**Supplement** ,2002      Canoeman Joe Robin Radcliffe,2019-07-09 In the early 20th Century mining town of Ely Minnesota Joe Seliga taught himself how to build wood and canvas canoes What began as a life full of curiosity and adventure grew into a passion for the land and its people Joe held a deep appreciation of wild places cherished his close knit family and found joy in using his hands to create a thing of beauty and utility Along the way he forged a tradition of respect and integrity for the wooden canoe if you take care of it it will take care of you And Joe knew that the same could be said of the earth a good friend and a lot of other things This biographical picture book celebrates Joe s life with canoes as well as the independent spirit that instilled a tradition of self reliance in a whole generation of campers across the lake country of northern Minnesota

Not Your Average Bear & Other Maine Stories Jerry Stelmok,2007 Best known as a master builder of the wood and canvas canoe and the author of a book about them p 17 Jerry Stelmok has now revealed an equally remarkable talent at storytelling Through these six stories the author takes you up into The County deep into the North Woods to western Maine and down along the coast and in one instance along the desolate wintry coast of Lake Superior with convincing familiarity On the way he introduces you to mostly ordinary people caught in extraordinary escalating events forced to confront strange circumstances for which nothing could possibly have prepared them Jerry s sly humor and a gift for turning up the macabre will keep you turning the pages late into the night
