Decadence The Strange Life Of An Epithet:

Decadence Richard Gilman,1979 **The Platonism of Walter Pater** Adam Lee,2020 As a teacher of Plato in Oxford's Literae Humaniores Walter Pater was informed by philosophy from his earliest essays to his last book *The Platonism of Walter Pater* examines Pater's deep engagement with Platonism throughout his career It overturns his reputation as a superficial aesthete known mainly for his *Conclusion to The Renaissance* to reposition his contribution to literature and the history of ideas In his criticism and fiction including his studies on myth Pater was influenced by several of Plato's dialogues *Phaedrus* *Symposium* *Theaetetus* *Cratylus* and *The Republic* informed his philosophy of beauty history myth knowledge ethics language and style As a philosopher critic and artist Plato embodied what it meant to be an author to Pater who imitated his creative practice from vision to expression For Pater Platonism was also a point of contact with his contemporaries including Matthew Arnold and Oscar Wilde offering a means to take new measure of their literary relationships Using the interdisciplinary critical tools of Pater's own educational milieu which combined literature philosophy and classics *The Platonism of Walter Pater* repositions the importance Pater's contribution to literature and the history of ideas

Five Faces of Modernity Matei Călinescu,1987 This ambitious and illuminating book offers an analysis of nothing less than the aesthetic and intellectual ideas which have governed literary production during the past 150 years *The Fin-de-Siècle World* Michael Saler,2014-11-20 This comprehensive and beautifully illustrated collection of essays conveys a vivid picture of a fascinating and hugely significant period in history the Fin de Si ècle Featuring contributions from over forty international scholars this book takes a thematic approach to a period of huge upheaval across all walks of life and is truly innovative in examining the Fin de Si ècle from a global perspective The volume includes pathbreaking essays on how the period was experienced not only in Europe and North America but also in China Japan the Middle East Latin America Africa India and elsewhere across the globe Thematic topics covered include new concepts of time and space globalization the city and new political movements including nationalism the New Liberalism and socialism and communism The volume also looks at the development of mass media over this period and emerging trends in culture such as advertising and consumption film and publishing as well as the technological and scientific changes that shaped the world at the turn of the nineteenth century such as the invention of the telephone new transport systems eugenics and physics *The Fin de Si ècle World* also considers issues such as selfhood through chapters looking at gender sexuality adolescence race and class and considers the importance of different religions both old and new at the turn of the century Finally the volume examines significant and emerging trends in art music and literature alongside movements such as realism and aestheticism This volume conveys a vivid picture of how politics religion popular and artistic culture social practices and scientific endeavours fitted together in an exciting world of change It will be invaluable reading for all students and scholars of the Fin de Si ècle period **Oscar Wilde** Norbert Kohl,2011-03-03 Professor Kohl's aim is to gain fresh insight into his literary and critical oeuvre of Oscar Wilde

He analyses each of his works on the basis of a textually oriented interpretation taking equal account of the biographical and intellectual contexts through the use of contradictions that Wilde show as individualism and convention **The Crisis of Reason** J. W. Burrow, 2002-11-01 This elegantly written book explores the history of ideas in Europe from the revolutions of 1848 to the beginning of the First World War Broader than a straight survey deeper and richer than a textbook this work seeks to place the reader in the position of an informed eavesdropper on the intellectual conversations of the past J W Burrow first outlines the intellectual context of the mid nineteenth century using ideas taken from physics social evolution and social Darwinism and anxieties about modernity and personal identity to explore the impact of science and social thought on European intellectual life The discussion encompasses powerful and fashionable concepts in evolution art myth the occult and the unconscious mind the rise of the great cities of Berlin Paris and London and the work of literary writers philosophers and composers Most of the great intellectual figures of the age and many of the lesser known populate the book among them Mill Bakunin Nietzsche Bergson Renan Pater Proust Clough Flaubert Wagner and Wilde The author wears his erudition lightly and this distinguished book will be both entertaining and accessible to scholars students and general readers alike

Love Disconsolated Timothy P. Jackson, 1999-11-25 Few concepts are more central to ethics than love but none is more subject to false consolation This 1999 book explores several theological philosophical and literary accounts of love focusing on how it relates to matters such as self interest and self sacrifice and invulnerability and immortality Timothy Jackson first considers key aspects of what the Bible says about love then he further examines the meaning of love and sacrifice through a close reading of novels by Fitzgerald and Hemingway Lastly he evaluates how love constrains and is constrained by other traditional moral concepts Throughout Jackson defends the moral priority of what the Christian tradition calls agape He argues that a proper understanding of agapic love rejects both moral relativism and the comfort of believing that good people cannot be harmed or that God causally necessitates every historical action and event When love is thus disconsolated it neither fears death nor despises life

