

DECIPHERING ELIZABETHAN FICTION

Reid Barbour

Deciphering Elizabethan Fiction

Melissa M. Caldwell

Deciphering Elizabethan Fiction:

Deciphering Elizabethan Fiction Reid Barbour, 1993 From 1570 to 1630 prose fiction was an upstart in English culture still defined in relation to poetry and drama yet invested with its own considerable power and potential In these years a community of writers arrived on the scene in London and strove to make a name for themselves largely from the prose that they produced at an astonishing rate Modern scholars of the Renaissance have attempted to measure this prose against such standards as humanist culture or the emerging novel But the prose fiction written by Lyly Greene and their imitators has eluded modern readers even more than the works of Shakespeare and Spenser In *Deciphering Elizabethan Fiction* Reid Barbour studies three interwoven case histories those of Robert Greene Thomas Nashe and Thomas Dekker and explores their favorite tropes and figures In response to one another these three writers attempt to define liberate and question the boundaries of prose That is they want to secure for prose a new and powerful status in an age when its parameters are unclear and its rivals still valorized but its parameters unbounded Barbour argues that Nashe absorbs but also rejects the agendas of Greene s prose offering alternative tropes in their place Dekker parodies Nashe but unsettles any scheme for stabilizing prose including those set forth by Nashe himself This work centers on three terms that Greene Nashe and Dekker obviously could not get off their minds decipher discover and stuff The first two terms pervasive in Greene make specific and complex demands on narrative and its readers With stuff however Nashe and Dekker cultivate an extemporal and a material prose and challenge the fictions that decipher and discover from romance to roguery These key words not only situate prose in regard to poetry drama and the world they also raise crucial Renaissance questions about order and duty faith and doubt Accordingly their frame of reference extends from Renaissance poetics and narratology to a nascent Epicureanism and neoskepticism In an about face prose becomes the standard by which the rest of Elizabethan and early Stuart culture is measured even as prose is constituted by that culture With three of the most popular English Renaissance writers as his focus Barbour reassesses the question of how or whether Elizabethan fiction is an ancestor of the novel Students of the novel have recently intensified their search for the origins of Defoe Dickens and Woolf But Elizabethan prose fiction challenges the novel rather than founds it In its conclusion then *Deciphering Elizabethan Fiction* considers responses to Elizabethan prose from Behn to Joyce

Framing Elizabethan Fictions Constance Caroline Relihan, 1996 Literary historians have been giving increased attention to texts that have hitherto been largely ignored The works of women the disenfranchised and commoners have all benefited from such critical analysis Similarly letters memoirs popular poetry and serialized fiction have become the subject of scholarly inquiry Elizabethan fiction has also profited from the newer odes of critical inquiry Such texts as George Gascoigne s *The Adventurers* of Master F J John Lyly s *Euphues* George Pettie s *A Petite Palace* of Pettie his *Pleasure* or Nicolas Breton s *The Miseries of Mavilla* have often been seen as the work of hack writers inelegant aberrations that

