Henrik H Koch Author Editor B A in Church Education and Practical Theology NLA University College Norway *The Study of Evangelism* Paul W. Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission. Many of the resulting books in the marketplace however have a hands-on orientation often lacking serious theological engagement and reflection. Bucking that how-to trend *The Study of Evangelism* offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice. Helpfully organized into six categories these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church's practice of evangelism. **Protestant Spiritual**

Traditions, Volume Two Frank C. Senn, 2020-07-24 There is no single Protestant spirituality but rather Protestant spiritual traditions usually embedded in denominational families that share some basic Protestant principles. These two volumes of *Protestant Spiritual Traditions* offer essays on twelve traditions written by scholars within those traditions plus a concluding essay that gathers a number of Protestant contributions to Christian spirituality and Western culture under the category of the body. These thirteen essays discuss the contributions of significant spiritual figures from Martin Luther to Martin Luther King Jr and offer insights on a range of topics from the theology of the cross to physical fitness. *JESUS CHRIST* Edward D. Andrews, 2019-03-26 How can you improve your effectiveness as Christian teachers? Essentially it is by imitating JESUS CHRIST The Great Teacher. You may wonder But how can we imitate Jesus? He was the perfect divine Son of God. Admittedly you cannot be a perfect teacher. Nevertheless regardless of your abilities you can do your best to imitate the way Jesus taught. *JESUS CHRIST The Great Teacher* will discuss how you can employ all of his teaching methods when you share the Word of God with others. *Communicating on the Playing Field* Josef Solc, 2009-05 *Communicating on the Playing Field* is a book about reaching out to people around us through sports. The popularity of sports is a bridge builder to 95% of people living in our world. We as Christians long to communicate with all nations but find it difficult to do it through traditional means. As the cultures of our world change so we must discover effective ways to relate to the secular people. The playing field doesn't present cultural, social, political and religious barriers. It is an open field that is available to Christian athletes and spectators. Since Christ asks us to go and make disciples sports can help us penetrate our world. This book provides a general introduction to the concept and practice of sports evangelism springing from a biblical and theological platform. It demonstrates many opportunities of doing sports evangelism in the contemporary culture at home and abroad. Dr Josef Solc is a native of the Czech Republic. He represented his home country in tennis and ice hockey. He wanted to study in a seminary in Prague but the communist government told him it was more beneficial for their society if he continued playing professional ice hockey than becoming a pastor. During the Russian invasion of Czechoslovakia in 1968 Solc left his home and began his studies in Switzerland then in Oklahoma and Texas culminating in a Ph.D. from Southwestern Baptist Theological Seminary in Fort Worth. There he became a pastor at Hulen Street Baptist Church where he developed a strong evangelistic ministry by

using sports After seventeen years of pastoral ministry Solc began teaching evangelism and missions at Southeastern Baptist Theological Seminary in Wake Forest North Carolina Professor Solc lives with his wife Joy in Raleigh North Carolina He continues teaching and doing sports evangelism at SEBTS

A Thirst for Souls Dan D. Crawford,2010-08 A philosopher son comes to grips with his evangelist father s life and ministry and his passion for winning lost souls The author situates Percy Crawford within the fundamentalist movement he encountered in 1923 when he came to Los Angeles to get a college education and instead got converted at Reuben Torrey s Church of the Open Door The book identifies Crawford s main contributions to fundamentalism at a critical time in its history the 1930s and 40s when it was languishing and marginalized in American life Crawford was one of the young men on fire who effectively used the new medium of radio and later television as vehicles for spreading the gospel His direct and hard hitting preaching style together with a high quality musical program assembled by his wife and life long partner in evangelism Ruth helped to remake the public image of fundamentalism and rekindle the spirit of revivalism
