Keenan,Sydney Lea,Lansing Davis,Buster G. Smith,2009-01-01 This book draws upon the Mahayana philosophy developed within Buddhism employing it as a means to empty our usual alternatives for viewing the world s many religions whether exclusivism inclusivism or pluralism The aim is to free people from clinging to intellectual positions enabling them gently but committedly to affirm their vernacular tradition as it is practiced on the ground It critiques the above three options and introduces the Mahayana philosophy of emptiness and dependent arising along with its distinction between ultimate truth and conventional truth It then applies this philosophy to an urgent question that bedevils modern people how to practice one s chosen faith in the awareness of many other honored and attractive paths both elegant and efficacious
