Artefactos Colombian Crafts From The Andes To The Amazon:

Artefactos Liliana Villegas, 2000 This book presents artifacts or artefactos from everyday life objects that have accompanied Colombian people through the centuries both in their earthly and spiritual activities In both English and Spanish the word artifact means literally made with skill or art Although all worthy of museums and galleries these are not just exhibition pieces nor are their makers all members of a separate artisan class There is no Colombian home however humble that does not have a handmade broom stool basket textile or rustic furniture nor is there a single Amazon Indian who cannot quickly piece together a basket from leaves found in the jungle BOOK JACKET *Artefactos* Liliana Villegas, 1992
