Debuts W Cassette:

Thirty Days of Darkness: This year's most chilling, twisty, darkly funny DEBUT thriller... Jenny Lund Madsen, 2023-05-25 A snobbish Danish literary author is challenged to write a crime novel in thirty days travelling to a small village in Iceland for inspiration and then a body appears an atmospheric darkly funny twisty debut thriller first in an addictive new series An original and thoroughly enjoyable treat Guardian BOOK OF THE YEAR Dark and sharp A lot of fun Val McDermid Witty dark meta ingenious and hugely compelling I LOVED the Icelandic setting and satirical observations Will Dean hilariously scathing Satirises genre fiction while creating a first class example of it full of suspects red herrings and twists wit and originality make it a joy to read Mark Sanderson The Times CRIME BOOK OF THE YEAR Winner of the Harald Mogensen Prize for Best Danish Crime Novel Shortlisted for the Glass Key Award Winner of the Crime Fiction Lover Award for Best Crime Book in Translation Longlisted for the CWA Crime Fiction in Translation Dagger Shortlisted for the Capital Crime Fingerprint Awards Best Debut COMING SOON TO NETFLIX Copenhagen author Hannah is the darling of the literary community and her novels have achieved massive critical acclaim But nobody actually reads them and frustrated by writer's block Hannah has the feeling that she's doing something wrong When she expresses her contempt for genre fiction Hanna is publicly challenged to write a crime novel in thirty days Scared that she will lose face she accepts and her editor sends her to Húsafell a quiet tight knit village in Iceland filled with colourful local characters for inspiration But two days after her arrival the body of a fisherman's young son is pulled from the water and what begins as a search for plot material quickly turns into a messy and dangerous investigation that threatens to uncover secrets that put everything at risk including Hannah Atmospheric dramatic and full of nerve jangling twists and turns Thirty Days of Darkness is a darkly funny unsettling debut Nordic Noir thriller that marks the start of a breath taking new series _____ Dark and atmospheric a bleak and beautiful evocation of Iceland and Hannah is a pitch perfect depiction of the bombastic neurosis that we writers know so very well Harriet Tyce Such a clever original twist on the Nordic Noir tradition darkly humorous and utterly captivating Eva Björksgisdróttir A fantastic debut Darkly funny tense and a lot of poking fun at crime writing Tariq Ashkanani Delightfully dark Antti Tuomainen So atmospheric Crime Monthly An absolute gem a superb mix of humour and dark twisty crime fiction with an added layer of contemplation regarding what makes books literary The Icelandic setting is perfectly drawn Not to be missed Yrsa Sigurðardóttir Shades of Fargo and Twin Peaks and there's no higher praise than that Absolutely brilliant Rod Reynolds A truly original thriller that perfectly balances humour and suspense Vogue A hugely enjoyable read with thrills and laughs as Hannah sticks her nose in where it's not welcome Michael J Malone So satisfying a truly great read Lilja Sigurðardóttir A skilful witty mash up really entertaining Aly Monroe This reminded me somewhat of the more recent meta efforts of the great Anthony Horowitz The Bookbag The most original thriller of the year Politiken **Tears of Longing** Christine Reiko Yano, 2002 Enka a sentimental ballad genre epitomizes for many the nihonjin no kokoro heart soul

of Japanese To older members of the Japanese public who constitute enka's primary audience this music of parted lovers long unseen rural hometowns and self sacrificing mothers evokes a direct connection to the traditional roots of Japaneseness Overlooked in this emotional invocation of the past however are the powerful commercial forces that since the 1970s have shaped the consumption of enka and its version of national identity Informed by theories of nostalgia collective memory cultural nationalism and gender this book draws on the author's extensive fieldwork in probing the practice of identity making and the processes at work when Japan becomes Japan

High Bias Marc Masters, 2023-09-14 The cassette tape was revolutionary Cheap portable and reusable this small plastic rectangle changed music history Make your own tapes Trade them with friends Tape over the ones you don't like The cassette tape upended pop culture creating movements and uniting communities This entertaining book charts the journey of the cassette from its invention in the early 1960s to its Walkman led domination in the 1980s to decline at the birth of compact discs to resurgence among independent music makers Scorned by the record industry for killing music the cassette tape rippled through scenes corporations couldn't control For so many tapes meant freedom to create to invent to connect Marc Masters introduces readers to the tape artists who thrive underground concert tapers who trade bootlegs mixtape makers who send messages with cassettes tape hunters who rescue forgotten sounds and today's labels which reject streaming and sell music on cassette Their stories celebrate the cassette tape as dangerous vital and radical

Please Allow Me to Introduce Myself: Essays on Debut Albums George Plasketes, 2016-04-22 Debut albums are among the cultural artefacts that capture the popular imagination especially well As a first impression the debut album may take on a mythical status whether the artist or group achieves enduring success or in rare cases when an initial record turns out to be an apogee for an artist Whatever the subsequent career trajectory the debut album is a meaningful text that can be scrutinized for its revelatory signs and the expectations that follow Please Allow Me to Introduce Myself Essays on Debut Albums tells the stories of 23 debut albums over a nearly fifty year span ranging from Buddy Holly and the Crickets in 1957 to The Go Team in 2004 In addition to biographical background and a wealth of historical information about the genesis of the album

each essay looks back at the album and places it within multiple contexts particularly the artist s career development In this way the book will be of as much interest to sociologists and historians as to culture critics and musicologists **Billboard** ,1993-05-22 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Billboard* ,1995-02-11 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,1995-06-17 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,1995-03-11 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Billboard* ,1993-05-08 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,1985-10-12 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,1993-09-04 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Billboard ,1997-01-25 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,2000-06-24 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Billboard ,1995-02-11 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital
