The Art of Spiritual Guidance

"By far the finest work I have read on the subject.
Magisterial!" —Michael Downey

Art Of Spiritual Guidance A Contemporary Approach To Growing In The Spirit

Elliot N. Dorff

Art Of Spiritual Guidance A Contemporary Approach To Growing In The Spirit:

The Art of Spiritual Guidance Carolyn Gratton, 1992 Already recognized as an essential reference for both guides and those seeking guidance this eminently readable work integrates into one coherent whole a wide variety of psychological and spiritual insights about spiritual formation A book to reflect on to ponder to peruse more than once and to consult frequently Book Nook Copyright Libri GmbH All rights reserved *Discovering the Art of Soul Friending* Carolyn Gratton, 2019-01-28 This friendly accessible book is about the age old hunger in human hearts to open and deepen and grow towards faithful intimacy with the Source of all that is This spiritual journey is radically personal but it is not meant to be entirely solitary It can be supported at crucial times by friendship with someone who has learned how to listen through a life of prayer for the guidance of God's Spirit in their own soul and in the soul of another Long ago in Celtic Christian Ireland such a person was called an anam cara a soul friend Every soul from time to time on its mysterious trek towards union with God needs a human friend for encouragement on the way In *Discovering the Art of Soul Friending* Carolyn Gratton invites us to say yes to the ability to share with another and to disclose something of oneself on each seeker's journey towards union with God Enriched by a lifetime of insights gained from educating groups around the world she guides aspiring spiritual companions to a discernment of their own level of spiritual maturity sensitivity in the art of spiritual guidance and to a seeker's desires the soil from which their truest love can spring a commitment to prayer and the transformation of consciousness it makes possible rootedness in their own faith tradition and throughout life an openness to the expanded perceptions possible in our multicultural world Carolyn completes each chapter with what she calls a Book Providence section an annotated bibliography of resources that can expand the discernment skills and contextual awareness of potential soul friends *Jewish Spiritual Direction* Rabbi Howard A. Addison, Barbara Eve Breitman, 2011-10-06 The first comprehensive resource for spiritual direction in the Jewish tradition a vital resource for people involved in spiritual leadership The essential reference for people who are called to help others listen for God's voice not only through prayer and sacred texts but also through dance art and interactions with other people this groundbreaking volume draws on both Jewish tradition and the classical foundations of spiritual direction to provide invaluable guidance Offering insight into all aspects of spiritual direction including theology practice companionship group work and embodied spirituality the contributors to this guide are innovators in their fields and represent all four contemporary Jewish movements Topics explored include Jewish Theologies and Jewish Spiritual Direction The Vocabulary of Jewish Spiritual Direction Spiritual Direction as a Contemplative Practice Contemplation and Social Action Cultivating a Hearing Heart Spiritual Types Community for Spiritual Direction Spiritual Direction and the Cycle of Holy Time Spiritual Companionship and the Passages of Life Jewish Spiritual Direction and the Sacred Body Integrating Spiritual Direction and Visual Creativity and many more An exciting and practical addition to an emerging field this is the definitive guide for all who accompany Jewish seekers on their spiritual journeys **Holy Invitations** Jeannette A. Bakke, 2000-10-01

Learn how to nurture your awareness of and response to God's love and guidance through the historical practice of spiritual direction **Transforming Self and Community** Len Sperry, 2002 Offers a holistic approach to spiritual direction and pastoral counseling

