Buddhas Kisses:

Buddha's Bad Boys Alan Chin, 2015-02-15 There are many reasons why Western men turn to Eastern religion searching for inner truth lost love loneliness fleeing the law hopelessness alcoholism Some travel halfway around the world in an attempt to overcome their particular dissoluteness only to realize that improving yourself is like polishing air What they eventually discover nevertheless is one of the Buddha's most significant lessons enlightenment comes to those whose singular focus is on helping others less fortunate Six stories six gay men trudging down the road to enlightenment What they each find is the last thing in the world they expected **Buddha's Kisses and Other Poems** Richard Ronan, 1980-01-01 **Visions of the Buddha** Eviatar Shulman, 2021 Visions of the Buddha offers a groundbreaking new approach to the nature of the early discourses of the Buddha the most foundational scriptures of Buddhist religion While the early discourses are commonly considered to be attempts to preserve the Buddha's teachings Shulman demonstrates that these texts are full of creativity driven by inspired storytelling Much of this storytelling is effected through techniques specific to oral literature in which oral formulas can be combined in an infinite variety of ways in order to produce yet more beautified visions of Buddhist truth

Scorpion's Kiss Peter Molloy, 2001 Zen Buddhism and Bad Women High flying international businessman Paul Harris is not accustomed to losing either in business or romance But after moving to a small town in the Midwest he meets the seductively poisonous Mara who has a game plan with a whole new set of rules A dark thrilling suspenseful adventure Scorpion's Kiss is a cosmic cycle saga that incorporates elements of Buddhism and dysfunctional romance into its tumultuous plot A gripping story that cannot be left unfinished Scorpion's Kiss is highly recommended reading Midwest Book Review A must read emotional roller coaster ride Absolutely riveting **Kiss of the Yogini** David Gordon White, 2024-05-31 For those who wonder what relation actual Tantric practices bear to the Tantric sex currently being marketed so successfully in the West David Gordon White has a simple answer there is none Sweeping away centuries of misunderstandings and misrepresentations White returns to original texts images and ritual practices to reconstruct the history of South Asian Tantra from the medieval period to the present day Kiss of the Yogini focuses on what White identifies as the sole truly distinctive feature of South Asian Tantra sexualized ritual practices especially as expressed in the medieval Kaula rites Such practices centered on the exchange of powerful transformative sexual fluids between male practitioners and wild female bird and animal spirits known as Yoginis It was only by drinking the sexual fluids of the Yoginis that men could enter the family of the supreme godhead and thereby obtain supernatural powers and transform themselves into gods By focusing on sexual rituals White resituates South Asian Tantra in its precolonial form at the center of religious social and political life arguing that Tantra was the mainstream and that in many ways it continues to influence contemporary Hinduism even if reformist misunderstandings relegate it to a marginal position Kiss of the Yogini contains White's own translations from over a dozen Tantras that have never before been translated into any European language It will prove to be the definitive work for persons

seeking to understand Tantra and the crucial role it has played in South Asian history society culture and religion

Krishna's Kiss Varalotti Rengasamy,2021-02-21 The great Lord the Flautist Krishna has come down to kiss us We cover our cheeks with our hands We do not want His kiss We want something else an iPhone a larger house promotion pay hike oh it's a long list Lord Krishna gave Bhagavad Gita to us only to prepare us for His kiss The kind Lord almost whispered Bhagavad Gita in your ears Why Only to remove your hands from your cheeks So that He can kiss you with His beautiful lips I beg of you dears please remove your hands Once you taste His kiss everything else in the world will be insipid And that kiss can even transform an ugly frog into a handsome prince But once you taste that kiss you will never want to become a prince You will rather be a frog living in filth waiting for that kiss for all eternity The name Bhagavad Gita has been translated as The Divine Song Or The Song Celestial Or as The Song of Love Personally I will prefer to translate it as Krishna's Kiss Can you think of something better This is not a religious book but a book that will usher in a new religion a religion of love Lalitha Shivaguru Reviewer

Buddha's War Dean Krystek,2001-11-28 Bruce Dudak AKA Buddha doesn't want to leave Vietnam Lonely and insecure he is drawn to the innocent sensual beauty of the women But the only women who he appeals to are the ones who ask for money in exchange for their companionship Tired of insincerity he yearns for the love of a beautiful woman Trinh once a popular bar girl has had her life shattered by the war Her face still stunningly beautiful on one side is obscenely disfigured on the other Betrayed by the American she loved she lives a hopelessly futile life When fate brings them together Buddha finds Trinh unexpectedly alluring At first he denies his interest in her yet he is compelled to see her Trinh does not want Bruce's pity but his sincerity offers her renewed hope As they discover their love for one another they also discover that the peace they seek comes from how they view themselves and not how they appear to others Buddha
