Moffitt, 1990 On the worldwide often clandestine frequently illegal dissemination of VCRs and cassettes The authors discuss futile attempts at control and conclude even the most severe of these to be almost totally ineffective The book concludes that at least for the time being a sort of de facto global media decentralization has been effected for the first time in history Strategy in a global political sense refers to the direction of diplomacy and armed force toward political ends in international relations The focus of this volume however is on the perception of relations rather than relationships themselves the conceptualization of world affairs and the premises of action in fluid power situations No index Annotation copyrighted by Book News Inc Portland OR      Catalogue Bloomsbury Book Auctions (Firm), 1990      *AB Bookman's Weekly*, 1998      **A Bibliography of Military Geography** Eugene J. Maryland Campaign of September 1862 is still the essential source for anyone seeking understanding of the bloodiest day in all of American history As the U S War Department s official expert on the Battle of Antietam Ezra Carman corresponded with and interviewed hundreds of other veterans from both sides of the conflict to produce a comprehensive history of the campaign that dashed the Confederacy s best hope for independence and ushered in the Emancipation Proclamation Nearly a century after its completion Carman s manuscript has finally made its way into print in an attractively packaged one volume edition painstakingly edited annotated and indexed by Joseph Pierro This edition the first to publish the entire Carman manuscript including the fifteen appendices is designed for ease of use with standardized punctuation and spelling and conveniently footnoted explanations wherever necessary The Maryland Campaign of September 1862 is a crucial document for anyone interested in delving below the surface of the military campaign that forever altered the course of American history and is still the only complete edition of Carman s work on the market Due to an unfortunate case of mistaken identity the man currently appearing in the frontispiece of The Maryland Campaign of September 1862 is not the actual Ezra Carman but someone who looks remarkably similar to him The real Mr Carman can be found at <http://www.loc.gov/pictures/item/cwp2003001783> PP We apologize for the mistake and will correct this error in further printings

Maschera e Volto dello Spiritualismo Contemporaneo Julius Evola, 2013-10-11T00:00:00+02:00 Pubblicato in origine nel 1932 riunendo saggi apparsi negli anni precedenti e poi ristampato nel 1949 e nel 1971 con aggiornamenti questo libro risulta di una sconvolgente attualit  tale da poter essere ancora oggi utilizzato come un illuminante manuale per orientarsi nel babelico spiritualismo contemporaneo degli anni 2000 e per evitarne le trappole Infatti ancora oggi sono numerosi gli ambienti che si interessano al cosiddetto sovrasensibile e che riscoprono dottrine occulte ed esotiche dandosi talvolta anche a pratiche evocatorie cercando esperienze inusitate votandosi a eccessi contestativi Maschera e volto dello spiritualismo contemporaneo stato uno dei primissimi libri all inizio degli anni Trenta del Novecento a mettere in guardia profeticamente contro questi pericoli
