Art Of Teaching Ballet Ten Twentieth Century Masters:

The Art of Teaching Ballet Gretchen Ward Warren,1999 Presents profiles of noted dance teachers along with an analysis of their artistic lineages and techniques *The Aerial Teacher's Handbook* Julianna Hane,2015-05-05 The process of teaching in the aerial arts is a powerful opportunity to support students in their physical and personal growth While other resources in the aerial industry focus on the break down of specific skills or moves this book dives into the actual teaching process It addresses the why behind teaching as well as safety basic anatomy learning styles class planning curriculum design and more Designed for both the new and experienced aerial teacher this book offers thoroughly researched insights for anyone interested in aerial teaching Antiracism in Ballet Teaching Kate Mattingly,Iyun Ashani Harrison,2023-12-11 This new collection of essays and interviews assembles research on teaching methods choreographic processes and archival material that challenges systemic exclusions and provides practitioners with accessible steps to creating more equitable teaching environments curricula classes and artistic settings Antiracism in Ballet Teaching gives readers a wealth of options for addressing and dismantling racialized biases in ballet teaching as well as in approaches to leadership and choreography Chapters are organized into three sections Identities Pedagogies and Futurities that illuminate evolving approaches to choreographing and teaching ballet shine light on artists teachers and dancers who are lesser known less visible in a racialized canon and amplify the importance of holistic practices that integrate ballet history with technique and choreography Chapter authors include award winning studio owners as well as acclaimed choreographers educators and scholars The collection ends with interviews featuring ballet company directors Robert Garland and Alonzo King world renowned scholars Clare Croft Thomas F DeFrantz Brenda Dixon Gottschild sought after choreographers Jennifer Archibald and Claudia Schreier and beloved educators Keesha Beckford Tai Jimenez and Endalyn Taylor This is an essential resource for anyone teaching or learning to teach ballet in the Twenty First Century *Ballet Class* Melissa R. Klapper,2020 A pathbreaking social history that takes seriously the experiences of the countless everyday people who pursued recreational ballet Ballet Class An American History explores the growth of this now quintessential extracurricular activity as it became an integral part of American childhood across borders of gender class race and sexuality Talent Abounds Robert F. Arnove,2015-11-17 How can youthful talent become world class talent Talent Abounds tells the stories of master teachers and their students who raise performance to peak levels in classical music and conducting jazz opera modern dance chess mathematics swimming and diving and the culinary arts The book is unique in its scope and depth of exploration of different fields of endeavor and the individuals who have shaped them Readers hear the voices of famous performers from Leonard Bernstein to Joshua Bell and Mark Spitz as they describe their early family experiences and formative years the progression of teachers and coaches they had their performance careers educational philosophy and teaching practices and their legacies Important questions are explored throughout Is exceptional talent an innate quality Even so does its fulfillment depend on

the intervention of expert teachers How do social class gender and ethnicity influence access to instructional and performance opportunities Can lessons learned in one particular national and cultural context or in one performance field be extended to other societies and fields How does public policy shape the recognition and development of talent The concluding chapter offers insights into how public education can nurture the talent of all individuals The Body Eclectic Melanie Bales, Rebecca Nettl-Fiol, 2008 A discussion of current practices in modern dance training *Dancing Times*, 2000 Attitudes & Arabesques, 2000 **Shapes of American Ballet** Jessica Zeller, 2016-06-01 In *Shapes of American Ballet Teachers and Training before Balanchine* Jessica Zeller introduces the first few decades of the twentieth century as an often overlooked yet critical period for ballet's growth in America While George Balanchine is often considered the sole creator of American ballet numerous European and Russian migrants had been working for decades to build a national ballet with an American identity These pedagogues and others like them played critical yet largely unacknowledged roles in American ballet's development Despite their prestigious ballet pedigrees the dance field's exhaustive focus on Balanchine has led to the neglect of their work during the first few decades of the century and in this light this book offers a new perspective on American ballet during the period immediately prior to Balanchine's arrival Zeller uses hundreds of rare archival documents to illuminate the pedagogies of several significant European and Russian teachers who worked in New York City Bringing these contributions into the broader history of American ballet recasts American ballet's identity as diverse comprised of numerous Euro Russian and American elements as opposed to the work of one individual This new account of early twentieth century American ballet is situated against a bustling New York City backdrop where mass immigration through Ellis Island brought the ballet from European and Russian opera houses into contact with a variety of American forms and sensibilities Ballet from celebrated Euro Russian lineages was performed in vaudeville and blended with American popular dance styles and it developed new characteristics as it responded to the American economy *Shapes of American Ballet* delves into ballet's struggle to define itself during this rich early twentieth century period and it sheds new light on ballet's development of an American identity before Balanchine **Library Journal**, 1996 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately *The Fosse Style* Debra McWaters, 2008 Even people with the barest interest in Broadway can recognize the unique angular sensual style of Bob Fosse With its small gestures and isolated movements it is frequently copied and often misinterpreted For there is far more to it than bowler hats and white gloves which is why choreographer Debra McWaters has put together the ultimate visual and verbal guide to Fosse's way of dancing choreographing and teaching Using hundreds of photographs as well as descriptions from Fosse himself McWaters guides dancers and teachers through the process of understanding the intricacies of this style of jazz dance An assistant to Gwen Verdon on Fosse a long time associate of Ann Reinking and personal choreographer for Ben Vereen McWaters is uniquely situated to write this book *The Fosse Style*

provides facts not guesswork about how to execute Fosse's signature movements information handed down from an illustrious list of artists and performers It closes with a sample dance featuring Fosse's signature moves No dancer or fan of such shows as *The Pajama Game* *Damn Yankees* *Sweet Charity* *Cabaret* *Pippin* or *Chicago* can afford to be without this book
