## **Deep Purple The Videosingles:**

**Deep Purple From 1984** Phil Kafcaloudes, 2025-04-07 In 2024 Deep Purple celebrated the fortieth anniversary of their reunion by releasing their 23rd album 1 Some band members thought the 1984 reunion would fizzle out after one album but it flourished despite internecine strife illness and the loss of two founders in Richie Blackmore and Jon Lord As other members approached eighty years of age they still succeeded in producing albums that were to be among their most successful This book tells this sometimes bizarre post reunion story through their music and to an extent their touring Neither was always completely successful as the band seemed to be either searching for synergy in their sound or for a commercial product that did not sacrifice artistic integrity The lyrics are especially valuable because they reveal the hardship of the road and insights into their own growing frustrations with society In doing this the band has not just resurfaced but written a new story for a new audience All these things make this phase of Deep Purple an interesting study not just of a band loved by so many but also of musicians who just wanted to play their music and sometimes found that it was not quite as simple as that Phil Kafcaloudes is an author and journalist who was an arts editor at the Australian Broadcasting Corporation reviewing music theatre and film He presented the ABC s international breakfast program for nine years interviewing James Bonds and rock stars as well as presidents and prime ministers In 2011 his novel Someone Else s War was published in Australasia and translated into Greek for Europe His adaptation of the novel was shortlisted for the Cooper Prize for Playwriting and had its first public performance in 2024 He plays drums and bass although not nearly as well as the people he writes about **R.E.D. **Deep Purple and Rainbow** Steve Pilkington, 2022-06-28 Few would deny that Deep Purple were one of the most influential and popular heavy rock bands to emerge from the melting pot of the late 1960s They went through several line up changes and stylistic shifts before splitting up for the first time in the mid 1970s Talismanic guitarist Ritchie Blackmore carried the spirit on when he formed Rainbow after leaving Purple in 1975 particularly through his partnership with legendary singer Ronnie James Dio Deep Purple reformed some years later of course but many consider this original sometimes turbulent decade to be their most significant Steve Pilkington puts his focus on the period from Shades Of Deep Purple in 1968 through to the first dissolution of the band after Come Taste The Band in 1976 via such classics as Machine Head and In Rock He also discusses first four Rainbow studio albums including the classic Rainbow Rising and the hit laden Down To Earth album in 1979 taking a look at every song from every album in detail He also discusses live recordings plus DVD and video releases The result is the most exhaustive guide to the band s music yet produced as critical opinion rubs shoulders with facts trivia and anecdotes to provide a fascinating alternative history of these revered bands Whether you are a hardcore fan or simply want a guide through the world which lies beyond Smoke On The Water this book is for you The Author Steve Pilkington is a music journalist proof reader and broadcaster He is Editor in Chief for the Classic Rock Society

magazine Rock Society and contributes to other publications such as Prog Before taking on this work full time he spent years writing for fanzines and an Internet music review site on a part time basis He has recently published Black Sabbath Song By Song Fonthill 2018 book and has written the official biography of legendary guitarist Gordon Giltrap In addition he presents a weekly progressive rock radio show titled A Saucerful of Prog on Firebrand Radio He lives in St Helens Merseyside *The Encyclopedia of Popular Music* Colin Larkin,2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day **Rainbow - Uncensored on the Record , The International Who's Who in Popular Music 2002** Andy Gregory,2002 TheInternational Who s Who in Popular Music 2002offers comprehensive biographical information covering the leading names on all aspects of popular music It brings together the prominent names in pop music as well as the many emerging personalities in the industry providing full biographical details on pop rock folk jazz dance world and country artists Over 5 000 biographical entries include major career details concerts recordings and compositions honors and contact addresses Wherever possible information is obtained directly from the entrants to ensure accuracy and reliability Appendices include details of record companies management companies agents and promoters The reference also details publishers festivals and events and other organizations involved with music **The Guinness Encyclopedia of Popular Music: Clarke, Kenny-Gleason, Jackie** Colin Larkin,1995 *The Video Source Book* David J.
