Intended) Donald T. Davies, 2009-02 According to David Barrett of the World Christian Encyclopedia there are more than 10 000 distinct religions in the world Maybe surprisingly to some Barrett says there are 34 000 separate Christian groups Hmmm That's a lot of faith That's a lot of religion most of which finds its basis in human reason and invention However there's a faith that's called THE FAITH It finds its basis and creation in the Lord and is clearly delineated in His Word the Bible He the Lord not man set the parameters the boundaries and the substance of the faith Unfortunately those who claim to be followers of the Lord have tended to wander from the kind of faith the Lord has called His people to follow and reproduce The author doesn't presume to have special revelation He doesn't pretend to have access to secrets that are unique to him He simply places THE FAITH into its historical context while making application to the believer of today It's time to take a fresh look at the faith and calling the Lord intended This book is just the beginning but the author hopes it will be a profitable beginning for all who read it
