Love Yourself to Be Loved Tatiana Busan, 2024-11-25

Are you losing your dignity for a man? Do you feel worthless? Do you feel like you're not good enough for the man you love, like you don't measure up to his standards? When you have low self-esteem, you tend to be needy and desperate for a man. What you need to understand is that if you don't respect yourself, a man will never respect you. If you feel that you are not attractive enough, smart enough, confident enough, charming enough, or interesting enough, then you have very low self-esteem. If you don't learn to deal with your insecurities, you risk becoming dependent on a man. Insecurity is an inner feeling that makes you believe you are unloved, worthless, and unworthy of love, and it is harmful to your relationship. Actions that stem from insecurity, such as the need for constant reassurance, jealousy, accusations, and the need to control, destroy trust and are unattractive and can drive a man away. A woman with low self-esteem may feel insecure in a relationship because she anticipates rejection and abandonment. Loving a man does not mean forgetting to love yourself. When you don't love yourself, you are likely to settle for less than you deserve. To attract love, you must believe that you are worthy of love. If you cannot love yourself, how can you love another person? The path to self-love and self-esteem is the most important and valuable one you can take. It's time to make yourself your priority.
