## Art Of Reading Scripture:

The Art of Reading Scripture Ellen F. Davis, Richard B. Hays, 2003-10-02 The difficulty of interpreting the Bible is felt all over today Is the Bible still authoritative for the faith and practice of the church If so in what way What practices of reading offer the most appropriate approach to understanding Scripture The church's lack of clarity about these issues has hindered its witness and mission causing it to speak with an uncertain voice to the challenges of our time This important book is for a twenty first century church that seems to have lost the art of reading the Bible attentively and imaginatively The Art of Reading Scripture is written by a group of eminent scholars and teachers seeking to recover the church's rich heritage of biblical interpretation in a dramatically changed cultural environment Asking how best to read the Bible in a postmodern context the contributors together affirm up front Nine Theses that provide substantial guidance for the church The essays and sermons that follow both amplify and model the approach to Scripture outlined in the Nine Theses Lucidly conceived carefully written and shimmering with fresh insights The Art of Reading Scripture proposes a far reaching revolution in how the Bible is taught in theological seminaries and calls pastors and teachers in the church to rethink their practices of using the Bible Contributors Gary A Anderson Richard Bauckham Brian E Daley Ellen F Davis Richard B Hays James C Howell Robert W Jenson William Stacy Johnson L Gregory Jones Christine McSpadden R W L Moberly David C Steinmetz Marianne Meyers Thompson Christian Wisdom David F. Ford, 2007-06-07 What is Christian wisdom for living in the twenty first century Where is it to be found How can it be learnt In the midst of diverse religions and worldviews and the demands and complexities of our world David Ford explores a Christian way of uniting love of wisdom with wisdom in love Core elements are the discernment of cries the love of God for God's sake interpretation of scripture and the shaping of desire in faith Case studies deal with inter faith wisdom among Jews Christians and Muslims universities as centres of wisdom as well as knowledge and know how and the challenge of learning disabilities Throughout there is an attempt to do justice to the premodern modern and postmodern while grappling with scripture tradition and the cries of the world today Ford opens up the rich resources of Christianity in engaging with the issues and urgencies of contemporary life **Images** Arthur R. Ondrejka, 1990 *Theology, Rhetoric, Manuduction, Or Reading Scripture Together on the Path to God* Peter M. Candler, 2006 Like medieval maps with their intricate illustrations unusual proportions and omission of seemingly crucial details medieval works of theology were designed to provide not an objective lay of the land for disinterested study but an itinerary for individuals traveling a specific route To read was to be taken by the hand and to join fellow travelers on a journey of participation and ultimately union with God **The Living Word of God** Ben Witherington (III), 2007 A provocative examination of the Bible in Christian tradition and contemporary culture **Reading the Gospels Wisely** Jonathan T. Pennington, 2012-07-01 This textbook on how to read the Gospels well can stand on its own as a guide to reading this New Testament genre as Scripture It is also ideally suited to serve as a supplemental text to more conventional

textbooks that discuss each Gospel systematically Most textbooks tend to introduce students to historical critical concerns but may be less adequate for showing how the Gospel narratives read as Scripture within the canonical framework of the entire New Testament and the whole Bible yield material for theological reflection and moral edification Pennington neither dismisses nor duplicates the results of current historical critical work on the Gospels as historical sources Rather he offers critically aware and hermeneutically intelligent instruction in reading the Gospels in order to hear their witness to Christ in a way that supports Christian application and proclamation

**Working with Words** Stanley Hauerwas, 2011-02-16 The crucial challenge for theology is that when it is read the reader thinks This is true Recognizing claims that are true enables readers to identify an honest expression of life s complexities The trick is to show that theological claims the words that must be used to speak of God are necessary if the theologian is to speak honestly of the complexities of life The worst betrayal of the task of theology comes when the theologian fears that the words he or she must use are not necessary This new collection of essays lectures and sermons by Stanley Hauerwas is focused on the central challenge risk and difficulty of this necessity working with words about God The task of theology is to help us do things with words God is not a word peculiar to theology but if God is a word to be properly used by Christians the word must be disciplined by Christian practice It should therefore not be surprising that like any word we must learn how to say God

*The Cistercian Reform and the Art of the Book in Twelfth-Century France* Diane Reilly, 2025-10-01 This book is a study of the programmatic oral performance of the written word and its impact on art and text Communal singing and reading of the Latin texts that formed the core of Christian ritual and belief consumed many hours of the Benedictine monk s day These texts read and sung out loud memorized and copied into manuscripts were often illustrated by the very same monks who participated in the choir liturgy The meaning of these illustrations sometimes only becomes clear when they are read in the context of the texts these monks heard read The earliest manuscripts of C teaux copied and illuminated at the same time that the new monastery s liturgy was being reformed demonstrate the transformation of aural experience to visual and textual legacy

