**Cigarscapes** Philippe Mesmer, 2024-07-06 For generations now it has been possible to separate cigar lovers into two major categories those who prefer Havanas and those who don't It is a difference that can be as crucial to those involved as say the difference between full bodied red wine and sweet white Certainly to anyone who enjoys proper tobacco lighting up a Havana cigar is the first step towards utter hedonism With wit and skill Philippe Mesmer makes a forthrightly chauvinistic comparison between the attractions of women of spiritous liquors and of the Havana cigar Plentiful illustrations include old and rare scenic cigar bands some with images of the island of Cuba You might well say that this is a book seeking to find the path to those forms of Paradise that last no longer than an excellent cigar

**Encyclopedia of Ephemera** Maurice Rickards, 2018-10-24 The joy of finding an old box in the attic filled with postcards invitations theater programs laundry lists and pay stubs is discovering the stories hidden within them The paper trails of our lives or ephemera may hold sentimental value reminding us of great grandparents They chronicle social history They can be valuable as collectibles or antiques But the greatest pleasure is that these ordinary documents can reconstruct with uncanny immediacy the drama of day to day life The Encyclopedia of Ephemera is the first work of its kind providing an unparalleled sourcebook with over 400 entries that cover all aspects of everyday documents and artifacts from bookmarks to birth certificates to lighthouse dues papers Continuing a tradition that started in the Victorian era when disposable paper items such as trade cards die cuts and greeting cards were accumulated to paste into scrap books expert Maurice Rickards has compiled an enormous range of paper collectibles from the obscure to the commonplace His artifacts come from around the world and include such throw away items as cigarette packs and crate labels as well as the ubiquitous faxes parking tickets and phone cards of daily life As this major new reference shows simple slips of paper can speak volumes about status taste customs and taboos revealing the very roots of popular culture
