Buddha Volume 5 The Forest Of Uruvela:

Buddha: The forest of Uruvela Osamu Tezuka,2004 Recounts Siddhartha s spiritual journey on the path to enlightenment and becoming the Buddha Buddha: Volume 4: The Forest of Uruvela Osamu Tezuka,2017-12-06 The Eisner and Harvey Winner In this fourth volume of the award winning graphic novel biography Buddha slowly discovers that his destiny lies in a path not readily available to him With fellow ascetics Dhepa who has complete faith in the purifying quality of painful physical ordeals and Assaji who can predict everyone s death to the hour Buddha travels through the kingdom of Magadha into the Forest of Uruvela where The Middle Path and Enlightenment wait beyond a series of death defying trials Awake under the Pippala tree *A Storied Sage* Micah L. Auerback,2016-12-07 Auerback has produced an entirely original history of Japanese Buddhism a major contribution to the field This book is exemplary D Max Moerman author of *The Japanese Buddhist World Map* Since its arrival in Japan in the sixth century Buddhism has played a central role in Japanese culture But the historical figure of the Buddha the prince of ancient Indian descent who abandoned his wealth and power to become an awakened being has repeatedly disappeared and reappeared emerging each time in a different form and to different ends *A Storied Sage* traces this transformation of concepts of the Buddha from Japan s ancient period in the eighth century to the end of the Meiji period in the early twentieth century Micah L Auerback follows the changing fortune of the Buddha through the novel uses for the Buddha s story in high and low culture alike often outside of the confines of the Buddhist establishment Auerback argues for the Buddha s continuing relevance during Japan s early modern period and links the later Buddhist tradition in Japan to its roots on the Asian continent Additionally he examines the afterlife of the Buddha in hagiographic literature demonstrating that the late Japanese Buddha far from fading into a ghost of his former self instead underwent an important reincarnation Challenging many established assumptions about Buddhism and its evolution in Japan *A Storied Sage* is a vital contribution to the larger discussion of religion and secularization in modernity The point where this study blossoms with voluminous detail is when developments in historiography made biographies of the Buddha controversial in the early modern era Auerback s coverage of these debates is exceedingly thorough *Journal of Japanese Studies*
