Y. Cheung, 2023-03-31 This book explores art song as an emblem of musical modernity in early twentieth century East Asia and Australia It appraises the lyrical power of art song a solo song set to a poem in the local language in Western art music style accompanied by piano as a vehicle for creating a localized musical identity while embracing cosmopolitan visions The study of art song reveals both the tension and the intimacy between cosmopolitanism and local politics and culture In 20 essays the book includes overviews of art song development written by

scholars from each of the five locales of Japan Korea China Taiwan and Australia reflecting perspectives of both established narratives and uncharted historiography *The Art Song in East Asia and Australia 1900 to 1950* proposes listening to the songs of our neighbours across cultural and linguistic boundaries Recognizing the colonial constraints experienced by art song composers it hears trans colonial expressions addressing musical modernity both in earlier times and now Readers of this volume will include musicologists ethnomusicologists singers musicians and researchers concerned with modernity in the fields of poetry and history working within local regional and transnational contexts *Art Songs and Their Interpretation* Martin Rich,1960 *Art Song in the United States, 1759-1999* Judith E. Carman,William K. Gaeddert,Rita M. Resch,2001-12-04 Originally created as a teaching tool this bibliography has taken on a second life as a research tool for various facets of American art song including in this edition both current and historical discography *Recorded Solo Concert Spirituals, 1916-2022* ,2023-05-08 This work catalogs commercially produced recordings of Negro spirituals composed for solo concert vocalists More than 5 000 tracks are listed with entries sourced from a variety of recording formats The featured recordings enhance the study of concert spiritual performance in studio concert worship service or competition settings Arranged alphabetically entries variously identify the accompaniment including chorus piano orchestra guitar flute and violin in concert spiritual recordings The voice types of soloists are included as is the level of dialect used by various performers The composers publishers and format information are also listed when available While structured like a discography this guide extends beyond solely providing historical context and encourages the use of the recordings themselves **Contemporary Art Songs for Men** Vicki Tucker Courtney,2013-01-30 10 exquisite text settings for male voices of any age featuring classic poetry written entirely by male wordsmiths This unique book offers each piece in both treble and bass clefs high and low keys Equally appropriate for the mature recital singer and the newly changed voice 10 exquisite text settings for male voices of any age featuring classic poetry written entirely by male wordsmiths Titles An April Day Birthday Verses The Growth of Song I Love Thee Music I Heard A Song November To When Christmas Comes A White Rose **Marilyn Monroe, when I fall in art** Bodo Mrozek,2014 **Popular Culture Values and the Arts** Ray B. Browne,Lawrence A. Kreiser, Jr.,2014-01-10 In countries around the world the rise of class divisions and unbridled capitalism are changing the conventional definitions of art and esthetics Historically the philanthropy of the elite has played a leading role in supporting funding and distributing artistic works While such measures may be pure in intent many worry that private funding may be gentrifying the arts and creating a situation in which art will only be valued for its prestige or worse its price tag This collection of essays examines the current movement to democratize the arts and make the world of artistic endeavor open and accessible to all Instructors considering this book for use in a course may request an examination copy here *Complete Songs for Solo Voice and Piano, Part 2* Hamish MacCunn,2016-01-01 Britain long revered for its choral music and partsongs had largely neglected art songs since the Elizabethan era The middle of the nineteenth century witnessed

efforts to revive the genre particularly in the works of Sir C Hubert Parry and Sir Charles Villiers Stanford The following generation including the Scottish composer Hamish MacCunn 1868-1916 built on the foundations laid by Parry and Stanford and served as the bridge to the vocal music of Ralph Vaughan Williams Sir Edward Elgar Ivor Gurney John Ireland and ultimately Benjamin Britten Though best known for his Scottish influenced compositions MacCunn composed over 100 songs that free from national constraints are some of the most refined and sophisticated examples of his music Almost no modern editions of MacCunn's songs exist though many were published during the composer's lifetime The current two part edition presents the composer's 102 extant songs Part 1 contains 53 individual songs Part 2 presents the songs that were first published as small collections
