The Art of Effortless Living Ingrid Bacci,2002-06-04 A graduate of Harvard and Columbia Ingrid Bacci was a real achiever until a crippling disease took over her life for three years After embarking on a journey of healing using mind body techniques she realized the secret to health happiness and success was to let go of trying so hard and face the fear that had ruled her life Many of us are addicted to struggling and trying so hard to make things happen We feel emotionally dissatisfied and physically exhausted or even ill We have a nagging sense that there must be more to life than what we are getting We apply ourselves to reaching our goals only to find out that we pay a price in the form of stress and tension In *The Art of Effortless Living* Dr Bacci presents clear simple techniques for developing an effortless lifestyle Through breathing exercises meditation visualization bodywork and tapping into unconscious guidance you can learn how to achieve a more fulfilling life by doing less Effortless Living Jason Gregory,2018-03-13 A guide for achieving an enlightened mind through the art of

non doing Details meditation practices focused on stillness of the mind along with Patanjali s yoga methods to maintain a consciousness referred to as being in the zone Builds on Taoist Confucian and Hindu principles along with scientific findings to support wu wei the art of non doing non forcing as a way of life Explains how wu wei practitioners cultivate intelligent spontaneity and effortless action to allow the natural harmony of the cosmos to prevail The practice of non doing non forcing is an essential aspect of Taoism known as wu wei Attributed to the great sage Lao tzu the philosophy of wu wei teaches you how to develop a natural state of consciousness not bound by thought or preconceived limitations Experienced by the greatest artists athletes musicians and writers this heightened state of consciousness referred to as being in the zone is where intelligent spontaneity and effortless action flourish via a practice rooted in permitting the natural harmony of the cosmos to prevail Merging Taoist philosophy Hindu principles and Confucianism along with scientific findings Jason Gregory outlines the practice of wu wei as a vehicle to realize our innate freedom revealing that when we release our ego and allow life to unfold as it will we align ourselves more closely with our goals and cultivate skill and mastery along the way Equating

being in the zone with a stillness of the mind Gregory shares meditation practices coupled with yoga exercises from Patanjali that allow you to approach life with a mastery of acceptance releasing deluded beliefs of how to achieve success that make your mind sticky and poised for conflict The author shows how practicing wu wei paradoxically empowers you to accomplish all that you desire by having no intention to do so as well as allowing you to become receptive to nature s blueprint for expressing beauty Revealing wisdom utilized by renowned sages artists and athletes who have adapted being in the zone as a way of life the author shows that wu wei can yield a renewed sense of trust in many aspects of your daily life making each day more effortless As an avid wu wei practitioner he provides keen insight on how you too can experience the beauty of achieving an enlightened effortless mind while reveling in the process of life s unfolding *Awaken Your Authentic Self*

Tony Fahkry,2017-03-17 What if I told you that complete acceptance of our identity is fundamental to our way of life since every interaction emerges from our authentic self The number one problem nowadays is the fact we have lost contact with our true identity We subscribe to ideologies and beliefs regarding who we should be because we want to be accepted This comes at a cost to our self worth since we give up an aspect of ourselves and lose our authenticity Are you tired of not having your personal needs met Do you want to live a better life but don t know how My book will help you reconnect you with the core of your essential self It is a move away from whom you should be which is adopted by popular culture My book invites you to reconnect with the deepest part of your being which knows who you are and how you should live You have more power than you realise More genius than you can imagine More wisdom and knowledge than you can ever access When you let go of the false belief that you are lacking or inadequate in that moment you arouse your potential This is not a patronising statement to seduce you into a false belief You have unlimited power and accessing that power is the basis of my book *Awaken Your Authentic Self* My name is Tony Fahkry I am a three time author expert speaker and life coach for over 15 years I believe everyone has great potential within them It is a matter of awakening it to reach your most efficient level By focusing on what is meaningful to you my book will bring value to your life by helping you think clearly and make decisions in alignment with who you are My book will help you discover your genius talents and gifts and awakening your highest potential If you are ready to break free from your limited beliefs thoughts and ideas of the world I invite you to purchase your copy of *Awaken Your Authentic Self* today so you can experience the results I speak of Unless you challenge the status quo you will remain one of the masses One has only to look to mainstream culture to see the effects the media and marketing hype have on our society Don t become of the masses You have so much potential within you waiting to come alive Believe that you are worthy and capable of great things and it will become your reality *Awaken Your Authentic Self* is endorsed by the international acclaimed spiritual author and silver prize winner of the Nautilus award Dennis Merritt Jones who wrote the foreword *The Art of Deliberate Success* David Keane,2013-01-29 An effective framework for professional and personal success Everyone wants to succeed in life but not everyone knows how Success isn t just a result of luck and hard work you

also need to know how to define success for yourself and put yourself in the right frame of mind to achieve it Based on a powerful ten part framework The Art of Deliberate Success presents ten chapters that help you identify strengths and weaknesses so you can focus your attention and effort where it matters most The book includes an online self assessment tool that helps you pinpoint the areas you need to focus on followed by chapters dedicated to helping you focus on what matters using language more effectively mastering your behaviour getting things done and ultimately reach your goals Based on the author s 24 years of professional experience and research Presents a flexible and effective system that allows you to achieve goals that are professional or personal in nature Features a special online self assessment tool for identifying strengths and weaknesses and personalising your self development Informal easy to read and highly effective The Art of Deliberate Success is the ideal guide for professionals who want to reach new heights and stay there *Effortless living* Chet Raj

Compassionate Business Bruno R. Cignacco,2023-12-01 There are several well ingrained assumptions regarding the dynamics of work and business activities which can be refuted Some examples of these widespread assumptions in business and work environments are employees being viewed as commodities competitors perceived as threats companies resources seen as limited and customers perceived as scarce and difficult All this leads to the question Is there a way to perform business activities more humanely The second edition of this book challenges the reader to change the way they perform in business situations and become more focused on the human aspects of business activities The users of this knowledge and those affected by them will undergo a profound transformation in the way they perform business activities They will benefit

from gradually testing and implementing the guidelines conveyed in this book both in the business environment and in the workplace When readers put these principles into practice positive ripple effects are bound to affect other stakeholders of the organisation they work for or own The author has refreshed all the concepts and examples introduced in the first edition which include aspects related to mission and vision passion business mindset organisational learning improvement of business conversations use of constructive criticism and betterment of relationships with the most relevant stakeholders customers suppliers intermediaries community employees etc The author also includes a discussion of creativity and the innovation process as well as other relevant aspects related to a healthy business environment and provides various real life examples of companies which have adopted a loving attitude towards their stakeholders which has become so important in the current business environment
