Arte Rural:

La historia cultural Philippe Poirrier, 2015-05-16 Desde hace dos o tres décadas la historia cultural ocupa un lugar preferente en la escena historiográfica aunque con desfases cronológicos y distintas modalidades dependiendo de las circunstancias nacionales y en este sentido se impone una aproximación comparativa. El presente volumen pretende inscribirse en esta perspectiva preguntándose por la realidad de un giro cultural en la historiografía mundial. Los numerosos colaboradores han aceptado responder a un plan de trabajo en el que partiendo de la situación historiográfica de cada país se analicen las modalidades de surgimiento y de estructuración de la historia cultural. La meta buscada no es normativa y contempla un planteamiento que combina el análisis de las obras, las singularidades de las coyunturas historiográficas y la organización de los mercados universitarios. *COMUNIICA*, 2006-07 *COMUNIICA* online is the technical journal of the Inter American Institute for Cooperation on Agriculture IICA. It is published quarterly in Spanish and English; all articles include an abstract in English or Spanish and in Portuguese and French. **Resources in Education**, 1996-07 **Mask Makers and Their Craft** Deborah Bell, 2014-01-10 Profiling 30 mask makers from around the world, this book explores the motivations and challenges of contemporary artists working to bring the traditional methods and conventions of mask making to an evolving global theatre. There are 181 photographs including two sections of color plates which illustrate how the mythic iconography of masks is used in the modern fields of dance, mime, theatre and storytelling. Topics include the ways in which mask artists and performers maintain a sense of universality despite varying local customs; the legacies of Italian mask makers Amleto and Donato Sartori and of the California-based Dell Arte International School of Physical Theatre; and the ways in which traditional approaches in mask artistry continue to influence commercial mask performance ventures in film on Broadway and in touring companies. Racial Revolutions Jonathan W. Warren, 2001-09-26 The first analysis of a new phenomenon in Brazil wherein a growing number of mestizos are asserting Indian identities and racial politics and understandings of race formation have radically shifted. **Development in Place** José C. M. van Santen, 2008 In humanity's struggle to find timely solutions to environmental problems, it is easily forgotten that access to our shared spaces has never been equal. This collection deals with the landscapes and places of rural, urban and wilderness areas in relation to development. Contributions examine the complex relationship that human beings maintain with their rural and urban environments and with other species in various places and spaces. Nothing is taken for granted: colonial history, globalization, localization, hybrid relationships, colonial or shared architecture, religious backgrounds and claims to equal access all fuse with policy strategies. This volume discusses these issues within the framework of developmental discourse while asserting the rights of access to the global commons for all world citizens as well as other species. History of Photography Laurent Roosens, Luc Salu, 1989-01-01 The fourth volume in a history of photography; this is a bibliography of books on the subject. **Handbook of Critical Perspectives on Nonprofit Organizing and Voluntary Action** Roseanne M. Mirabella, Tracey M. Coule, Angela

M. Eikenberry, 2024-08-06 This insightful Handbook brings together leading and emerging scholars within the field of nonprofit organization serving as a call to action for academics to interrogate key contemporary issues such as backsliding and authoritarianism It meticulously distinguishes traditional often marginalist perspectives from nuanced counterarguments to balance out the field *Catalogue* Hispanic Society of America.
