normalcy as she attends the local college and makes new friends. When her best friend Maggie gets engaged to Marcus, a professor from the school, Claire is happy for her. Her happiness, however, is soon marred when her friend and study partner Lela is found murdered. Claire begins to worry. Could it be the sinister force that has followed her since the day she left Grandeur Falls? When Maggie also disappears, Claire knows it's not just a coincidence. Suspicions against Claire mount after all she's the only solid connection in each case. Detective Quaid Carrington, having worked on the most gruesome of murders and seen eerily similar cases, is the only man capable of clearing her name. Unfortunately for Claire, he also happens to be the very man whose heart she shattered fourteen years ago. Quaid, though he never really recovered after losing his high school sweetheart, begrudgingly agrees to help Claire. But as he begins to unravel the complexities of her past, he begins to doubt his ability to protect her from the evil lurking waiting to destroy her. Together, can they succeed in stopping the monster before Claire becomes his next victim, or will Claire be The Final Possession? A.M. Hunter lives in central Texas with her husband and their six children. *The Final Possession* is her first novel.

The Social Life of Fluids Jules David Law, 2010. Analyzing the expression of scientific understanding and the technological manipulation of fluids (blood, breast milk, and water) in Victorian novels, Law traces the culture's growing anxiety about fluids from the 1830s through the 1890s.

The Oxford Companion to English Literature Margaret Drabble, 2006. This text has now been revised again to incorporate the latest developments; for instance, the current success of children's and crossover literature such as that of J.K. Rowling and Philip Pullman. However, the Companion also remains faithful to Sir Paul Harvey's original vision of an authoritative work placing English literature in its widest context. No other volume offers such extensive exploration of the classical roots of English literature and the European authors and works that influenced its development. The appendices have also been updated: the winners of the major literary awards and the chronology spanning a thousand years of English literature from Beowulf to *Small Island*. Informed by the latest scholarly thinking and comprehensively cross-referenced to guide the reader to topics of related interest, the revised 6th edition reaffirms the pre-eminence of the Companion as the best available single volume guide to English literature.

BOOK JACKET *The Strike* Yvonne Burgess, 1975

George Eliot and Goethe Gerlinde Röder-Bolton, 2023-11-27. In the first half of the nineteenth century in England, there was a strong interest in German literature and German scholarship. George Eliot studied German and German literature from the age of twenty. Her first publication in 1846 was a translation of Friedrich Strauss's *Das Leben Jesu*, followed in 1854 by the translation of Ludwig Feuerbach's *Das Wesen des Christentums*. That same year, George Eliot left England with George Henry Lewes on her first visit to Germany. During the next three months, they visited Frankfurt, Weimar, and Berlin to collect material for Lewes's biography of Goethe. In this study, Gerlinde Röder-Bolton explores the impact of Goethe on George Eliot, whose elective affinity with Goethe was both ethical and artistic, and analyses George Eliot's responsiveness to Goethe's moral vision and the literary uses she makes of her familiarity with Goethe's work. *George Eliot and Goethe: An Elective Affinity* concentrates on

The Mill on the Floss and Daniel Deronda showing how the intertextual relationship with Die Wahlverwandtschaften holds the key to an understanding of the latter part of The Mill on the Floss while the first part of Faust and Wilhelm Meisters Lehrjahre throw new light on Daniel Deronda This study with its close analysis of a range of works by George Eliot and Goethe is essential reading for anyone interested in both or either of these authors or in Anglo German literary relations