Protestant Theology at the Crossroads Gerhard Sauter, 2007-04-26 In an atmosphere of growing skepticism and discouragement what hope has theology for the future and what sources might deliver that hope In this astute analysis of Protestant theology today Gerhard Sauter sets himself to help theology answer critical questions and accomplish crucial tasks in order to move forward with hope Protestant Theology at the Crossroads examines contextual theology in which particular cultural heritages race and gender economic conditions and the structure of social life inform the teachings of the faith rather than vice versa How for example do we approach the crisis in American self understanding caused by terrorism Do changes in European politics alter our theological perceptions Sauter argues that dogmatics properly understood as the process of theological reasoning that supports the life of the church can and should be used as the tool to save theology Dogmatics he says can break through pious isolationism and converge with genuine public theology leading to the church s understanding of its own essence

*A Primer on the Art of Expository Preaching* C. Matthew McMahon, 2025-08-14 In our modern day pulpit speakers cause the people of God to groan under the weight of shallow anecdotes and lifeless performances A Primer on the Art of Expository Preaching calls preachers back to the sacred task of rightly dividing the Word of truth With the clarity of a craftsman and the conviction of a herald C Matthew McMahon sets forth the forgotten essentials of sermon preparation doctrinal precision and Spirit filled delivery This is not a book for the academic shelf padded with footnotes and obscured by jargon It is a working

manual clear forceful and uncompromising With careful instruction drawn from Scripture the Reformers the Puritans and thirty years of pastoral labor in preaching McMahon walks the preacher through the weighty calling of proclaiming God's Word from exegesis and outlining to doctrinal development to application and homiletics Every chapter presses the point this work is holy work and must be done precisely for the glory of Jesus Christ Whether you are a seasoned minister or newly entering the pulpit this volume will sharpen your understanding convict your heart and deepen your resolve Preaching is not public speaking It is not suggestion It is the ordinance God uses to convert to sanctify and to shake the gates of hell And if a man refuses the labor it demands let him get out of the pulpit and into the pew Read this book slowly Pray as you go Look to Christ Then preach the Word with gravity clarity and fire      Arts and Preaching Sunggu A. Yang, 2021-09-03 In our highly sensory and interactive age how might drawing upon various arts music film architecture dramatic performance painting fashion and more expand the aesthetic experience and mode of preaching This book presents a critical practical answer to the question As our society becomes more visually oriented art seeking and body positive the practice of preaching is likewise challenged to demonstrate the mind body word visual and artistic proclamation of the Sacred after all isn't the writing of the Bible itself highly art full and aesthetic In this book Sunggu A Yang a seasoned preacher and experienced teacher of preaching encourages preachers to utilize their unique artistic talents as critical sources of theological and homiletical imagination and as hermeneutical perspectival tools to aid their rigorous exegetical process of interpreting Scripture eventually toward artistic holistic sermon composition and delivery A sample syllabus included in the appendix will greatly assist any preaching instructor who wants to offer a creative course on arts and preaching      The Art of Listening in the Early Church Carol Harrison, 2013-07-04 The sense of hearing was particularly important in the ancient world when the majority of people were illiterate Rhetoric has been given attention in this context but listening has been virtually ignored This book deals with the practical and theological issues which listening to an incorporeal unknowable God raised for early Christians      **Learning to Speak Christian** Stanley Hauerwas, 2014-07-24 The crucial challenge for theology is that when it is read the reader thinks This is true Recognizing claims that are true enables readers to identify an honest expression of life's complexities The trick is to show that theological claims the words that must be used to speak of God are necessary if the theologian is to speak honestly of the complexities of life The worst betrayal of the task of theology comes when the theologian fears that the words he or she must use are not necessary      **Dancing with Metaphors in the Pulpit** Rodney Wallace Kennedy, 2024-07-30 Dancing with Metaphors in the Pulpit is a prequel to the writing and delivery of the sermon The work of invention which includes the gathering of material is the primary focus of the book The hard work of preaching takes place in the thinking reading and writing The cross disciplinary study provided here covers lessons learned by preachers and by novelists poets philosophers and rhetoricians      *The Principles and Practice of Common-school Education* James Currie, 1872      **Mary and the Art of Prayer** Rachel Fulton Brown, 2017-11-21 Would you like to learn to pray like a

medieval Christian In *Mary and the Art of Prayer* Rachel Fulton Brown traces the history of the medieval practice of praising Mary through the complex of prayers known as the Hours of the Virgin More than just a work of comprehensive historical scholarship the book asks readers to immerse themselves in the experience of believing in and praying to Mary *Mary and the Art of Prayer* crosses the boundaries that modern scholars typically place between observation and experience between the world of provable facts and the world of imagination suggesting what it would have been like for medieval Christians to encounter Mary in prayer *Mary and the Art of Prayer* opens with a history of the devotion of the Hours or Little Office of the Virgin It then guides readers in the practice of saying this Office including its invitatory Ave Maria antiphons psalms lessons and prayers The book works on several levels at once It provides a new methodology for thinking about devotion and prayer a new appreciation of the scope of and audience for the Hours of the Virgin a new understanding of how Mary functions theologically and devotionally and a new reading of sources not previously taken into account A courageous and moving work it will transform our ideas of what scholarship is and what it can accomplish
