of Modern Art (New York, N.Y.)**

Art In Modern Culture:

Art in Modern Culture Francis Francina, Jonathan Harris, 1992 An essential anthology of key texts on the status of art

Art in Modern Culture Francis Francina, Jonathan Harris, 1997 Anthology on issues of modern art and society

Modern Culture and the Arts James B. Hall, 1967 **Modern Culture and Critical Theory** Russell A. Berman, 1989

Are the arguments of the Frankfurt School still relevant Modern Culture and Critical Theory investigates this question in the context of important issues in contemporary cultural politics neoconservatism and new social movements discontents with modernity and debates on postmodernism the political hegemony of Ronald Reagan and the cultural hegemony of structuralism and poststructuralism Russell Berman thoughtfully explores the theories of Horkheimer Adorno Benjamin Lyotard and Foucault and their relevance to both historical and contemporary issues in literature politics and the arts

Museums and Modernity Nick Prior, 2002-06-01 Short listed for the Philip Abrams Memorial Prize 2003 Museums have been the subject of intense debate in recent years and their history and development raise important questions What was modern about the art museum Why did museums emerge when and where they did How were museums involved with the development of modern art worlds What was the relationship between art galleries and their audiences and who were the key people involved with their inception Focusing on the role of national art galleries in continental Europe England and Scotland this book explores in depth the interrelationship between artistic and exhibitionary forms as well as between power and governance in those places where the roots of modern culture were being laid most visibly Drawing upon debates concerning modernity Prior investigates how the boundaries of art and culture have been determined within the museum world In particular he looks at the interface between the project of the nation and the gallery and how galleries were involved in making certain social groups or bodies feel at home and others excluded *Folk Art and Modern Culture in Republican China* Felicity Lufkin, 2016-01-21 Folk art is now widely recognized as an integral part of the modern Chinese cultural heritage but in the early twentieth century awareness of folk art as a distinct category in the visual arts was new Internationally intellectuals in different countries used folk arts to affirm national identity and cultural continuity in the midst of the changes of the modern era In China artists critics and educators likewise saw folk art as a potentially valuable resource perhaps it could be a fresh source of cultural inspiration and energy representing the authentic voice of the people in contrast to what could be seen as the limited and elitist classical tradition At the same time many Chinese intellectuals also saw folk art as a problem they believed that folk art as it was promoted superstitious and backward ideas that were incompatible with modernization and progress In either case folk art was too important to be left in the hands of the folk educated artists and researchers felt a responsibility intervene to reform folk art and create new popular art forms that would better serve the needs of the modern nation In the early 1930s folk art began to figure in the debates on social role of art and artists that were waged in the pages of the Chinese press the first major exhibition of folk art was held in Hangzhou

and the new print movement claimed the print as a popular artistic medium while for the most part declaring its distance from contemporary folk printmaking practices During the war against Japan from 1937 to 1945 educated artists deployed imagery and styles drawn from folk art in morale boosting propaganda images but worried that this work fell short of true artistic accomplishment and pandering to outmoded tastes The questions raised in interaction with folk art during this pivotal period questions about heritage about the social position of art and the exercise of cultural authority continue to resonate into the present day

The Imperfect Art Ted Gioia,1990 **Modern Art in the Common Culture** Thomas Crow,Thomas E. Crow,1996-01-01 Hoofdstukken over kunstenaars en kunstuitingen vormen het uitgangspunt van deze Studie over de relatie tussen avant garde kunst en de massacultuur *The Art of Return* James Meyer, More than any other decade the sixties capture our collective cultural imagination And while many Americans can immediately imagine the sound of Martin Luther King Jr declaring I have a dream or envision hippies placing flowers in gun barrels the revolutionary sixties resonates around the world China s communist government inaugurated a new cultural era African nations won independence from colonial rule and students across Europe took to the streets calling for an end to capitalism imperialism and the Vietnam War In this innovative work James Meyer turns to art criticism theory memoir and fiction to examine the fascination with the long sixties and contemporary expressions of these cultural memories across the globe Meyer draws on a diverse range of cultural objects that reimagine this revolutionary era stretching from the 1950s to the 1970s including reenactments of civil rights antiwar and feminist marches paintings sculptures photographs novels and films Many of these works were created by artists and writers born during the long Sixties who were driven to understand a monumental era that they missed These cases show us that the past becomes significant only in relation to our present and our remembered history never perfectly replicates time past This Meyer argues is precisely what makes our contemporary attachment to the past so important it provides us a critical opportunity to examine our own relationship to history memory and nostalgia

High & Low Kirk Varnedoe,Adam Gopnik,Museum of Modern Art (New York, N.Y.),1990 Readins in high low

AI-Generated Popular Culture Marcel Danesi,2024-03-22 This book gives a general overview of Artificial Intelligence as it is impacting on the world of the arts and culture What is AI generated pop culture What does a movie a musical work a novel or song created entirely by a generative AI imply in terms of our notions of creativity What is the semiotic dynamic the meaning making impulse that humans imprint in sign and textual forms that is involved in an AI produced work No comprehensive treatment exists of the profound implications that AI generated pop culture entails including how it might affect cultural evolution and how we interpret artistic artifacts Such a treatment is critical at this moment and this book aims to fill this gap