demonstrated little about the culture of 16th century Britain or the development of English fiction This collection of original essays draws on a wide range of critical and theoretical approaches especially those influenced by various elements of feminism Marxism and cultural studies They illuminate the richness of canonical examples of Elizabethan fiction Sidney's *Arcadia* and less widely read works Henry Chettle's *Piers Plainess* *A Companion to English Renaissance Literature and Culture* Michael Hattaway, 2008-04-15 This is a one volume up to date collection of more than fifty wide ranging essays which will inspire and guide students of the Renaissance and provide course leaders with a substantial and helpful frame of reference Provides new perspectives on established texts Orientates the new student while providing advanced students with current and new directions Pioneered by leading scholars Occupies a unique niche in Renaissance studies Illustrated with 12 single page black and white prints *A New Companion to English Renaissance Literature and Culture* Michael Hattaway, 2010-02-12 In this revised and greatly expanded edition of the Companion 80 scholars come together to offer an original and far reaching assessment of English Renaissance literature and culture A new edition of the best selling Companion to English Renaissance Literature revised and updated with 22 new essays and 19 new illustrations Contributions from some 80 scholars including Judith H Anderson Patrick Collinson Alison Findlay Germaine Greer Malcolm Jones Arthur Kinney James Knowles Arthur Marotti Robert Miola and Greg Walker Unrivalled in scope and its exploration of unfamiliar literary and cultural territories the Companion offers new readings of both literary and non literary texts Features essays discussing material culture sectarian writing the history of the body theatre both in and outside the playhouses law gardens and ecology in early modern England Orientates the beginning student while providing advanced students and faculty with new directions for their research All of the essays from the first edition along with their recommendations for further reading have been reworked or updated ***The Encyclopedia of English Renaissance Literature, 3 Volume Set*** Garrett A. Sullivan, Jr., Alan Stewart, Rebecca Lemon, Nicholas McDowell, Jennifer Richards, 2012-01-30 Featuring entries composed by leading international scholars The Encyclopedia of English Renaissance Literature presents comprehensive coverage of all aspects of English literature produced from the early 16th to the mid 17th centuries Comprises over 400 entries ranging from 1000 to 5000 words written by leading international scholars Arranged in A Z format across three fully indexed and cross referenced volumes Provides coverage of canonical authors and their works as well as a variety of previously under considered areas including women writers broadside ballads commonplace books and other popular literary forms Biographical material on authors is presented in the context of cutting edge critical discussion of literary works Represents the most comprehensive resource available for those working in English Renaissance literary studies Also available online as part of the Wiley Blackwell Encyclopedia of Literature providing 24/7 access and powerful searching browsing and cross referencing capabilities *Romance for Sale in Early Modern England* Steve Mentz, 2017-09-29 The major claim made by this study is that early modern English prose fiction self consciously invented a new form of literary culture in which

professional writers created books to be printed and sold to anonymous readers. It further claims that this period's narrative innovations emerged not solely from changes in early modern culture like print and the book market but also from the rediscovery of a forgotten late classical text from North Africa: Heliodorus's *Aethiopian History*. In making these claims, Steve Mentz provides a comprehensive historicist and formalist account of prose romance, the most important genre of Elizabethan fiction. He explores how authors and publishers of prose fiction in late sixteenth-century England produced books that combined traditional narrative forms with a dynamic new understanding of the relationship between text and audience. Though prose fiction would not dominate English literary culture until the eighteenth century, Mentz demonstrates that the form began to invent itself as a distinct literary kind in England nearly two centuries earlier. Examining the divergent but interlocking careers of Robert Greene, Sir Philip Sidney, Thomas Lodge, and Thomas Nashe, Mentz traces how, through differing commitments to print culture and their respective engagements with Heliodoran romance, these authors helped make the genre of prose fiction culturally and economically viable in England. Mentz explores how the advent of print and the book market changed literary discourse, influencing new conceptions of what he calls middlebrow narrative and new habits of reading and writing. This study draws together three important strains of current scholarly inquiry: the history of the book and print culture, the study of popular fiction, and the re-examination of genre and influence. It also connects early modern fiction with longer histories of prose fiction and the rise of the modern novel.

Renaissance Historical Fiction, Alex Davis, 2011. In this book, Alex Davis argues that the paradigms that have governed our ideas about the historical consciousness of the English Renaissance for more than half a century must be re-evaluated in the light shed by the Renaissance historical fictions of Philip Sidney, Thomas Deloney, and Thomas Nashe.

A Search for Meaning, Paula Harms Payne, 2004. In its exploration of drama, poetry, and prose, this collection of nine essays invites students, teachers, and scholars to rethink their evaluations of Shakespeare, Milton, Sidney, Jonson, and other British writers of the Early Modern period. Using a formalist approach, *A Search for Meaning* establishes new critical perspectives that are dependent on close readings of the text and current secondary research and which carefully consider reader's reactions.

