Lauren McGrow, 2017-08-28 **Missionary Positions** examines the context for Christian outreach to people in the sex industry. Over the last 20 years faith based organisations have become more engaged in ministering with sex workers. But what are the methods and desired outcomes that undergird pastoral practice in this field? Most Christians see prostitution as evil and those who sell sex are considered broken victims in need of restoration. Yet the voices and experiences of sex workers themselves often challenge these assumptions. Using feminist and postcolonial perspectives, interviews with Christian practitioners in Australia and personal narrative, Lauren McGrow carves out a space for the dynamic theological agency and life complexity of sex workers to be more fully acknowledged in faith based outreach projects.

Out of their Minds Dennis Shasha, Cathy Lazere, 1998-07-02 This best selling book is now available in an inexpensive softcover format. Imagine living during the Renaissance and being able to interview that era's greatest scientists about their inspirations, discoveries and personal interests. The latter half of our century has seen its own Renaissance; information technology has changed irrevocably the way we live, work and think about the world. We are fortunate therefore that the authors of *Out of Their Minds* have been able to talk so candidly with the founders of computer science.

Queer and Indecent Thia Cooper, 2021-03-31 The work of Marcella Maria Althaus Reid is both groundbreaking and notoriously difficult to read as it blends theories from post colonial studies, queer studies, gender and sexuality studies and feminist and liberation theologies. Offering a much needed introduction to the work of the theologian, *Queer and Indecent* shows the development of Althaus Reid's core concepts: indigeneity, economic oppression, the body, indecency, heterosexuality and sex, as well as setting her life in context with an overview of her stance on feminist teaching and activism and her critique of Latin American liberation theology. Designed to introduce a new generation to her work, the book serves as both an indispensable guidebook and a launchpad for students to explore her extraordinary writing for themselves.

Overwhelming Methodology of Deception Max Adam Duncan, 2022-05-04 There was a dilemma with writing this book. In order to understand the tip of the iceberg it's necessary to understand the iceberg. Unfortunately if you don't believe the tip of the iceberg you're certainly not going to believe the iceberg. Jesus said, 'If I tell you earthly things and you don't believe me, how can I tell you heavenly things?' It took me about ten years but I finally made the iceberg believable and understandable to most people. The book involves government conspiracy which is the very tip of the iceberg. The book explains the iceberg first and works its way up to conspiracy. To understand the iceberg it was necessary to push the envelope of the conventional realm of perceived reality and go into metaphysics, galactic allies and galactic enemies. The book explains how humanity is going to go through a transitional period and into a new paradigm of experience. Although this book often quotes from God, what we call God and Jesus, it's unquestionably not a religious book.
