

Deciding What To Run For

First, ask yourself:

- What kind of position do you want to serve as?
- What experiences/talents do you have?
- What position fits you the best?
- What would you like to accomplish during your term?
- What kind of workload can you personally handle?

After deciding what to run for, make sure to understand the duties of the respective position and that you know you will succeed on a business professional level.
