## **Deeds Of The Saints:**

**Sacred Fictions** Lynda L. Coon, 2010-11-24 Late antique and early medieval hagiographic texts present holy women as simultaneously pious and corrupt hideous and beautiful exemplars of depravity and models of sanctity In *Sacred Fictions* Lynda Coon unpacks these paradoxical representations to reveal the construction and circumscription of women's roles in the early Christian centuries Coon discerns three distinct paradigms for female sanctity in saints' lives and patristic and monastic writings Women are recurrently figured as repentant desert hermits wealthy widows or cloistered ascetic nuns and biblical discourse informs the narrative content rhetorical strategies and symbolic meanings of these texts in complex and multivalent ways If hagiographers made their women saints walk on water resurrect the dead or consecrate the Eucharist they also curbed the power of women by teaching that the daughters of Eve must make their bodies impenetrable through militant chastity or spiritual exile and must eradicate self-indulgence through ascetic attire or philanthropy The windows the sacred fiction of holy women open on the past are far from transparent driven by both literary invention and moral imperative the stories they tell helped shape Western gender constructs that have survived into modern times **Back to**

**the Future** Ralph E. Jr. Bass, Ralph Bass, 2004-07 After embracing the theology of Dispensationalism for thirty three years doubts grew in the author's mind concerning the issues raised by eschatological questions While pastoring he avoided the subject But one day he was asked questions on prophecy that he simply could no longer answer with commitment or conviction It was time to find some real answers This book began as Sunday school lessons to provide those real answers Long after the Sunday school lessons ended the study and the writing continued Not satisfied with Sunday school answers Dr Bass wanted something definitive for his own benefit and the benefit of others This work is an effort to provide that substance that body of learning beyond the Sunday school class for those that demand more much more Feeling that much of what was out there on the subject was sorely wanting Dr Bass envisaged another work from the loyal opposition of the prevailing opinion something written from a deep conviction in the sufficiency and trustworthiness of Scripture yet something far different from the usual offerings This book is the result of the author's quest [Accusatory Theology](#)

**The Book of Revelation** G. K. Beale, 2013-09-07 This commentary series is established on the presupposition that the theological character of the New Testament documents calls for exegesis that is sensitive to theological themes as well as to the details of the historical linguistic and textual context Such thorough exegetical work lies at the heart of these volumes which contain detailed verse by verse commentary preceded by general comments on each section and subsection of the text An important aim of the NIGTC authors is to interact with the wealth of significant New Testament research published in recent articles and monographs In this connection the authors

make their own scholarly contributions to the ongoing study of the biblical text The text on which these commentaries are based is the UBS Greek New Testament edited by Kurt Aland and others While engaging the major questions of text and interpretation at a scholarly level the authors keep in mind the needs of the beginning student of Greek as well as the pastor or layperson who may have studied the language at some time but does not now use it on a regular basis

**The works of Tyndale** William Tyndale,1831 Jesus Second Coming, Oh Please Not Yet Donald Werner,2017-08-10 Are you ready for Jesus Second Coming I am utterly convinced that if Jesus returned today most of the people who call themselves Christians would be lost While they believe themselves to be saved and are told by their church that they are saved they do not pass the test the Jesus left for us The Bible tells us that Jesus himself will judge us according to his words But Jesus words have been set aside by the church as the church points people to walk on the Broad way that will lead to destruction Which road are you on This book is a must read because your eternal life depends on your response to the the teachings of Jesus as I illustrate in this book This book will show you where the church has gone wrong and how to get through the Narrow Gate on to the Narrow way that leads to life I will also share with you how the church today is Laodicea

And is there anyone among the saints who have shone forth from time immemorial who would have lived a real life without sweat and toil without temptation and sorrow? Can you name Abraham the great in patriarchs and after him former Patriarchs, Prophets and teachers or the praises of the Apostles Paul with other Apostles or later the glorified fathers Stephen the First Martyr and all others who were tortured with him and after him for Christ's sake, Anthony the Great and all the monks who fought with him and after him in all of them we will find exorbitant labors, sweats, struggles, fatigue, sorrows, persecutions, attacks, slander and all kinds of temptations. They wandered, St. Paul says, about in sheepskins and goatskins, being destitute, afflicted, tormented. Of whom the world was not worthy; they wandered in deserts and in mountains and in dens and caves of the earth. Heb 11:37-38

And they are all like that Otherwise you cannot please God it is impossible to complete the path of salvation without effort nor to gain the desired victory without deeds How can we having taken on the same business with them otherwise be in time in it if not in the same way of life as they lived and lived their fleeting age I am poor and more than any person it would be better to say one worthy of all torment I am afraid terrified and trembling at the thought of the resolution of the body the coming of the holy Angels to the soul and how I will cross the air and how I will spread the word to the ruler of the world as it is written in the life of St Anthony     The Works of Jacob Behmen ... Jakob Böhme,1764     Practical Theology Peter Kreeft,2014-10-17 Saint Thomas Aquinas has been admired throughout the ages for his philosophical brilliance and his theological sanity but author and professor Peter Kreeft thinks the practical spiritual wisdom of Aquinas is just as amazing In this book Kreeft brings together 358 useful everyday insights from Aquinas masterpiece the Summa Theologiae He pairs these easily digestible quotes from the Summa with his own delightfully written commentary in order to answer the kinds of questions real people ask their spiritual directors These 358 passages from the Summa have helped Kreeft in his own struggles to grow closer to the Lord His practical personal and livable advice is the fruit of his labors to apply the insights of Aquinas to his own quest for sanctity happiness and union with God
