Art, the Sublime, and Movement Amanda du Preez, 2022-01-31 This book is a critical interdisciplinary approach to the study of contemporary visual culture and image studies exploring ideas about space and place and ultimately contributing to the debates about being human in the digital age The upward and downward pull seem in a constant contest for humanity's attention Both forces are powerful in the effects and affects they invoke When tracing this iconological history Amanda du Preez starts in the early nineteenth century moving into the twentieth century and then spanning the whole century up to contemporary twenty first century screen culture and space travels Du Preez parses the intersecting pathways between Heaven and Earth up and down flying and falling through the concept of being spaced out The idea of being spaced out is applied as a metaphor to trace the visual history of sublime encounters that displace Earth gravity locality belonging home real life and embodiment The book will be of interest to scholars working in art history visual culture media and cultural studies phenomenology digital culture mobility studies and urban studies

Women in German Expressionism Anke Finger, Julie Shoults, 2023-08-07 This collection for the first time explores women's self conceptions and representations of women's and gender roles in society in their own Expressionist works How did women approach themes commonly considered to be characteristic of the Expressionist movement and did they address other themes or aesthetics and styles not currently represented in the canon Women in German Expressionism centers its analysis on gender together with difference ethnicity intersectionality and identity to approach artworks and texts in more nuanced ways engaging solidly established theoretical and sociohistorical approaches that enhance and update our understanding of the material under investigation It moves beyond the masculine New Man

viewpoint so firmly associated with German Expressionism and examines alternative critical and divergent interpretations of the changing world at the time This collection seeks to broaden the theorization scholarship and reception of German Expressionism by much belatedly including works by women and by shifting or redefining firmly established concepts and topics carrying only the imprint of male authors and artists to this day *We Weren't Modern Enough* Marsha Meskimmon,1999-10-14 Meskimmon asks why women artists were left out of the canon of German modernism tracing the reasons to the construction of a unified male history of art that in effect denied women a voice The book is an effort to reconceive the period s art history and the perspective of the Weimar woman artist **New Objectivity** Sergiusz Michalski,2003 Drawing on new research from local archives as well as reinterpretations of published literature Power and the People describes how England remained governable between 1525 and 1640 despite the wars famine epidemics and dynastic and religious crises of the period The book surveys the mechanisms of authority at various levels from the street and alehouse to the manor and the royal court Maintaining order was a difficult challenge given that England had no standing army or professional police and Alison Wall investigates everything from the roles of village constables to the social cohesiveness that came from civic celebrations and participatory politics Her book provides students with a rich perspective on the social world and political culture of early modern England *The Danish Avant-Garde and World War II* Kerry Greaves,2019-03-18 This is the first book to focus on Helhesten The Hell Horse an avant garde artists collective active during the Nazi occupation of Denmark and one of the few tangible connections between radical European art groups from the 1920s to the 1960s The Danes deliberately unskilled painterly abstraction embrace of the tradition of dansk folkelighed the popular and its iterations of egalitarianism and consensus reform called for the political relevance of art and interrogated the ideologies underlying culture itself The group s cultural activism presents an alternative trajectory of continuity which challenges the customary view of World War II as a moment of artistic rupture *German Expressionism* Museum of Modern Art (New York, N.Y.),Starr Figura,Peter Jelavich,2011 Catalog of an exhibition held at the Museum of Modern Art New York Mar 27 July 11 2011 New York Magazine ,1991-12-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1991-09-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *New York Magazine* ,1991-12-23 New York