Decadent Subjects Charles Bernheimer, 2002-07-01 An illuminating exploration of fin de siècle decadence by a well known authority in the areas of European literature culture and psychoanalysis Pre Raphaelite Studies The influential writer and scholar Charles Bernheimer described decadence as a stimulant that bends thought out of shape deforming traditional conceptual molds In this posthumously published work Bernheimer succeeds in making a critical concept out of this perennially fashionable rarely understood term This remarkable collection of essays shows the contradictions of the phenomenon which is both a condition and a state of mind In seeking to show why people have failed to give a satisfactory account of the term decadence Bernheimer argues that we often mistakenly take decadence to represent something concrete that we see as some sort of agent His salutary response is to return to those authors and artists whose work constitutes the topos of decadence rereading key late nineteenth century authors such as Nietzsche Zola Hardy Wilde Moreau and Freud to rediscover the very dynamics of the decadent Through careful analysis of the literature art and music of

the fin de siècle including a riveting discussion of the many faces of Salome Bernheimer leaves us with a fascinating and multidimensional look at decadence Honorable Mention for the Aldo and Jeanne Scaglione Prize for Comparative Literary Studies from the Modern Language Association **Decadent Romanticism: 1780-1914** Kostas Boyiopoulos, Mark Sandy, 2016-04-08 For Decadent authors Romanticism was a source of powerful imaginative revisionism perversion transition and partial negation But for all these strong Decadent reactions against the period the cultural phenomenon of Decadence shared with Romanticism a mutual distrust of the philosophy of utilitarianism and the aesthetics of neo Classicism Reflecting on the interstices between Romantic and Decadent literature Decadent Romanticism reassesses the diverse and creative reactions of Decadent authors to Romanticism between 1780 and 1914 while also remaining alert to the prescience of the Romantic imagination to envisage its own distorted darker perverted other self Creative pairings include William Blake and his Decadent critics the recurring figure of the sphinx in the work of Thomas De Quincey and Decadent writers and Percy Shelley with both Mathilde Blind and Swinburne Not surprisingly John Keats's works are a particular focus in essays that explore Keats's literary and visual legacies and his resonance for writers who considered him an icon of art for art's sake Crucial to this critical reassessment are the shared obsessions of Romanticism and Decadence with subjectivity isolation addiction fragmentation representation romance and voyeurism as well as a poetics of desire and anxieties over the purpose of aestheticism **Movie Magick** David Huckvale, 2018-11-07 Magick as defined by Aleister Crowley is the Science and Art of causing Change to occur in conformity with Will This book explores expressions of movie magick in classic occult films like Hammer's adaptation of Dennis Wheatley's *The Devil Rides Out* and modern occult revival movies These films are inspired by the aesthetics of fin de siècle decadence the symbolist writings of Villiers de l'Isle Adam Wagnerian music drama the Faust legend the pseudo science of theosophy 1960s occult psychedelia occult conspiracy theories and obscure aspects of animation *Decadences - Morality and Aesthetics in British Literature* Paul Fox, 2014-05-01 This revised and expanded volume examines the intersections of aesthetics and morality and asks what Decadence means to art and society at various moments in British literature As time passes the definition of what it takes to be Decadent changes The decline from a higher standard social malaise aesthetic ennui all these ideas presume certain facts about the past the present and the linear nature of time itself To reject the past as a given and to relish the subtleties of present nuance is the beginning of Decadence The conflict underlying the contributions to this collection is that of society's moral contempt vis à vis the focus on the fleeting present on part of the purportedly decadent artists who in turn thought the truly decadent to be the stranglehold society maintained on individual interpretation and the interpretation of oneself [The Oxford Handbook of Decadence](#) Jane Desmarais, David Weir, 2022 The Oxford Handbook of Decadence provides the most thorough examination of decadence to date by exploring the ramifications of this culture in different times and places from ancient Rome to contemporary America Thirty five wide ranging chapters address decadence not only in literature but also in film fashion architecture and more as

well as in such fields as theology science psychoanalysis philosophy and politics

The Sorrows of the Ancient Romans Carlin A. Barton, 2020-10-06 This inquiry into the collective psychology of the ancient Romans speaks not about military conquest sober law and practical politics but about extremes of despair desire and envy Carlin Barton makes us uncomfortably familiar with a society struggling at or beyond the limits of human endurance To probe the tensions of the Roman world in the period from the first century b c e through the first two centuries c e Barton picks two images the gladiator and the monster

