**The Art of Undressing** Stephanie Lehmann, 2012-08-16 Ginger Levine really doesn't want to turn into her mother Coco used to be an exotic dancer and now makes her living selling sex toys and teaching the Fine Art of Striptease A straitlaced twenty five year old would be pastry chef Ginger has no desire to follow in her mum's high heeled footsteps But when she falls for a fellow student she finds herself ill equipped in the art of seduction And suddenly she's looking for some motherly advice on how to reveal herself to the man she loves

**Striptease** Rachel Shteir, 2004 This first complete history of a century of striptease is filled with rare photographs and period illustrations

**Modeling Life** Sarah R. Phillips, 2012-02-01 This is a book about life modeling Unlike the painter whose name appears beside his finished portrait the life model posing nude perhaps for months goes unacknowledged Standing at a unique juncture between nude and naked between high and low culture between art and pornography the life model is admired in a finished sculpture but scorned for her or his posing Making use of extensive interviews with both male and female models and quoting them frequently Sarah R Phillips gives a voice to life models She explores the meaning that life models give to themselves and to their work and seeks to understand the lived experience of life models as they practice their profession Throughout history people have romanticized life models in an aura of bohemian eroticism or condemned them as strippers or sex workers Modeling Life reveals how life models get into the business managing sexuality in the studio what it means to be a muse and why their work is important

Film, Fashion, and the 1960s Eugenia Paulicelli, Drake Stutesman, Louise Wallenberg, 2017-09-11 A fascinating look at one of the most experimental volatile and influential decades Film Fashion and the 1960s examines the numerous ways in which film and fashion intersected and affected identity expression during the era From A Hard Day's Night to Breakfast at Tiffany's from the works of Ingmar Bergman to Blake Edwards the groundbreaking cinema of the 1960s often used fashion as the ultimate expression for urbanity youth and political unawareness Crumbling hierarchies brought together previously separate cultural domains and these blurred boundaries could be seen in unisex fashions and roles played out on the silver screen As this volume amply demonstrates fashion in films from Italy France England Sweden India and the United States helped portray the rapidly changing faces of this cultural avant gardism This blending of fashion and film ultimately created a new aesthetic that continues to influence the fashion and media of today

**Dressing and Undressing Duchamp** Ingrid E. Mida, 2022-08-25 Fashion is a subject that has long been marginalized in art history and in museums And yet one of the most well known artists in the twentieth century Marcel Duchamp created works that challenge the notion that fashion does not belong in the museum As well there is material evidence of his engagement with clothing as part of his oeuvre This book reveals that clothing and dressing are significant themes that recur in Duchamp's life and his work including his drawings his fashioning of his body his readymades and in his curatorial gestures In examining the items of clothing worn by Duchamp and the related traces of his wardrobe management Duchamp is unmasked as a dandy His waistcoat readymade series Made

to Measure 1957 1961 is in fact a remarkable and deliberate effort to recalibrate the definition of the readymade to include clothing With this little studied readymade series Duchamp established a precedent for sartorial art as a valid form of artistic expression In considering the material traces of Duchamp s fashioning of his body and identity in his work and life this book makes a highly original contribution to the understanding of Duchamp s work as well as the significance of the clothed body in the vanguard of Modernism Ultimately this book explains the relevance of fashion in the museum to modern audiences today

*Bodies of Art* Marie Lathers,2001-01-01 To the time honored myth of the artist creating works of genius in isolation with nothing but inspiration to guide him art historians have added the mitigating influences of critics dealers and the public *Bodies of Art* completes the picture by adding the model This lively look at atelier politics through the lens of literature focuses in particular on the female model with special attention to her race ethnicity and class The result is a suggestive account of the rise and fall of the female model in nineteenth century realism with a final emphasis on the passage of the model into photography at the turn of the century This history of the model begins in nineteenth century Paris where the artist model dynamic was regularly debated by writers and where the most important categories of models appear to be Jewish Italian and Parisian women *Bodies of Art* traces an evolution in the representation of this model in realist and naturalist literary works from her birth in Balzac to her death in Maupassant in the process revealing how she played a key role in theories of representation advanced by writers Throughout the book Marie Lathers connects the artist s work to the social realities and actual bodies that surround and inhabit the atelier Her work shows how much the status of the model can tell us about artistic practices during the century of the birth of modernity