By Way of Grace Paula Huston, 2010-06 Before living waters can flow we must admit our thirst One morning in a hermitage nestled in California's lovely Big Sur country Paula Huston read a Scripture verse that she had read hundreds of times before Let anyone who thirsts come to me and drink This time however the verse penetrated her heart as never before Much had happened to her in the preceding years a return to Christianity a conversion to Catholicism a choice for a radically simplified life an increasing hunger for prayer and the Eucharist Now Huston understood that all these things were just the beginning God was calling her to a deeper experience of holiness an experience that would require arduous work and the simplest surrender By Way of Grace is Huston's beautifully written and compelling account of what she learned during her journey into a deeper faith She gained a keen sense of the profound challenge that orthodox Christianity presents to the secular mind set she had uncritically absorbed Her journey also took her deep into a study of the lives and writings of the great saints of the Catholic mystical tradition where she was spiritually strengthened by the Christian virtues of prudence temperance fortitude justice humility faith hope and love Most important she discovered that Jesus call to come to me and drink is an invitation that will fully satisfy a yearning heart This book reveals the essential simplicity of holiness and how we can by way of grace know love and serve God Faith through Grace I felt sad about the years I'd spent trying to cobble together a belief that I could live with I'd been predisposed to unbelief and as with all types of unexamined cultural mind sets I was blind to this fact until I began to compare my way of thinking with the thinking of orthodox Christianity Only then did I discover the truth religious faith is not comforting as atheists so often accuse but hard In order to keep it we must nourish it and protect it otherwise it will be blown away by the changing winds of fashion More we must never forget that this virtue comes through grace The beauty of faith is its deep root in love the very love I'd been so fervently seeking when I set out on my six year spiritual search and the love I'd met in person at the Holy Sepulchre in Jerusalem In that moment I'd been brought face to face with the witness himself whose testimony undergirds twenty centuries of Christian belief And I'd found him to be just as described slow to anger and abounding in love From By Way of Grace Saints and virtues in this book St Basil on prudence the art of seeing clearly St Gregory on temperance the art of holding a balance St Bernard of Clairvaux on fortitude the art of courageous continuing St Thomas Aquinas on justice the art of forgiving St Teresa of Avila on humility the art of honest self appraisal St Francis de Sales on faith the art of believing in things unseen St Therese of Lisieux on hope the art of patient waiting St Teresa Benedicta of the Cross Edith Stein on charity the art of loving the enemy **Spiritually Integrated Psychotherapy** Len Sperry, 2025-03-04 As integrating spiritual concerns becomes commonplace in psychotherapy this new edition of Spiritually Integrated Psychotherapy leads the way in describing and illustrating its effective clinical practice from the first through to the last session Effective clinical practice is emphasized with individual

chapters on assessment and case conceptualization intervention outcome assessment and termination and cultural and ethical considerations The text highlights new developments in spirituality neuroscience and moral injury while continuing to provide a concise theory based framework for understanding the spiritual dimension Readers can use this framework as the basis for competently integrating spirituality in effective evidence based psychotherapy practice This practical book is essential for clinicians who wish to incorporate spirituality into their practice as well as students and trainees preparing to practice spiritually integrated therapies

Changing Life Patterns Elizabeth Liebert,2000

Modern Conservative Judaism Elliot N. Dorff,2018-06-01 A major Conservative movement leader of our time Elliot N Dorff provides a personal behind the scenes guide to the evolution of Conservative Jewish thought and practice over the last half century His candid observations concerning the movement s ongoing tension between constancy and change shed light on the sometimes unified sometimes diverse and occasionally contentious reasoning behind the modern movement s most important laws policies and documents Meanwhile he has assembled excerpted and contextualized the most important historical and internal documents in modern Conservative movement history for the first time in one place enabling readers to consider and compare them all in context In Part 1 God Dorff explores various ways that Conservative Jews think about God and prayer In Part 2 Torah he considers different approaches to Jewish study law and practice changing women s roles bioethical rulings on issues ranging from contraception to cloning business ethics ritual observances from online minyanim to sports on Shabbat moral issues from capital punishment to protecting the poor and nonmarital sex to same sex marriage In Part 3 Israel he examines Zionism the People Israel and rabbinic rulings in Israel

Spirituality in Clinical Practice Len Sperry,2012-01-26

Psychotherapists are increasingly expected to incorporate the spiritual as well as the psychological dimension in their professional work Therapists also are increasingly required to utilize evidence based practices and demonstrate the effectiveness of their practice An ever increasing number of spiritually oriented psychotherapy books attest to its importance but unlike these books that primarily focus on the therapist s spiritual awareness the second edition of *Spirituality in Clinical Practice* addresses the actual practice of spiritually oriented psychotherapy from the beginning to end Dr Len Sperry master therapist and researcher emphasizes the therapeutic processes in spiritually oriented psychotherapy with individual chapters on the therapeutic relationship assessment and case conceptualization intervention evaluation and termination and culturally and ethically sensitive interventions The days of training therapists to be spiritually aware and sensitive to client needs are over therapists are now expected to practice spiritually sensitive psychotherapy in a competent manner from the first session to termination Dr Sperry organizes his text around this central focus point and as in the original edition continues to provide a concise theory based framework for understanding the spiritual dimension Readers can use this framework as the basis for competently integrating spirituality in an effective evidence based psychotherapy practice

