The Lost Era: The Art of the Impossible Keith R. A. DeCandido, 2012-08-14 To the Cardassians it is a point of pride To the Klingons a matter of honour But the eighteen year cold war between these two empires euphemistically remembered in later years as the Bretaka Nebula Incident creates a vortex of politics diplomacy and counterintelligence that will define an age and shape the future What begins as a discovery that would enable the Klingon Empire to reclaim a lost piece of its past becomes a prolonged struggle with the rapidly expanding Cardassian Union which has claimed dominion over a region of space that the Klingons hold sacred Enter the Federation whose desire to preserve interstellar space leads Ambassador Curzon Dax to broker a controversial and tenuous peace one that is not without opponents amongst them Lieutenant Elias Vaughan of Starfleet special ops But there are wheels within wheels to the drama unfolding in the Betreka Nebula Within the shadowy rooms of the Cardassian Obsidian Order Klingon Imperial Intelligence and even the Romulan Tal Shiar secret scales are being balanced and for every gain made for the sake of peace there will come a loss

Bick, 2003-11-01 A highly charged Star Trek tale of a largely unknown ship captain and crew in which the Enterprise C comes up against mysterious alien forces unleashed by a fledgling crime cartel For twelve years Rachel Garrett was captain of the Federation s flagship But while her exploits as commander of the U S S Enterprise NCC 1701 C are legend little has been revealed about Garrett her vessel or the unusual men and women of her crew Until now When the archaeological find of the decade offers possible hints about an earlier Cardassian civilization it attracts not merely those seeking to quench their thirst for knowledge but also parties with far less noble interests Among the latter is the Asfar Qatala a notorious criminal cartel with a disturbing connection to one of the Enterprise s highest ranking officers Now Captain Garrett and her crew are swept into a maelstrom of kidnapping extortion and murder And beneath the surface of the frozen world on which the proto Cardassian discovery was made another drama is playing out that will force Garrett to make the most difficult decision of her career
