Defeat, Trauma, Lesson: Israel Between Life and Extinction Raphael Israeli, 2014-07-22 History books are usually written by victors, while the defeated write poetry and words of nostalgia, hoping for better days. This volume takes major defeats in Jewish history and tries to describe what happens to a defeated nation and how, in the specific case of Israel and the Jews, the trauma of defeat engenders hope and forces the survivors to learn lessons for the future. The destruction of the two Jewish temples in antiquity, the Holocaust, and the 1973 War serve as case studies to illustrate the problematic national grief as a result of disasters is a process of recuperation. Drawing lessons learned from the event will help the nation come out of trauma. Survivors commemorating the dead also help that process. **The Defeat of Distance** John Gunn, 1985

The Battle of Pyle's Defeat was the bloodiest ten minutes of all Alamance County history. On February 24, 1781, a few hundred yards of Alamance County (then Orange County) were stained red with the blood of a few hundred local citizens. Nearly 100 Tory soldiers were killed, with another 100 taken prisoner, wounded, or unaccounted for. For generations, historians have pondered what really happened at this killing field without any real depth of rationality. Some

have just simply replaced fact with convenient speculation of where the hacking actually took place Our answer to these contemporaries and their agendas is the comprehensive presentation in this work of the letters memoirs and field notes of the men who participated Besides the insight gained from these writings we provide the reader the proper locations and mileage by plotting the actual routes It was not our wish when we started this project to revise history but to correct the myths that have been perpetuated since 1849 Defeating Your Goliath Karina Camille Davis,2015-06-15 Giants can take any shape or form in your life They can be past hurts of failed relationships addictions setbacks from lifes disappointments and even the torment from yourself and your own negative mindset You can become so overwhelmed by the many problems you have to face by looking at the size of them and how they seem to tower over you Goliath was over nine feet tall and his size intimidated the Israelites except for young David This book will inspire and motivate you to become like David and take God to battle with you You will look at your giants in your life as defeated foes After reading this book you will feel encouraged and empowered to slay those giants and walk in victory in the name of our Lord and Savior Jesus Christ
