Art Of Kievan Rus:

Art of Kievan Rus ,1989 The Art of Medieval Jewelry T.N. Pollio,2021-09-28 What are the origins of the imagery and designs on common jewelry and portable artwork between late antiquity and the Middle Ages These dynamic centuries encompass the transformation of the Greco Roman world into the nascent kingdoms and medieval states upon which most modern European nations are based The choices of jewelry and other forms of personal expression among the lower classes in ancient times is notoriously difficult to contextualize for a number of reasons Nonetheless these precious articles were expressions of individual identity as well as signifiers of rites of passage As such they reflect not only the people who wore them but also the social milieu and artistic trends at that moment in time This new study assists in identifying the types origins and routes of transmission of personal artwork particularly finger rings across Europe and Byzantium an area of study that has been neglected in previous works Some of this material represents the first time relevant research from Central and Eastern Europe has been translated and made available to the general reader in the English speaking world

Art Periodical Culture in Late Imperial Russia (1898-1917) Hanna Chuchvaha,2015-10-27 Art Periodical Culture in Late Imperial Russia 1898 1917 Print Modernism in Transition offers a detailed exploration of the major Modernist art periodicals in late imperial Russia the World of Art Mir Iskusstva 1899 1904 The Golden Fleece Zolotoe runo 1906 1909 and Apollo Apollon 1909 1917 By exploring the role of art reproduction in the nineteenth century and the emergence of these innovative art journals in the turn of the century Hanna Chuchvaha proves that these Modernist periodicals advanced the Russian graphic arts and reinforced the development of reproduction technologies and the art of printing Offering a detailed examination of the inaugural issues which included editorial positions expressed in words and images Hanna Chuchvaha analyses the periodicals ideologies and explores journals as art objects appearing in their unique socio historical context in imperial Russia

Stalin's Empire of Memory Serhy Yekelchuk,2015-01-15 Based on declassified materials from eight Ukrainian and Russian archives Stalin s Empire of Memory offers a complex and vivid analysis of the politics of memory under Stalinism Using the Ukrainian republic as a case study Serhy Yekelchuk elucidates the intricate interaction between the Kremlin non Russian intellectuals and their audiences Yekelchuk posits that contemporary representations of the past reflected the USSR s evolution into an empire with a complex hierarchy among its nations In reality he argues the authorities never quite managed to control popular historical imagination or fully reconcile Russia s glorious past with national mythologies of the non Russian nationalities Combining archival research with an innovative methodology that links scholarly and political texts with the literary works and artistic images Stalin s Empire of Memory presents a lucid readable text that will become a must have for students academics and anyone interested in Russian history Russia is the blood enemy of Ukraine. The true history of Ukraine and Russia from the 2nd century BC. not distorted by Russian propaganda.

Nashchubskiy,2024-04-13 This historical book reveals the secrets of the past casting light on the dark corners of the

relationship between Ukraine and Russia It unfolds a large scale picture of an age old relationship shedding light on the tragic events and indescribable feats of both nations As we travel through time we will discover that the history of these two peoples is intertwined with threads of complex events dating back to ancient times Each page of the book reveals not only the fascinating drama of historical vicissitudes but also pronounced features of national character that shape the fate of peoples This deep dive into the past opens eyes to the true causes of much of Ukraine s suffering revealing complex knots of political and cultural influences from Russia But at the same time it offers a new perspective on the relationship between these peoples calling for understanding and healing of historical wounds This historical book is a ruthless expose of Russia as the root of all Ukraine s ills I will tear the covers off the centuries old lies and manipulations of the Kremlin I will prove that every historical tragedy in Ukraine has roots in Russian influence From ancient times to modern times we will look at the shocking truth hidden from us and see the real face of Russia as the main aggressor and oppressor of Ukraine This is a guide to the true history of the two peoples which will convince you to rethink the shared history of these countries

The Spaces That Never Were in Early Modern Art Jelena Todorović, 2019-08-15 Throughout history the research of space has always been an issue of great interest Since classical Antiquity the physical space itself and its imperfect double the illusionary space used in the visual arts have been one of the perpetual obsessions of man However there are very few studies that question the reality of represented space and deal with those liminal phenomena that exist on the blurred boundary between reality and imagination Such spaces were never defined by carefully drawn borders they were usually outlined by the ephemeral and ever changing barriers For that very reason liminal spaces describe those curious worlds confined in gardens and collections they underpin all those dreams of ideal societies and construct visions of unobtainable and distant shores Liminal spaces are the territories not usually found on maps and in atlases they are not subjected to laws of perspective and elude the usual representations They are always beyond and behind the established depiction of space Often they possess yet another layer of signification that transforms a mere image of nature into a political manifesto the lines on precious stones into the shapes of vanished cities and private art collections into a dream of absolute power This book explores different representations and forms of liminal spaces that on the one hand deeply influenced the history of the early modern imagination and on the other established the models for our own understanding of liminal spatial phenomena

Byzantium - Rus - Russia Simon Franklin, 2024-10-28 The Christian culture of Rus the medieval precursor of modern Russia Ukraine and Belarus is sometimes presented either as a reflection of an indigenous spirituality wrapped in borrowed Byzantine forms or by contrast as merely a provincial version of its Byzantine original The essays in this volume start from the premise that neither view is adequate The history of culture even of a self consciously imitative culture involves a continual process of inevitable mistranslation as the imported models are reshaped and reinterpreted according to local resources circumstances and preconceptions These essays explore aspects of the translation of culture on several levels from the semantic processes of the actual translation of written texts from Greek into Slavonic through to larger issues of ideology and identity They consider both the initial stages of such translation from Byzantium to Rus and some of the subsequent retranslations of the Byzantine heritage in the culture of Rus and eventually of Russia *Library of Congress Subject Headings* Library of Congress, Library of Congress. Icons 11th - 18th centuries Philip Zweig, 2024-07-28 Icon painting has reached its zenith in Ukraine between the 11th and 18th centuries This art is appealing because of its great openness to other influences the obedience to the rules of Orthodox Christianity in its early stages the borrowing from Roman heritage or later to the Western breakthroughs combined with a never compromised assertion of a distinctly Slavic soul and identity This book presents a handpicked and representative selection of works from the 11th century to the late Baroque period **Kievan Russia** George Vernadsky, 1973-01-01 Looks at the history of Russia during the Kievan period from 862 to 1237 *The Art and Architecture of Russia* George Heard Hamilton, 1983-01-01 Offers a survey of the painting and architecture of Russia **Renaissance and Baroque Art and Culture in the Eastern Polish-Lithuanian Commonwealth (1506-1696)** Urszula Szulakowska, 2019-01-29 This monograph serves as an introduction to the art architecture and literary culture of the Eastern Polish Lithuanian Commonwealth in the 16th and 17th centuries The geographical area under discussion comprises the regions of contemporary Lithuania western Belarus and western Ukraine The introduction of the Renaissance and Baroque classical revival into these lands is considered here within the political context of nationalistic and religious loyalties as well as economic status and class The central discussion focuses on the issue of national identity and religious loyalty in the inter relation between the Byzantine inheritance of the Lithuanian and Ruthenian populace and the Polonizing Catholic influences entering from the west A close study is made of the royal noble and urban patronage of the richly diverse visual and literary modes developed in these two centuries as well as examining the cultural achievements of the many national groups in the Eastern Commonwealth including Ruthenians Lithuanians Poles Armenians Jews Karaite and Islamic Tatars A major issue

explored here is the problem of restoring and conserving the vast amount of devastated material culture in these regions particularly in Belarus
