**Art of the American Automobile** George N. Georgano, 1995 A big beautiful car book with a different slant Eminent British automotive writer Georgano partners with an outstanding car photographer from his own country Nicky Wright to produce a testament to the dictum the automobile is art Their focus is on individual car stylists who adhered to the philosophy that the automobile has to sell on its appearance as much as on its mechanical qualities The men profiled here were not and are not specialty designers of custom cars but employees of big car companies who devoted themselves to beautifying cars sold to a mass market

**Retro Ride** Tony Swan, 2002-01-01 RETRO RIDE traces the evolution of the automobile and the simultaneous marketing messages that helped it flower across five decades Beautifully illustrated with original advertisements RETRO RIDE celebrates not only the beauty and diversity of the American automobile but also the heyday of American print advertising