**Growing up glowing up** Mansi Pankaj,2021-07-09 25 poems are Author s 25 little boxes of love filled conversations straight from her heart to her readers There are verses on finding home in people making your stride in the world admiring young love worshipping the temple that your body is finding your happy place celebrating yourself and much more While Growing up you are faced with so many stages of life and when through everything you build yourself up and others too that s when you Glow up Beautiful eyes see a Beautiful World and this explains how Author always chooses to look at the brighter side and hopes for a better tomorrow while appreciating today in all its colours She believes that her greatest power is her originality which makes her works seem very relatable and beautiful to her readers In these poems you would find a range of emotions from a date with the night and just pausing to adore our life to as grave as standing at the crossroads of life and insecurities of young minds All these poems are so powerful that you start feeling the words as you read them and her world is a sweet magical but a real place to be in Happy reading her dream come true

**The Meanings of Nudity in Medieval Art** Sherry C. M. Lindquist,2012 Addressing a strangely neglected key issue in the history of art this volume engages the variety and complexity of medieval representations of the unclothed human body *The Meanings of Nudity in Medieval Art* breaks ground by offering a variety of approaches to explore the meanings of both male and female nudity in European painting manuscripts and sculpture ranging

from the late antique era to the fifteenth century      **Inter-Art Journey** Nurit Yaari, 2015-04-01 In recent years inter medial studies have attracted increasing attention in arts theory The notion of inter mediality presupposes that each established art such as theatre painting and cinema indicates the existence of a particular medium which preserves its distinct features in translations from art to art and especially in its combinations with others in single works Nonetheless this field of research is presupposed already in the traditional studies of ekphrasis which focus on the verbal accounts of nonverbal works of art and in Wagner s notion of Gesamtkunstwerk This renewed interest generated new fields of research such as a the likelihood of the arts reflecting common grounds b the necessity of a shared metalanguage b the possibility of inter medial translation and d the inter medial coexistence within a single work of art without hindering the reading interpreting and experiencing abilities of receivers In honor of Eli Rozik Ph D professor emeritus former head of the Department of Theatre Studies and Dean of the Faculty of Arts Tel Aviv University this collection provides overviews of all these theoretical issues and tackles the contemporary practical questions that arise from attempts to transgress the boundaries between the established disciplines of arts studies Considering first the theoretical aspects of inter art inter mediality and nonverbal literacy Exploring the Common Grounds of the Arts goes on to discuss by means of performance analysis dialogues between the arts within a single work and correspondences between visual and auditory stimuli in musical contexts It concludes with a discussion of practical examples of inter mediality in religious representations official processions and public performances

**The Review of Reviews**, 1892      *Hawk-eyes* Robert Jones Burdette, 1880      Dirt, Undress, and Difference Adeline Masquelier, 2005-12-20 A magnificent volume It offers brand new perspectives on body politics and identity or subjectivity formation in the post colonial world Dorothy Ko Barnard College While there is widespread interest in dress and hygiene as vehicles of cultural moral and political value little scholarly attention has been paid to cross cultural understandings of dirt and undress despite their equally important role in the fashioning of identity and difference The essays in this absorbing and thought provoking collection contribute new insights into the neglected topics of bodily treatments and transgressions In detailed ethnographic studies from around the world the contributors recast assumptions about filth and nakedness exploring how various forms of transgression associated with the body s surface are drawn up into relations of power and inequality They demonstrate imaginatively how body surfaces are powerfully mobilized in the making and unmaking of moral worlds
