## **Buddhist Monastic Life According To The Texts Of The Theravada Tradition:**

*Buddhist Monastic Life* Môhan Wijayaratna,1990-11-30 This 1991 book provides a brief yet detailed account of the ideal way of life prescribed for Buddhist monks and nuns in the Pali texts of the Theravada school of Buddhism The author describes the way in which the Buddha s disciples institutionalized his teachings about such things as food dress money chastity solitude and discipleship This tradition represents an ideal of religious life that has been followed in South and Southeast Asia for over two thousand years In previous writing on the early period of Buddhist monasticism scholars have usually tried to give an historical account of the evolution of the monastic order and so have seen the extant Vinaya texts as coming from distinct historical periods This book takes a different approach by presenting a synchronic account which allows the author to show that sources are in fact predominantly consistent and coherent

**Buddhist Monastic Life** Mohan Wijayaratna,1990-11-30 This book provides a vivid and detailed picture of the daily life and religious practices of Buddhist monks and nuns in the classic period of Theravada Buddhism The author describes the way in which the Buddha s disciples institutionalized and ritualized his teachings about food dress money chastity solitude and discipleship This tradition represents an ideal of religious life that has been followed in India and South Asia for more than two thousand years The introduction by Steven Collins describes Theravada Buddhist literature discusses the issue of the historical reliability of the texts and offers extensive suggestions for further reading The book will be of interest to scholars and students in Asian studies religious studies anthropology and history

*Buddhism in the Modern World : Adaptations of an Ancient Tradition* Steven Heine Professor of Religious Studies and Director of the Asian Studies Florida International University, Charles S. Prebish Professor of Religious Studies Pennsylvania State University,2003-08-14 The history of Buddhism has been characterized by an ongoing tension between attempts to preserve traditional ideals and modes of practice and the need to adapt to changing cultural conditions Many developments in Buddhist history such as the infusion of esoteric rituals the rise of devotionalism and lay movements and the assimilation of warrior practices reflect the impact of widespread social changes on traditional religious structures At the same time Buddhism has been able to maintain its doctrinal purity to a remarkable degree This volume explores how traditional Buddhist communities have responded to the challenges of modernity such as science and technology colonialism and globalization Editors Steven Heine and Charles S Prebish have commissioned ten essays by leading scholars each examining a particular traditional Buddhist school in its cultural context The essays consider how the encounter with modernity has impacted the disciplinary textual ritual devotional practical and socio political traditions of Buddhist thought throughout Asia Taken together these essays reveal the diversity and vitality of contemporary Buddhism and offer a wide ranging look at the way Buddhism interacts with the modern world
