

lisi dei dati biografici dei leaders cinesi e l'impiego di categorie analitiche, quali 'etica' e 'stile' militare, Whitson crea dei modelli interpretativi validi per l'analisi del ruolo delle élites in ogni sistema politico.

[Maria Weber]

STANLEY HOFFMANN, *Decline or Renewal? France since the 1930s*, New York, The Viking Press, 1974, pp. 486 [\$ 15.00].

Questo volume è composto da una serie di saggi quasi tutti già pubblicati negli anni '60. Il filo conduttore è costituito dall'interrogativo che il titolo propone: i mutamenti susseguirsi nella società francese dalla fine degli anni '30 costituiscono efficaci risposte a sfide formidabili oppure contraddittorie ed in ultima analisi perdenti reazioni al declino? Tale questione è affrontata da 4 punti di vista che corrispondono grossomodo ad altrettante sezioni del volume: 1) il regime di Vichy, 2) le trasformazioni interne della società francese, 3) la tradizione di leadership e De Gaulle, 4) i problemi di politica estera.

Nei saggi sul regime di Vichy, Hoffmann si impegna ad argomentare la irrealizzabilità di un autoritarismo reazionario teso alla creazione di un sistema che mantenga la distinzione tra una società civile di comunità autoregolantesi ed uno stato forte per il prestigio esterno ma non interventista. La contraddizione in cui si trovano le forze conservatrici di varia ispirazione — prevalenti nella prima fase del regime — deriva dal loro indottrinamento ideologico e di organizzazione politica (monopartitismo) che implicano un ruolo attivo dello stato nella trasformazione della società. L'incongruenza tra mezzi e fini condannò questa corrente intellettuale alla subordinazione ed infine al collaborazionismo con le tendenze stataliste e fasciste.

L'A. compie un lavoro di distinzione e di chiarificazione all'interno di una esperienza che i francesi non amano ricordare e che il mito della resistenza e la versione ufficiale della IV Repubblica hanno contribuito a dipingere come il tradimento della Francia da parte di un manipolo di criminali, trascurando completamente i fenomeni di consenso che la caratterizzarono nella prima fase. Il regime di Pétain rappresenta il tentativo di volgere decisamente a favore di una parte — sfruttando circostanze eccezionali — l'equilibrio della « sintesi repubblicana » del primo terzo di secolo. Una « stalemata society », via di mezzo tra i residui della Francia feudale e rurale e quella industriale in ascesa, rifugio e prodotto di una borghesia più acquisitiva che orientata al profitto, più patrimoniale che orientata all'allargamento del mercato, ma estremamente frammentata sui problemi della secolarizzazione, della mo-

Decline Or Renewal France Since The 1930s:

Decline Or Renewal? France Since the 1930s Stanley Hoffmann,1974

British Dogmatism and French Pragmatism

Douglas E. Ashford,2023-06-09 First published in 1982 British Dogmatism and French Pragmatism presents an inquiry into how national political and administrative constraints affect the formulation and implementation of local government reform This comparative study between British and French local politics and policymaking discusses themes like local reorganization in the welfare state two paths from monarchy to democracy decisions and non decisions can national politics make local policy fiscal policy and local spending capital spending and land use and central local politics in the welfare state The author argues that the influence of local government systems cannot be assessed apart from the national political and administrative structures in which they are embedded This book is a must read for scholars and researchers of political science public administration and policy making

National Regeneration in Vichy France Debbie Lackerstein,2016-04-22 The creators of the Vichy regime did not intend merely to shield France from the worst effects of military defeat and occupation rather the leaders of Vichy were inspired by a will to regenerate France to establish an authoritarian new order that would repair the degenerative effects of parliamentary democracy and liberal society Their plan to effect this change took the form of a far reaching programme they called the National Revolution This is the first study of the National Revolution as the expression of Vichy s ideology and aims It reveals the variety and complexity of both right wing and other strands of French thought in the context of the turbulent years of the 1930s when Vichy s history really begins and under the Occupation when internal rivalries and divisions as well as the pressures of war doomed Vichy s programme of national regeneration The book is structured around a consideration of the rhetoric of right wing ideology and such key catchwords as decadence action order realism and new man and shows how these phrases only served to mask the political and ideological incoherence of the Vichy government

