Decision Making In Nursing Tools For Change:

Decision Making in Nursing June T. Bailey, Karen E. Claus, 1975 Decision-Making in Nursing Sandra B. Lewenson, Marie Truglio-Londrigan, 2014-03-07 Decision Making in Nursing Thoughtful Approaches for Leadership Second Edition explores multiple decision making approaches to enable nursing students and professionals to become insightful critical flexible and confident decision makers in today s complex healthcare environment With a reflective multidimensional approach to decision making it examines the ways in which history legal and ethical issues spirituality culture family the media economics technology and health policy affect the way nurses make decisions With a greater emphasis on leadership teamwork and intra and inter professional relationships this new edition provides nurses and students the opportunity to see themselves as leaders and feel comfortable making decisions as leaders Important Notice The digital edition of this book is missing some of the images or content found in the physical edition Nursing Leadership and Management Elaine L. La Monica, Elaine La Monica Rigolosi, 1986 Management Decision Making for Nurses Bessie L. Marquis, Carol Jorgensen Huston, 1987 **Nurses' Clinical Decision Making** Russell Gurbutt, 2006 Offers guidance and ideas for teaching and learning This work explains how nurses make clinical decisions through the development of narratives and how using narratives nurses gain a far more intimate knowledge of the patient than doctors can It is useful for students of nursing registered nurses and nurse managers *Management and Leadership for Nurse Managers* Russell C. Swansburg, 1996 This edition of the highly acclaimed Management and Leadership for Nurse Managers offers theoretical and practical perspectives on the major management functions as they are practiced in today s organizations The author introduces current and future nurse managers to the challenges of planning organizing leading and controlling The most recent research on management theory is incorporated throughout the book in the context of its practical application New coverage includes total quality management pay for performance the rising temporary workforce and downsizing Curriculum Building in Nursing Em Olivia Bevis, 1998-10 Applied Decision Making for Nurses Jo Ann Garofalo Ford, Louise N. Trygstad, Bobbie Crew Nelms, 1979 **How Nursing has Changed with Technology, An Issue of Nursing** Maria Overstreet, 2015-06-14 How has technology changed the art and science of nursing practice Many facets of nursing practice have stayed constant over the years such as the way we advocate for our patients and the art of caring for our patients However nursing practice has evolved over the years especially in the bedside delivery of state of the art nursing care Technology at the bedside has forced nurse educators to change the ways in which we always have taught nursing students Technology has also begun to change the methods used in the actual bedside nursing care In this issue you will hear from some of the nursing experts in areas of nursing care that has changed in either the delivery of care or method of assessing care of the patient Nursing experts will describe some of the historical changes and intrigue you in the changes expected to come to the bedside Why is this issue important First we gain insight from a review of where we have been and nurses tend

to reminisce on our past as well as romance our historical roots Second technology is ever changing and it is good practice to keep abreast of what is happening in other areas of nursing so that we can apply others successes in our own specific areas of nursing Third informatics in nursing is a growing field and nursing must embrace technology and learn to adapt various methods of delivery so that we can appropriately care for and advocate for our patients With the changes in our national healthcare system we must encourage nurses to try out new methods of delivery as well as encourage their ideas of how nursing can change The articles in this issue reflect these changes
