Deceiver Robin Lovett, 2017-07-11 The plan was to ruin a man s life Not seduce the man s daughter But sometimes the unlikeliest of people becomes the target And sometimes revenge can make a man vulnerable in ways he didn t know existed I m bored Tired of my meaningless life The garden parties the white sundresses and politely saying no to the sliver of cake it s the life my mother and father wanted for me worked tirelessly for me to have And the monotony makes me reckless But when I go to Blake Vandershall s party his dark menacing eyes and his hard unyielding stare make me want things that have never been offered to me before He s the type who would ravish you in your father s law office The kind who would lie without blinking an eye in order to get what he wants And the repressed bad girl in me wants to give him what he needs Daisy Nowell is nothing to me I don t care that underneath that blue blood lifestyle she s burning to be unleashed My victim is her father the one man who had the chance to save my mother from a brutal fate The coward did nothing and it s my turn to make his life a living hell He s about to lose his precious daughter to me a man whose sole mission is to destroy him I ll do anything say anything in order to tear this woman from her safe life as I hurtle down my path towards destruction But I didn t count on her seeing through me I didn t count on her tapping into my weaknesses pushing my dark heart in ways I don t want Ways I hate I need to find a way to exact my vengeance and leave this all behind Before this woman ruins me for good

The First Edition of the Letters of Paul Charles Vergeer, 2022-01-18 We call them the Letters of Paul However who really wrote them and why The fascinating quest for an answer to this question takes us to Ephesus one of the most important harbour cities of the Roman Empire in order to get a clearer picture through him of the anonymous editors who edited the first edition of what would later so inappropriately be called the letters of Paul These first editors saved Paul from oblivion but often ignored what he had actually said What did they want to achieve with their publication Who added the anti Jewish and misogynistic texts and who added the beautiful song about the praise of love This book offers a spectacular reconstruction of the first edition of Paul's letters It removes two thousand years of Christian encrustation on the surviving texts and produces a unique

reconstruction and critical translation from the Greek of the first edition of the first four letters of Paul **Loving Deceiver**