The French at War, 1934-1944 Nicholas Atkin,2014-07-22 The years 1934 to 1944 remain the most contentious and dramatic decade in modern French history Covering the Occupation the Vichy regime the Resistance and collaboration Nick Atkin provides an important introduction to this key period Accessible and concise the book offers a wide ranging synthesis of key themes and events Looking ahead to the present day the book also examines how the French establishment and public have coped with the legacy of Vichy and explains why the occupation is still ever present in French politics and everyday life

The Routledge Companion to Modern European History since 1763 Chris Cook,John Stevenson,2004-11-10 The Routledge Companion to Modern European History since 1763 is a compact and highly accessible work of reference covering the broad sweep of events from the last days of the ancient regime to the ending of the Cold War and from the reshaping of Eastern Europe to the radical expansion of the European Union in 2004 Within the broad coverage of this outstanding volume particular attention is given to subjects such as the era of the Enlightened Despots the Revolutionary and Napoleonic era in France and the revolutions of 1848 nationalism and imperialism and the retreat from

Empire the First World War the rise of the European dictators the coming of the Second World War the Holocaust and the post war development of Europe the Cold War the Soviet Union and its break up the protest and upheavals of the 1960s as well as social issues such as the rise of the welfare state and the changing place of women in society throughout the period With a fully comprehensive glossary a biographical section a thorough bibliography and informative maps this volume is the indispensable companion for all those who study modern European history **France Since the Liberation** Gino

Raymond, 2024-02-20 This book focuses on the tension between the modernising thrust that places France on a trajectory of convergence with comparable liberal democracies and the defence of a national specificity that can act as a brake complicating France's relationship with its neighbours its present and its past This ambivalence in French political and social life stems from the conscious attempt to rebuild the nation after the trauma of Occupation during World War II and the new beginning provided by the Liberation The government of the Fourth Republic embraced the pursuit of a modernisation that would enable it to regain its place among the world's leading democratic states However this modernising ambition co-exists with the belief in a specific destiny and a unique sense of mission that are intrinsic to the emergence of a sense of nationhood after the revolution of 1789 Raymond defines a critical perspective that draws together historical economic social and political issues into a coherent understanding of what makes France the way it is today Written with both academic rigour and a highly accessible clarity of style this volume is a valuable resource for students educators and researchers in French and European Studies **The Routledge Companion to World History since 1914** Chris Cook, John

Stevenson, 2006-01-27 The Routledge Companion to World History since 1914 is an outstanding compendium of facts and figures on World History Fully up to date reliable and clear this volume is the indispensable source of information on a thorough range of topics such as the Arab Israeli conflict anti-semitism and the Holocaust all the world's major famines and natural disasters since 1914 whether all countries of the world have a king president prime minister or other governance GNP of the world's major states year by year biographies of key figures civil rights movements the Vietnam War the rise of terrorism globalization Thematically presented the book covers topics relevant from the First World War to the Iraq war of 2003 and from post colonial Africa to conflicts and movements in Southeast Asia With maps chronologies and full bibliography this user friendly reference work is the essential companion for students of history politics and international relations and for all those with an interest in world history **From State to Market?** Vivien A. Schmidt, 1996-04-26 The

Mitterrand years saw the transformation of business and its relationship to government From State to Market first published in 1996 details the governmental policies toward business that went from nationalization to privatization deregulation and ever increasing European integration bringing with them the move from a dirigiste or state directed economy to a more market oriented one Professor Schmidt profiles the players the interpenetrating elite of top business and government officials who share common state educational history and career track and who as the beneficiaries of the all pervasive

culture of the state have managed not only to maintain their hold in the ministries but also to colonize industry This book which spans the fields of public policy and political economy contains both empirical information the results of over forty interviews with top business and government officials and a theoretical framework that sets French state society relations in comparative perspective

