Debussy Claude Debussy, André Gauthier, 1952 **Debussy: Volume 1, 1862-1902** Edward Lockspeiser, 1979-03-29

Claude Debussy François Lesure, 2019 English translation and revised edition of the most comprehensive and reliable biography of Claude Debussy François Lesure's critical biography of Claude Debussy Fayard 2003 is widely recognized by scholars as the most comprehensive and reliable account of that composer's life and career as well as of the artistic milieu in which he worked This encyclopedic volume draws extensively on Debussy's complete correspondence at that time unpublished a painstaking tracking of contemporary reviews and comments in the press and an examination of other primary documents including private diaries that had not been available to previous biographers As such Lesure's book presents a wealth of new information while debunking a number of myths that had developed over the years since the composer's death in 1918 The present English translation and revised edition by Debussy authority Marie Rolf augments Lesure's numerous notes with several thousand new ones by Rolf providing more precise information on crucial and sometimes contentious points It also reflects Debussy scholarship that has appeared since 2003 updating Lesure's seminal work Rolf's translation the first ever will make Lesure's findings accessible to scholars musicians and music lovers in English speaking lands and around the world FRAN OIS LESURE 1923 2001 was the Director of the Music division of the Bibliothèque nationale de France Professor of Musicology at the Université libre de Bruxelles and Chair of Musicology at the École pratique des Hautes études MARIE ROLF is senior associate dean of graduate studies and professor of music theory at the Eastman School of Music and a member of the editorial board for the Œuvres complètes de Claude Debussy **Emma and Claude Debussy** Gillian Opstad, 2022 Emma Bardac and her relationship with Claude Debussy take centre stage in this insightful exploration of their lives together The singer Emma Bardac 1862 1934 has often been presented as a woman who ensnared Claude Debussy 1862 1918 because she wanted to be associated with his fame and to live a life of luxury Indeed in many biographies and composer related studies of Debussy the only mentions that she receives are brief and derogatory Here Emma Bardac and her relationship with the composer take centre stage The book traces Emma's Jewish ancestry and her background the significant role of her wealthy uncle Osiris her marriage at seventeen to the wealthy Jewish banker Sigismond Bardac her affair with Gabriel Faur and her liaison with and subsequent marriage to Debussy As Gillian Opstad shows the pressure and stifling effects of domestic life on Debussy's attitude to his composing were considerable The financial consequences of their partnership were disastrous and their circle of close friends was small Emma suffered physically and mentally from the tensions of the marriage particularly money worries and the possibility that Debussy was attracted to her older daughter She considered divorce but supported him through his deepest depression and during the First World War until he succumbed to cancer in 1918 After Debussy's death Emma felt driven both on his behalf and for financial reasons to further performances of the composer's works and provoked the annoyance of other musicians by having early compositions resurrected completed

and performed In this engagingly written biography Gillian Opstad brings to light little known facts about Emma's background and family advances new insights into her relationship with Debussy and provides a glimpse of an early twentieth century Parisian milieu that experienced wide spread antisemitism **A Portrait of Claude Debussy** Marcel Dietschy,1990 When this book was first published in French in 1962 it was hailed as an invaluable and reliable source of reference for many previously unpublished facts about the great composer With painstaking attention to detail Dietschy unearthed documents about every personality connected with Debussy offering particularly novel information about Debussy's family and early life Biographical rather than musicological his deeply sensitive and sympathetic approach to Debussy's life and works yields many fresh insights into Debussy's complex personality This first English translation incorporates Dietschy's later corrections as well as an updated bibliography and list of works Music of the past, instruments and imagination Michael Latcham,2006 Ce volume présente les délibérations des Deuxièmes Rencontres Internationales harmoniques du printemps 2004 Les conférences ont été données par des experts des instruments claviers et des cuivres L'accent a été mis sur une variété de traditions historiques de facture instrumentale et sur l'histoire du renouveau de l'utilisation d'instruments anciens Les contributions traitent non seulement des paramètres des pratiques instrumentales mais encore de l'inspiration donnée dans ces domaines par quelques pionniers du renouveau de la musique ancienne Dans bien des cas les auteurs se sont penchés plus spécialement sur l'interprétation de la musique de Johann Sebastian Bach This volume presents the proceedings of the second International Congress organised in Lausanne by the harmoniques Foundation and held in the Spring of 2004 The papers were given by experts on brass and stringed keyboard instruments The emphasis was on a variety of historical instrument making traditions and on the history of the revival of the use of early instruments The contributions not only included detailed discussions regarding the parameters of performance practice and the use of historical instruments but also about the inspiration given by some of the leading revivalists in these fields In many cases the contributors placed a special focus on the performance of the music of Johann Sebastian Bach **Debussy** Edward Lockspeiser,1962 Claude Debussy and Twentieth-century Music Arthur Wenk,1983 The thesis of this book may be simply stated Debussy's importance lies in his contribution to the central issues of twentieth century music Debussy's influence was not limited to a few new idioms which lesser composers could imitate Rather Debussy's music offered a new way of thinking about music in general His greatest influence has been not on his immediate contemporaries but on composers since 1945 when a revolution in thinking about musical time permitted a truer evaluation of Debussy's achievement and a new exploration of his tonal resources The liberation of the musical moment the new emphasis on timbre and the concept of rhythm as duration rather than relation all depend on Debussy's work as contemporary composers have demonstrated both in their remarks about music and in their interest in reanalyzing Debussy's late music in light of contemporary techniques Our picture of Debussy has come full circle Perceived as a radical composer in the 1890s as a charming but minor figure in the decades following his

