educators *What is Cultural History?* Peter Burke, 2008-09-02 idea of culture plays an increasingly important part The new edition also surveys the very latest developments in the field and considers the directions that cultural history may be taking in the twenty first century Book Jacket **Encyclopedia of Historians and Historical Writing** Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies **A Cultural History of Climate Change** Tom Bristow, Thomas H. Ford, 2016-04-20 Charting innovative directions in the environmental humanities this book examines the cultural history of climate change under three broad headings history writing and politics Climate change compels us to rethink many of our traditional means of historical understanding and demands new ways of relating human knowledge action and representations to the dimensions of geological and evolutionary time To address these challenges this book positions our present moment of climatic knowledge within much longer histories of climatic experience Only in light of these histories it argues can we properly understand what climate means today across an array of discursive domains from politics literature and law to neighbourly conversation Its chapters identify turning points and experiments in the construction of climates and of atmospheres of sensation They examine how contemporary ecological thought has repoliticised the representation of nature and detail vital aspects of the history and prehistory of our climatic modernity This ground breaking text will be of great interest to researchers and postgraduate students in environmental history environmental governance history of ideas and science literature and eco criticism political theory cultural theory as well as all general readers interested in climate change **Walter Benjamin and the Demands of History** Michael P. Steinberg, 1996 This book is the first to consider the presence of history and the question of historical practice in Walter Benjamin's work Benjamin the critic and philosopher of history was also the practitioner the authors contend and it is in the practice of historical writing that the materialist aspect of his thought is most evident Some of the essays analyze Benjamin's writings in cultural history and the philosophy of history Others connect his historical and theoretical practices to issues in contemporary feminism and post colonial studies and to cultural contexts including the United States Japan and Hong Kong In different ways the authors all find in Benjamin's specific notion of historical materialism a dialectic between textual and cultural analysis which can reinvigorate the relation between literary and historical studies **Darwin and Theories of Aesthetics and Cultural History** Barbara Larson, Sabine Flach, 2013-01-01

Darwin and Theories of Aesthetics and Cultural History is a significant contribution to the fields of theory Darwin studies and cultural history This collection of eight essays is the first volume to address from the point of view of art and literary historians Darwin s intersections with aesthetic theories and cultural histories from the eighteenth century to the present day Among the philosophers of art influenced by Darwinian evolution and considered in this collection are Alois Riegl Ruskin and Aby Warburg This stimulating collection ranges in content from essays on the influence of eighteenth century aesthetic theory on Darwin and nineteenth century debates circulating around beauty to the study of evolutionary models in contemporary art

A History of Art History Christopher S. Wood,2021-03-02 In this authoritative book the first of its kind in English Christopher Wood tracks the evolution of the historical study of art from the late middle ages through the rise of the modern scholarly discipline of art history Synthesizing and assessing a vast array of writings episodes and personalities this original and accessible account of the development of art historical thinking will appeal to readers both inside and outside the discipline The book shows that the pioneering chroniclers of the Italian Renaissance Lorenzo Ghiberti and Giorgio Vasari measured every epoch against fixed standards of quality Only in the Romantic era did art historians discover the virtues of medieval art anticipating the relativism of the later nineteenth century when art history learned to admire the art of all societies and to value every work as an index of its times The major art historians of the modern era however Jacob Burckhardt Aby Warburg Heinrich W lfflin Erwin Panofsky Meyer Schapiro and Ernst Gombrich struggled to adapt their work to the rupture of artistic modernism leading to the current predicaments of the discipline Combining erudition with clarity this book makes a landmark contribution to the understanding of art history from book jacket **Dove**

Va la Storia Economica? Francesco Ammannati,2011 **The Cambridge Companion to Walter Benjamin** David S. Ferris,2004-03-25 This Companion offers a comprehensive introduction to the thought of the highly influential twentieth century critic and theorist Walter Benjamin The volume provides examinations of the different aspects of Benjamin s work that have had a significant effect on contemporary critical and historical thought Topics discussed by experts in the field include Benjamin s relation to the avant garde movements of his time his theories on language and mimesis modernity his significance and relevance to modern cultural studies and his autobiographical writings Additional material includes a guide to further reading and a chronology

Basel in the Age of Burckhardt Lionel Gossman,2002-04-15 This remarkable history tells the story of the independent city republic of Basel in the nineteenth century and of four major thinkers who shaped its intellectual history the historian Jacob Burckhardt the philologist and anthropologist Johann Jacob Bachofen the theologian Franz Overbeck and the philosopher Friedrich Nietzsche Remarkable and exceptionally readable There is wit wisdom and an immense erudition on every page Jonathan Steinberg Times Literary Supplement Gossman s book a product of many years of active contemplation is a tour de force It is at once an intellectual history a cultural history of Basel and Europe and an important contribution to the study of nineteenth century historiography Written with a grace and elegance