The Oxford Handbook of English Prose 1500-1640, Andrew Hadfield, 2013-07-04. The *Oxford Handbook of English Prose 1500-1640* is the only available overview of early modern English prose writing. It considers the range and variety of the substance and types of English prose and also analyses the forms and styles of writing adopted in the early modern period.

Writing Robert Greene, Kirk Melnikoff, Edward Gieskes, 2016-02-17. Robert Greene, contemporary of Shakespeare and Marlowe and member of the group of six known as the University Wits, is the subject of this essay collection, the first to be dedicated solely to his work. Although in his short lifetime Greene published some three dozen prose works, composed at least five plays, and was one of the period's most recognized (even notorious) literary figures, his place within the canon of Renaissance writers has been marginal at best. *Writing Robert Greene* offers a reappraisal of Greene's career and of his contribution to Elizabethan culture. Rather than drawing lines between Greene's

work for the pamphlet market and for the professional theatres the essays in the volume imagine his writing on a continuum. Some essays trace the ways in which Greene's poetry and prose navigate differing cultural economies. Others consider how the full spectrum of his writing contributes to an emergent professional discourse about popular print and theatrical culture. The volume includes an annotated bibliography of recent scholarship on Greene and three valuable appendices presenting apocrypha, edition information and editions organized by year of publication.

Early Modern Prose Fiction Naomi Conn Liebler, 2006-12-05 Emphasizing the significance of early modern prose fiction as a hybrid genre that absorbed cultural, ideological and historical strands of the age, this fascinating study brings together an outstanding cast of critics including Sheila T. Cavanaugh, Stephen Guy Bray, Mary Ellen Lamb, Joan Pong Linton, Steve Mentz, Constance C. Relihan, Goran V. Stanivukovic, with an afterword from Arthur Kinney. Each of the essays in this collection considers the reciprocal relation of early modern prose fiction to class distinctions, examining factors such as the impact of prose fiction on the social, political and economic fabric of early modern England, the way in which a growing emphasis on literacy allowed for increased class mobility and newly flexible notions of class, how the popularity of reading and the subsequent demand for books led to the production and marketing of books as an industry, complications for critics of prose fiction as it began to be considered an inferior and trivial art form. Early modern prose fiction had a huge impact on the social and economic fabric of the time, creating a new culture of reading and writing for pleasure which became accessible to those previously excluded from such activities, resulting in a significant challenge to existing class structures.

Thomas Nashe and Late Elizabethan Writing Andrew Hadfield, 2023-04-19 A critical biography of one of the most celebrated prose stylists in early modern English. This book provides an overview of the life and work of the scandalous Renaissance writer Thomas Nashe (1567 c. 1600) whose writings led to the closure of theaters and widespread book bans. Famous for his scurrilous novel *The Unfortunate Traveller* (1594), Nashe also played a central role in early English theater, collaborating with Ben Jonson, Christopher Marlowe and William Shakespeare. Through religious controversies, pornographic poetry and the bubonic plague, Andrew Hadfield traces the uproarious history of this celebrated English writer.

Skepticism and Belief in Early Modern England Melissa M. Caldwell, 2016-09-13 The central thesis of this book is that skepticism was instrumental to the defense of orthodox religion and the development of the identity of the Church of England. Examining the presence of skepticism in non-fiction prose literature at four transitional moments in English Protestant history during which orthodoxy was challenged and revised, Melissa Caldwell argues that a skeptical mode of thinking is embedded in the literary and rhetorical choices made by English writers who straddle the project of reform and the maintenance of orthodoxy after the Reformation in England. Far from being a radical belief simply indicative of an emerging secularism, she demonstrates the varied and complex appropriations of skeptical thought in early modern England. By examining a selection of various kinds of literature including religious polemic, dialogue, pamphlets, sermons and treatises produced at key moments in early modern England's religious history, Caldwell

shows how the writers under consideration capitalized on the unscripted moral space that emerged in the wake of the Reformation. The result was a new kind of discourse and a new form of orthodoxy that sought both to exploit and to contain the skepticism unearthed by the Reformation. Urban Aesthetics in Early Modern London Christopher