death Debussy now emerges as a true revolutionary whose subtle overturning of musical conventions has had as great an effect on the music of our time as the more celebrated revolutions of Stravinsky and Schoenberg Preface Debussy's Mélisande Gillian Opstad, 2009 The colourful lives of the three divas who made Debussy's *Mélisande* their own Debussy's *Mélisande* examines the colourful lives of Georgette Leblanc Mary Garden and Maggie Teyte and their involvement with Debussy's *Pelléas et Mélisande* illustrating the prejudices and difficulties women singers of their era faced The three women presented here were not only remarkable for the resilience and initiative they had to develop but also for their willingness to adapt themselves to the opportunities offered by the emerging technologies of recording radio and film It is also the story of the background to the opera's creation and the frequently stormy relationships between the author of the original play Maeterlinck the composer director conductor and performers This book will be of great interest to scholars and students of Debussy opera French music and theatre Maeterlinck and those interested in women's studies and biography Gillian Opstad read Modern Languages at Somerville College Oxford after which she taught for a number of years in Buckinghamshire and Bristol She has been actively involved with music both at university and since This her first book is a result of her particular interest in French music especially that of Debussy **Claude Debussy** David J. Code, 2010-08-15 French composer Claude Debussy 1862-1918 created music that was revolutionary with a distinctly modern sound that highlighted the intersection of art and life Here in this unique biography David J Code explores the important moments in the development of Debussy's literary interests that shaped his music and in the process brings to life Debussy's sardonic personality Claude Debussy presents an in depth look at how Debussy's love for poetry influenced his musical compositions Code explores both Debussy's earlier years filled with student cantatas inspired by Verlaine and Baudelaire as well as his later works dominated by nationalistic pieces inspired by French Renaissance poets and composed in the lead up to World War I Along the way Code looks at Debussy's orchestral compositions and operas inspired by Stéphane Mallarmé and Maurice Maeterlinck This book will give readers a fresh way of listening to Debussy's classic music by offering the most up to date critical analysis of the intersection of Debussy's literary interests and musical compositions and will appeal to any reader with a love of Debussy as well as modern music literature and the arts Debussy Georges Gourdet, 1970-01-01 T00:00:00+01:00 Cet ouvrage est une réédition numérotée d'un livre paru au XXe siècle désormais indisponible dans son format d'origine Debussy, Documents Iconographiques, Avec une préface et des notes Claude Debussy, André Gauthier, 1952 **Cahiers Debussy**, 1999 A Re-examination of Debussy's Indebtedness to Indonesian Musical Culture Choon Mee Hong, 1983 **"Rival Sisters, Art and Music at the Birth of Modernism, 1815-1915"** James H. Rubin, 2017-07-05 Introducing the concept of music and painting as rival sisters during the nineteenth century this interdisciplinary collection explores the productive exchange from rivalry to inspiration to collaboration between the two media in the age of Romanticism and Modernism The volume traces the relationship between art and music from the opposing claims for superiority of the early nineteenth century to the

emergence of the concept of synesthesia around 1900 This collection puts forward a more complex history of the relationship between art and music than has been described in earlier works including an intermixing of models and distinctions between approaches to them Individual essays from art history musicology and literature examine the growing influence of art upon music and vice versa in the works of Berlioz Courbet Manet Fantin Latour Rodin Debussy and the Pre Raphaelites among other artists Dictionary Catalog of the Music Collection New York Public Library. Reference Department,1964 Louis Laloy (1874-1944) on Debussy, Ravel and Stravinsky Deborah Priest,2019-05-23 First published in 1999 this is the first study of the noted French music critic and scholar Louis Laloy and the first collection of his writings His writings were unique in their time and have never previously been translated Laloy s ideas on Debussy Ravel and Stravinsky are presented here with an introduction by Deborah Priest to each extract placing it in the context of the period and the composer s work Detailed annotations explain technical and cultural references As a friend of all three composers but especially of Debussy Laloy wrote with great authority and influence his work provides recollections analytical insights and insights into reception and performance practice His erudition and wide range of reference make for fascinating and enlightening reading about the period Deborah Priest provides a detailed introduction which sets Laloy s work against the background of the Paris music scene from 1900 1940 Journal of the American Musicological Society American Musicological Society,1948 Debussy André Gauthier,1952 Catalogue H.