Spiritual Mentoring Keith R. Anderson,Randy D. Reese,1999-05-20 Drawing on the writings of Augustine John of the Cross Teresa of Avila and others

Keith R Anderson and Randy D Reese show that the age old practice of Christian mentoring is meant to facilitate our growth throughout life They provide motivation principles and plans for starting and continuing mentoring relationships

Understanding Christian Spirituality Michael Downey,1997 A readable overview of the contemporary spiritual scene that defines outlines and advocates several models or methods for studying Christian spirituality Aimed at college undergraduates and useful for those in spiritual counseling and direction

The Effects of Religious Preference and the Frequency of Spirituality on the Retention and Attrition Rates Among Injured Soldiers Steven L. Jordan,2008-02 Using a quantitative causal comparative approach the researcher conducted a relational study that compared injured and rehabilitated soldiers with no religious foundation to similar soldiers possessing religious preferences and spirituality The two primary research questions were a Does religious preference and spirituality have a positive impact on the retention and attrition rates of injured soldiers b Does an injured soldier s frequency of spirituality increase the likelihood of being returned to initial entry training The study addressed several possible variables among these were the importance of religious preference and spirituality in returning injured soldiers to training the determination of a soldier s level of spirituality and its healing impact spirituality s effect on the injured soldier s psychotherapy and other related demographic factors

Spirituality Kees Waaijman,2002 This textbook is a systematic guide to the extensive field of spirituality Kees Waaijman charts the multiform phenomenon of spirituality the spirituality of ordinary people the great spiritual traditions and the force of counter movements From the foundation of this survey he answers questions like What exactly is spirituality What forms can a scholarly approach take Finally the book provides methodic access to the study of spirituality focusing on the following questions Which are the different forms of spirituality and how can we describe them How can spiritual texts be given a reliable reading Which themes can be distinguished in the field of spirituality and what would be a meaningful way to address them What do we mean by spiritual guidance and what can we learn from it This textbook has no equal It is indispensable to scholars wishing to study the subject but also to others who want to learn about spirituality

Short Term Spiritual Guidance Duane R. Bidwell, This book represents a significant departure from most contemporary writing about spiritual direction While most writers focus on long term relationships of guidance specifically envisioning long listening sessions Bidwell changes focus Spiritual direction he insists typically requires intervention in a specific crisis or situation or question is not formal lasts fewer than five sessions and must be actively and intentionally focused on the person s growth Bidwell s work shows what spiritual directors can learn from the short term therapy model especially about enabling people briefly but effectively to learn to listen on their own and with others for God s presence Focusing on how God is already active in the directee s life allows the participants to identify God s action and respond in ways that collaborate with that identified movement of the Spirit

Evelyn Underhill Annice Callahan,1997 This book explores Evelyn Underhill s spirituality for daily living by describing aspects of her life and writings that are relevant for contemporary Christians in their

daily living It combines scholarly research and pastoral applications The first part focuses on three influences on her life experiences and images her study of the mystics and her work with spiritual guides The second part discusses Underhill's spirituality for daily living based on a study of her letters retreats and other spiritual writings The third part presents her legacy for the third millennium her study of mysticism her spiritual guidance and her spirituality for daily living This work highlights aspects of her life with which readers may identify for example her own return to the Anglican communion after fourteen years her ecumenical dialogue with the Orthodox church and her lifelong attraction to the mystical and sacramental aspect of Roman Catholicism her study of Sufi mystics bringing her into interfaith dialogue her pacifist stance in World War II and her prophetic contribution to the Anglican church as a woman spiritual director retreat preacher theologian spiritual writer and spiritual resource for today

The Spiritual Leader's Guide to Self-Care Rochelle Melander, Harold Eppley, 2002-02-01 As spiritual guides clergy and lay leaders alike often find themselves in need of direction about how to make changes in their personal life and ministry Rarely however do they find a book that presents self care as an integral part of being a spiritual leaders The Spiritual Leader's Guide to Self Care gives readers the tools to discern God's intention for their lives and to be faithful to that vision through proper self care Arranged in 52 chapters one for each week of the year the guide addresses seven themes Creating a Life Vision Caring for Yourself at Work Nurturing Your Relationships Caring for Your Spirit and Body Caring for Your Finances Caring for Your Intellect and Sustaining a Life Vision Included are journal writing suggestions personal reflection questions and activities guidance for sharing the discovery process with another person an activity for the coming week and suggested further resources such as novels videos and Web sites