Cultural Representation and Cultural Studies Zhou Xian,2023-06-30 From the perspective of critical cultural sociology this book delves into the intertwining relations of cultural transformation and social evolution illuminating contemporary Chinese culture s landscape and underlying logic since the 1980s With a special focus on the tensions among

politics economy and culture itself this book examines the transitions of Chinese culture from tradition to the modern age It expounds the cultural differentiation and its effect in contemporary China Within this framework the author addresses some key issues and phenomena that figure in the cultural scene of modern China ranging from the crisis of Chinese cultural identity in the context of globalization the media culture and its impacts on everyday life to the visual culture and social transformation Offering a panoramic view of Chinese contemporary culture literature arts and society this title will serve as an essential read for scholars of China studies Cultural studies and visual culture as well as anyone interested in what s going on in Chinese contemporary culture *Handbook of Research on Consumption, Media, and Popular Culture in the Global Age* Ozgen, Ozlen, 2019-05-15 The mass production and diversification of media have accelerated the development of popular culture This has started a new trend in consumerism of desiring new consumption objects and devaluing those consumption objects once acquired thus creating a constant demand for new items Pop culture now canalizes consumerism both with advertising and the marketing of consumerist lifestyles which are disseminated in the mass media The Handbook of Research on Consumption Media and Popular Culture in the Global Age discusses interdisciplinary perspectives on media influence and consumer impacts in a globalizing world due to modern communication technology Featuring research on topics such as consumer culture communication ethics and social media this book is ideally designed for managers marketers researchers academicians and students Museums and Popular Culture Kevin Moore, 2000-04-01 Museums and Popular Culture seeks to unravel the paradox that to adequately reflect popular culture museums may need to abandon their traditional form This is a book which no one interested in museums can afford to ignore *Popular Culture Values and the Arts* Ray B. Browne, Lawrence A. Kreiser, Jr., 2014-01-10 In countries around the world the rise of class divisions and unbridled capitalism are changing the conventional definitions of art and esthetics Historically the philanthropy of the elite has played a leading role in supporting funding and distributing artistic works While such measures may be pure in intent many worry that private funding may be gentrifying the arts and creating a situation in which art will only be valued for its prestige or worse its price tag This collection of essays examines the current movement to democratize the arts and make the world of artistic endeavor open and accessible to all Instructors considering this book for use in a course may request an examination copy here *Leadership, Popular Culture and Social Change* Kristin M.S. Bezio, Kimberly Yost, 2018-01-26 The newest generation of leaders was raised on a steady diet of popular culture artifacts mediated through technology such as film television and online gaming As technology expands access to cultural production popular culture continues to play an important role as an egalitarian vehicle for promoting ideological dissent and social change The chapters in this book examine works and creators of popular culture from literature to film and music to digital culture in order to address the ways in which popular culture shapes and is shaped by leaders around the globe as they strive to change their social systems for the better Making Sense of Popular Culture Eduardo de Gregorio-Godeo, Ángel Mateos-Aparicio

Martin-Albo,2017-05-11 The study of popular culture has come of age and is now an area of central concern for the well established domain of cultural studies In a context where research in popular culture has become closely intertwined with current debates within cultural studies this volume provides a selection of recent insights into the study of the popular from cultural studies perspectives Dealing with issues concerning representation cultural production and consumption or identity construction this anthology includes chapters analysing a range of genres from film television fiction drama and print media to painting in various contexts through a number of cultural studies oriented theoretical and methodological orientations The contributions here specifically focus on a wide variety of issues ranging from the ideological construction of identities in print media to the narratives of the postmodern condition in film and fiction through investigations into youth the dialogue between the canon and the popular in Shakespeare and the so called topographies of the popular in spatial and visual representation In exploring the interface between cultural studies and popular culture through a number of significant case studies this volume will be of interest not only within the fields of cultural studies but also within media and communication studies film studies and gender studies among others

War and Popular Culture Chang-tai Hung,2023-12-22 This is the first comprehensive study of popular culture in twentieth century China and of its political impact during the Sino Japanese War of 1937 1945 known in China as The War of Resistance against Japan Chang tai Hung shows in compelling detail how Chinese resisters used a variety of popular cultural forms especially dramas cartoons and newspapers to reach out to the rural audience and galvanize support for the war cause While the Nationalists used popular culture as a patriotic tool the Communists refashioned it into a socialist propaganda instrument creating lively symbols of peasant heroes and joyful images of village life under their rule In the end Hung argues the Communists use of popular culture contributed to their victory in revolution This is the first comprehensive study of popular culture in twentieth century China and of its political impact during the Sino Japanese War of 1937 1945 known in China as The War of Resistance against Japan Chang tai Hung shows in compelling detail

Popular Culture in Modern France Brian Rigby,2003-09-02 Culture is one of the most frequently used terms in the French vocabulary It sells not only books newspapers and magazines but also consumer products and political parties But what are the meanings of culture populaire What have the French understood by it and what is its history Brian Rigby s lively and cogent study traces changing notions of popular culture in France from 1936 the year of the Popular Front to the present day Asking why culture has become such a fiercely contested term Rigby considers the work of the major French theorists including Barthes Bourdieu and Baudrillard