D'Addario, 2023-06-15 A new literary history of the origins of metaphysical poetry in the urban environment of early modern London considering the work of John Marston, Thomas Nashe, John Manningham and John Donne. **The Face of Mammon** David Landreth, 2012-04-19 Money talked in sixteenth century England as money still does today. But what the sixteenth century's gold and silver had to say for itself is strikingly different from the modern discourse of money. As David Landreth demonstrates in *The Face of Mammon*, the material and historical differences between the coins of the English Renaissance and today's paper and electronic money propel a distinctive and complex assessment of the relation between material substance and human value. Although the sixteenth century was marked by the traumatic emergence of conditions that would prove to be characteristic of the modern economy, the discipline of economics had not been invented to assess those conditions. *The Face of Mammon* considers how literary texts investigated these unexplained material transformations through attention to the materiality of gold and silver money. In new readings of Spenser's *Faerie Queene*, Marlowe's *Jew of Malta*, three plays by Shakespeare, King John, *The Merchant of Venice*, and *Measure for Measure*, the poetry of John Donne and the prose of Thomas Nashe, Landreth argues that these texts situate the act of exchange at the center of a system of common wealth that sought to integrate political, ethical, and religious values with material ones and probe the ways in which market value corrodes that system even as it depends upon it. Joining the methods of material culture studies to those of economic criticism, *The Face of Mammon* offers a new account of the historical transformations of the concept of value to scholars of early modern literature, culture, and art as well as to those interested in economic history. **Lantern and Candlelight**

Thomas Dekker, 2007. **Pens and Needles** Susan Frye, 2011-11-29 The Renaissance woman, whether privileged or of the artisan or the middle class, was trained in the expressive arts of needlework and painting, which were often given precedence over writing. *Pens and Needles* is the first book to examine all these forms as interrelated products of self-fashioning and communication. Because early modern people saw verbal and visual texts as closely related, Susan Frye discusses the connections between the many forms of women's textualities, including notes in samplers, alphabets, both stitched and penned, initials, ciphers, and extensive texts like needlework pictures, self-portraits, poetry, and pamphlets, as well as commissioned artwork, architecture, and interior design. She examines works on paper and cloth by such famous figures as Elizabeth I, Mary Queen of Scots, and Bess of Hardwick, as well as the output of journeywomen, needleworkers, and miniaturists, Levina Teerlinc, and Esther Inglis, and their lesser-known sisters in the English colonies of the New World. Frye shows how traditional women's work was a way for women to communicate with one another and to shape their own identities within familial, intellectual, religious, and historical traditions. *Pens and Needles* offers insights into women's lives and into such literary texts as