De Gaulle Daniel J. Mahoney, This analysis of the thought and action of Charles de Gaulle explores the intellectual foundations of Gaullist statecraft Mahoney s careful exegesis of de Gaulle s major writings and speeches reveals a penetrating political thinker as well as a major political actor He explains de Gaulle to an American public that too often sees him as a posturing figure suffering from an exaggerated and misplaced sense of personal and national grandeur Mahoney shows that de Gaulle s defense of the grandeur of France is tied to a fundamentally classical view of human nature and politics In elucidating de Gaulle s political self understanding Mahoney highlights the foundation of his noble but elusive moderation Mahoney shows how de Gaulle repeatedly and explicitly rejected the cult of the Nietzschean superman the Bonapartist separation of grandeur from moderation and all temptations of personal and ideological despotism He explicates de Gaulle s self understanding as a statesman or man of character who comes to the service of a democratic political order in a time of crisis He articulates de Gaulle s relationship to classical and Christian thought his place in the French tradition his profound debts to the Catholic poet philosopher Charles Peguy as well as his important affinities with Alexis de Tocqueville on the need to remain faithful to the dual imperatives of democracy and grandeur In addition the book discusses the principal moments of de Gaulle s statecraft from his appeal to resistance in June 1940 and his founding of a new French Republic in 1958 to his articulation of a Europe of Nations in the 1960 s In doing so Mahoney thoughtfully clarifies the Gaullist understanding of the problem of democracy The democratic statesman must correct the corrosive acids of modern individualism while accepting that democratic individualism sets the inescapable contours of political action in our time Written in clear and non technical language for both a scholarly and general audience De Gaulle will be of interest to students of modern European political history contemporary political theory and those concerned with statecraft or statesmanship

The Government and Politics of France Andrew Knapp, Vincent Wright, 2001 The latest revision of what is the best available guide to modern French politics

The Statesman's Year-Book 1984-85 J. Paxton, 2016-12-15 The classic reference work that provides annually updated information on the countries of the world

Confronting America Alessandro Brogi, 2011-07-15 Throughout the Cold War the United States encountered unexpected challenges from Italy and France two countries with the strongest and determinedly most anti American Communist Parties in Western Europe Based primarily on new evidence from communist archives in France and Italy as well as research archives in the United States Alessandro Brogi s original study reveals how the United States was forced by political opposition within these two core Western countries to reassess its own anticommunist strategies its image and the general meaning of American liberal capitalist culture and ideology Brogi shows that the resistance to Americanization was a critical test for the French and

Italian communists own legitimacy and existence Their anti Americanism was mostly dogmatic and driven by the Soviet Union but it was also at crucial times subtle and ambivalent nurturing fascination with the American culture of dissent The staunchly anticommunist United States Brogi argues found a successful balance to fighting the communist threat in France and Italy by employing diplomacy and fostering instances of mild dissent in both countries Ultimately both the French and Italian communists failed to adapt to the forces of modernization that stemmed both from indigenous factors and from American influence Confronting America illuminates the political diplomatic economic and cultural conflicts behind the U S communist confrontation *The Fifth Republic at Twenty* William G. Andrews, Stanley Hoffmann, 2015-03-17 The first twenty years of the Fifth Republic encompass four presidential elections alternating political control of the National Assembly and years of rapid economic growth and contraction Thus a variety of events now allow an evaluation of the efficacy of the Fifth Republic The chapters of this book examine the governmental framework and various political groups that have vied for control of it industrial development and modernization education and culture and foreign policy Containing both favorable and critical assessments the book provides a comprehensive balance sheet on the Fifth Republic and the influence of Charles de Gaulle Its 25 essays were written by such well known scholars as Crozier Gagnon Gour vitch Ross Suleiman and others as well as some of the younger generation of French specialists with concluding synthesis by Stanley Hoffmann The book features an essay of historical importance on the Constitution of the Fifth Republic by the Constitution s own father the former Prime Minister of France Michel Debr Looking into the areas of government politics economy society culture and foreign policy this volume gives the reader an understanding of the considerable impact of Charles de Gaulle s administration on contemporary France **The Statesman's Year-Book 1978-79** J. Paxton, 2016-12-26 The classic reference work that provides annually updated information on the countries of the world [The Statesman's Year-Book 1979-80](#) J. Paxton, 2016-12-23 The classic reference work that provides annually updated information on the countries of the world *The Statesman's Year-Book 1980-81* J. Decline Or Renewal France Since The 1930s Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Decline Or Renewal France Since The 1930s PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Decline Or Renewal France Since The 1930s PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free

downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Decline Or Renewal France Since The 1930s free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Decline Or Renewal France Since The 1930s Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Decline Or Renewal France Since The 1930s is one of the best book in our library for free trial. We provide copy of Decline Or Renewal France Since The 1930s in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Decline Or Renewal France Since The 1930s. Where to download Decline Or Renewal France Since The 1930s online for free? Are you looking for Decline Or Renewal France Since The 1930s PDF? This is definitely going to save you time and cash in something you should think about.
