Ravhudzulo,2012-01-23 Marriage is under tremendous assault as never before Will marriage survive Can it survive Infidelity is exploding but why In most cultures infidelity has become a major part of entertainment We all see it in popular television programs and movies Infidelity to some is enjoyment and pleasure Some men think if they are not slipping and cheating they are not being real men Some individuals grew up in environments where cheating is a way of life Some women think life is boring without the excitement of an outside affair In spite of the reasons God to His creation says No to infidelity Become the good husband or wife you would like your spouse to be Life has taught me that men and women get involved in an

extramarital affair for many different reasons Sometimes when you are unsatisfied with your relationship you start to think What is available out there In a way it is an escape people feel like they want to be out from the burden in their marriages Grass is greener on the other side and so it seems I have seen many starting to flirt with others innocently at first They start to THINK of what if situations such as what if I'm married to this friend of mine Many people forget that slowly they bring themselves into an extramarital affair and become trapped to another crisis Let me remind you that trust is like a balloon One prick it is gone The fear of broken promises cheating or betrayal can reduce the quality of your marriage Marriage is a challenging enterprise that requires hard work determination and discipline Creating a strong and satisfying marriage is possible and it is definitely worth the effort Recovery after infidelity is not an easy path but if others could pull through so can you
