and as president his associations with various individuals his post presidency activities the role alcohol played in his life his battle with throat cancer and ultimately his tragic death What makes this book truly special is that Kelsey cites not only the usual books and journals but also a wide variety of nontraditional materials ranging from manuscripts to musical scores Additionally she has created a list of cited journals with OCLC numbers making precise identification of old and obscure journals easy for researchers Kelsey's sources are varied and multidimensional she includes scholarly popular and ephemeral works to present the fullest possible picture of the legendary president Kelsey also lists many obscure sources on not only Grant but also his associates including all his cabinet members The work includes citations about Julia Dent Grant other Grant family members Grant's cabinet members John Rawlins William Tecumseh Sherman Ely Parker Abraham Lincoln Libraries of all types could benefit from including this resource in the reference collection The text might get the most use in historical society libraries as well as in the libraries of colleges and universities Public libraries and private individuals interested in Grant and the Civil War would also appreciate the book's comprehensive nature Whitaker's Book List, 1991 **People of Today**, 2002 *The Army Quarterly and Defence Journal*, 1989 **Debrett's Manners and Correct Form in the Middle East** Donald Hawley, 1984