Shakespeare's Othello and Cymbeline and Mary Sidney Wroth's Urania The Cambridge Companion to Lucretius Stuart Gillespie, Philip Hardie, 2007-10-18 Lucretius didactic poem De rerum natura On the Nature of Things is an impassioned and visionary presentation of the materialist philosophy of Epicurus and one of the most powerful poetic texts of antiquity After its rediscovery in 1417 it became a controversial and seminal work in successive phases of literary history the history of science and the Enlightenment In this 2007 Cambridge Companion experts in the history of literature philosophy and science discuss the poem in its ancient contexts and in its reception both as a literary text and as a vehicle for progressive ideas The Companion is designed both as an accessible handbook for the general reader who wishes to learn about Lucretius and as a series of stimulating essays for students of classical antiquity and its reception It is completely accessible to the reader who has only read Lucretius in translation **The Age of Thomas Nashe** Stephen Guy-Bray, Joan Pong Linton, 2016-04-01 Traditional literary criticism once treated Thomas Nashe as an Elizabethan oddity difficult to understand or value He was described as an unrestrained stylist venomous polemicist unreliable source and closet pornographer But today this flamboyant writer sits at the center of many trends in early modern scholarship Nashe's varied output fuels efforts to reconsider print culture and the history of the book histories of sexuality and pornography urban culture the changing nature of patronage the relationship between theater and print and evolving definitions of literary authorship and literature as such This collection brings together a dozen scholars of Elizabethan literature to characterize the current state of Nashe scholarship and shape its emerging future The Age of Thomas Nashe demonstrates how the works of a restless improvident ambitious young writer driven by radical invention and a desperate search for literary order can restructure critical thinking about this familiar era These essays move beyond individual and generic conceptions of authorship to show how Nashe's career unveils the changing imperatives of literary production in late sixteenth century England Thomas Nashe becomes both a marker of the historical milieu of his time and a symbolic pointer gesturing towards emerging features of modern authorship **Fashioning Authority** Constance Caroline Relihan, 1994 Various factors in late 16th century England contributed to an environment more hospitable to prose fiction than had existed previously among them changes in educational opportunities socioeconomic structures literacy rates and access to European literature Such cultural alterations inevitably produced changes in modes of literary production Furthermore access to the bookstall to a new class of readers altered the structures and subjects writers employed Within this tumultuous context the writers of fictional prose narrative negotiated for themselves and their audience a precarious definition of their identity within the Elizabethan literary world In Fashioning Authority Constance C Relihan examines the influence of Elizabethan prose fiction on early modern literary culture emphasizing the role of the nonaristocratic reader in the reception of literature the importance of the marketplace in the production and reception of prose texts and the growth of prose as the dominant mode of narrative presentation Combining cultural analysis with a concern for narrative structure Relihan explores six strategies by which the writers and

readers of Elizabethan fiction struggled to achieve artistic authority incorporating poetry into prose texts using translated material separating authorial from narrative voice introducing a sense of place depicting females and representing non European cultures Relihan argues that Elizabethan fiction s unique position on the borders of literate and literary English culture that is its position as what M M Bakhtin calls novelistic discourse allows it to constitute a rich field for examining the ideological rifts of the period Taking her primary examples from Barnabe Riche s Farewell to Militarie Profession 1581 but also considering texts by a variety of authors such as Sidney Deloney Lyly Gascoigne Lodge Breton Greene Harmon Nashe and Painter Relihan demonstrates that regardless of their specific structural and thematic differences the various modes of Elizabethan fiction all share a common origin in the upheavals of English culture during the later half of the 16th century By examining novelistic discourse as a category Fashioning Authority strengthens our understanding of the nature and history of English fiction even as it broadens our sense of Elizabethan culture The result is an exploration of how Elizabethan novelistic discourse established the cultural place of its newly literate readers and its generically marginal authors creating literary comfort in narrative prose for those who failed to find it in verse

Deciphering Elizabethan Fiction: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Deciphering Elizabethan Fiction Introduction

Deciphering Elizabethan Fiction Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Deciphering Elizabethan Fiction Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Deciphering Elizabethan Fiction : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Deciphering Elizabethan Fiction : Has an extensive collection of digital content, including

books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Deciphering Elizabethan Fiction Offers a diverse range of free eBooks across various genres. Deciphering Elizabethan Fiction Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Deciphering Elizabethan Fiction Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Deciphering Elizabethan Fiction, especially related to Deciphering Elizabethan Fiction, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Deciphering Elizabethan Fiction, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Deciphering Elizabethan Fiction books or magazines might include. Look for these in online stores or libraries. Remember that while Deciphering Elizabethan Fiction, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Deciphering Elizabethan Fiction eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Deciphering Elizabethan Fiction full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Deciphering Elizabethan Fiction eBooks, including some popular titles.

FAQs About Deciphering Elizabethan Fiction Books

What is a Deciphering Elizabethan Fiction PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Deciphering Elizabethan Fiction PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Deciphering Elizabethan Fiction PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Deciphering Elizabethan Fiction PDF to another file format?**

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Deciphering Elizabethan Fiction PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