The Archaeology of Anxiety Galina Rylkova, 2007-12-09 The Silver Age c 1890 1917 has been one of the most intensely studied topics in Russian literary studies and for years scholars have been struggling with its precise definition Firmly established in the Russian cultural psyche it continues to influence both literature and mass media The Archaeology of Anxiety is the first extended analysis of why the Silver Age occupies such prominence in Russian collective consciousness Galina Rylkova examines the Silver Age as a cultural construct the byproduct of an anxiety that permeated society in reaction to the social political and cultural upheavals brought on by the Bolshevik Revolution the fall of the Romanovs the Civil War and Stalin s Great Terror Rylkova s astute analysis of writings by Anna Akhmatova Vladimir Nabokov Boris Pasternak and Victor Erofeev reveals how the construct of the Silver Age was perpetuated and ingrained Rylkova explores not only the Silver Age s importance to Russia s cultural identity but also the sustainability of this phenomenon In so doing she positions the Silver Age as an essential element to Russian cultural survival

Georg Lukács and His Generation, 1900-1918 Mary Gluck, 1991 Here is Lukács among friends lovers and peers in those important years before 1918 when he converted to Communism and Marxism at the age of 39 Lukács emerges as dramatic and psychologically complex but also as a figure whose dilemmas were echoed in the lives of other radical intellectuals who came of age during the fin de siècle period

Aesthetes and Decadents of the 1890s Karl Beckson, 2005-08-30 The Aesthetic and Decadent Movement of the late 19th century spawned the idea of Art for Art s Sake challenged aesthetic standards and shocked the bourgeoisie From Walter Pater s study *The Renaissance to Salome* the truly decadent collaboration between Oscar Wilde and Aubrey Beardsley Karl Beckson has chosen a full spectrum of works that chronicle the British artistic achievement of the 1890s In this revised edition of a classic anthology *The Ballad of Reading Gaol* has been included in its entirety the bibliography has been completely updated Professor Beckson s notes and commentary have been expanded from the first edition published in 1966 The so called Decadent or Aesthetic period remains one of the most interesting in the history of the arts The poetry and prose of such writers as Yeats Wilde Symonds Johnson Dowson Barlas Pater and others are included in this collection along with sixteen of Aubrey Beardsley s drawings

Late Victorian Gothic Tales Roger Luckhurst, 2009-02-26 This anthology collects together some of the most famous examples of the Gothic tale in the 1890s with stories by Arthur Conan Doyle Vernon Lee Henry James and Arthur Machen as well as some lesser known yet superbly chilling tales from the era The introduction explores the many reasons for the Gothic revival and how it spoke to the anxieties

of the moment **The Jung Cult** Richard Noll,1997-06-05 This revolutionary reassessment of Jung's research conclusions and character asserts that Jung falsified his key research in developing the theory of a collective unconsciousness Noll also reveals evidence that Jung founded a profascist religious cult in which he intended to be worshipped as an Aryan Christ propagated racist and anti-Semitic theories and practiced polygamy for much of his life **Encyclopedia of Italian**

Literary Studies Gaetana Marrone,Paolo Puppa,2006-12-26 The Encyclopedia of Italian Literary Studies is a two volume reference book containing some 600 entries on all aspects of Italian literary culture It includes analytical essays on authors and works from the most important figures of Italian literature to little known authors and works that are influential to the field The Encyclopedia is distinguished by substantial articles on critics themes genres schools historical surveys and other topics related to the overall subject of Italian literary studies The Encyclopedia also includes writers and subjects of contemporary interest such as those relating to journalism film media children's literature food and vernacular literatures Entries consist of an essay on the topic and a bibliographic portion listing works for further reading and in the case of entries on individuals a brief biographical paragraph and list of works by the person It will be useful to people without specialized knowledge of Italian literature as well as to scholars *The Poetics of Decadence* Fusheng Wu,1998-04-30 A reconsideration of Chinese decadent *tuifei* poetry which argues that this poetry is not a marginal trend but rather a vital part of the Chinese literary tradition

Decadence The Strange Life Of An Epithet Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Decadence The Strange Life Of An Epithet PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Decadence The Strange Life Of An Epithet PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Decadence The Strange Life Of An Epithet free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Decadence The Strange Life Of An Epithet Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Decadence The Strange Life Of An Epithet is one of the best book in our library for free trial. We provide copy of Decadence The Strange Life Of An Epithet in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Decadence The Strange Life Of An Epithet. Where to download Decadence The Strange Life Of An Epithet online for free? Are you looking for Decadence The Strange Life Of An Epithet PDF? This is definitely going to save you time and cash in something you should think about.
