Art in an Age of Counterrevolution, 1815-1848 Albert Boime, 2004-08-18 Publisher Description **A Social History of Modern Art, Volume 2** Albert Boime, 1993-05-15 In this second volume Albert Boime continues his work on the social history of Western art in the Modern epoch This volume offers a major critique and revisionist interpretation of Western European culture history and society from Napoleon's seizure of power to 1815 Boime argues that Napoleon manipulated the production of images as well as information generally in order to maintain his political hegemony He examines the works of French painters such as Jacques Louis David and Jean Auguste Dominique Ingres to illustrate how the art of the time helped to further the emperor's propagandistic goals He also explores the work of contemporaneous English genre painters Spain's Francisco de Goya the German Romantics Philipp Otto Runge and Caspar David Friedrich and the emergence of a national Italian art Heavily illustrated this volume is an invaluable social history of modern art during the Napoleonic era Stimulating and informative this volume will become a valuable resource for faculty and undergraduates R W Liscombe Choice *The Grove Encyclopedia of American Art* Joan M. Marter, 2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries **Internationalizing the History of American Art** Barbara Groseclose, 2009-01-01 A collection of essays presenting international perspectives on the narratives and the practices grounding the scholarly study of American art Provided by publisher **Gustave Doré and the Modern Biblical Imagination** Sarah C. Schaefer, 2021 Gustave Doré and the Modern Biblical Imagination explores the role of biblical imagery in modernity through the lens of Gustave Doré 1832-83 whose work is among the most reproduced and adapted scriptural imagery in the history of Judeo Christianity First published in France in late 1865 Doré's Bible illustrations received widespread critical acclaim among both religious and lay audiences and the next several decades saw unprecedented dissemination of the images on an international scale In 1868 the Doré Gallery opened in London featuring monumental religious paintings that drew 2.5 million visitors over the course of a quarter century when the gallery's holdings travelled to the United States in 1892 exhibitions at venues like the Art Institute of Chicago drew record crowds The United States saw the most creative appropriations of Doré's images among a plethora of media from prayer cards and magic lantern slides to massive stained glass windows and the spectacular epic films of Cecil B. DeMille This book repositions biblical imagery at the center of modernity an era that has often been defined through a process of secularization and argues that Doré's biblical imagery negotiated the challenges of visualizing the Bible for modern audiences in both sacred and secular contexts A set of texts whose veracity and authority were under unprecedented scrutiny in this period the Bible was at the center of a range of historical theological and cultural debates Gustave Doré is at the nexus of these narratives as his work established the most pervasive visual language for biblical imagery in the past two and a half centuries and constitutes the means by which the Bible has persistently been translated visually **Children of the Revolution** Robert Gildea, 2008 For those who lived in

the wake of the French Revolution its aftermath left a profound wound that no subsequent king emperor or president could heal Children of the Revolution follows the ensuing generations who repeatedly tried and failed to come up with a stable regime after the trauma of 1789 World Cinema and the Visual Arts David Gallagher,2013-10-15 World Cinema and the Visual Arts combines new analyses of two subjects of ongoing research in the field of humanities cinema and the visual arts Originally presented at the American Comparative Literature Association Conference 2010 in New Orleans the papers of this volume have been expanded and extended from their original points of enquiry and analyse films from the diverse cultural traditions of China Germany the United Kingdom America Northern Ireland and India Art History: The Key Concepts Jonathan Harris,2006-10-16 A comprehensive critical guide Art History The Key Concepts considers the full range of issues facing the field today drawing on related areas such as cultural theory and media studies **The Gamin de Paris in Nineteenth-Century Visual Culture** Marilyn R. The Efflorescence of Caricature, 1759-1838 Todd Porterfield, 2017-07-05 Searing disputes over caricature have recently sparked flames across the world the culmination not the beginning of the story of one of modernity's definitive artistic practices Modern visual satire erupts during a period marked by reform and revolution by cohering nationalisms and expanding empires and by the emerging discipline of art history This has long been recognized as its Golden Age It is time to look anew In *The Efflorescence of Caricature 1759 1838* an international interdisciplinary and intergenerational team of scholars reconfigures the geography of modern visual satire as the expansive narrative reaches from North America to Europe to China and the Ottoman Empire Caricature's specific visual cultures are also laid bare its iconographic means and material support as well as the diverse milieu of its making the military the art academy diplomacy politics art criticism and popular entertainment Some of its greatest practitioners James Gillray and Honoré Daumier are seen in a new light alongside some of their far flung and opportunistic pastichers Most trenchant assumptions about the consequences of caricature arise come under intense scrutiny interrogated for its cherished and long vaunted civilizational claims on individual character artistic supremacy political liberty and global domination *Empire of Landscape* John Zarobell, 2010 Explores visual culture and the social history of art through an analysis of French images of nineteenth century Algeria Provided by publisher

Irish Culture and "The People" Seamus O'Malley, 2022-06-30 This book argues that populism has been a shaping force in Irish literary culture Populist moments and movements have compelled authors to reject established forms and invent new ones Sometimes as in the middle period of W B Yeats's work populism forces a writer into impossible stances spurring ever greater rhetorical and poetic creativity At other times as in the critiques of Anna Parnell or Myles na gCopaleen authors penetrate the rhetoric fog of populist discourse and expose the hollowness of its claims Yet in both politics and culture populism can be a generative force Daniel O Connell and later the Land League utilized populist discourse to advance Irish political freedom and expand rights The most powerful works of Lady Gregory and Ernie O'Malley are their portraits of *The People* that borrows from the populist vocabulary While we must be critical of populist discourse we dismiss it at our loss This study synthesizes existing scholarship on populism to explore how Irish texts have evoked *The People* a crucial rhetorical move for populist discourse and how some writers have critiqued adopted and adapted the languages of Irish populisms **Love and Revolution in the Twentieth-Century Colonial and Postcolonial World** G. Arunima, Patricia Hayes, Premesh Lalu, 2021-10-27 This book addresses emancipatory narratives from two main sites in the colonial world the Indian and southern African subcontinents Exploring how love and revolution interrelate this volume is unique in drawing on theories of affect to interrogate histories of the political thus linking love and revolution together The chapters engage with the affinities of those who live with their colonial pasts crises of expectations colonial national convulsions memories of anti

colonial solidarity even shared radical libraries It calls attention to the specific and singular way in which notions of love of the world were born in a precise moment of anti colonial struggle a love of the world for which one would offer one s life and for which there had been little precedent in the history of earlier revolutions It thus offers new ways of understanding the shifts in global traditions of emancipation over two centuries *Res: Anthropology and Aesthetics, 48: Autumn 2005*
