## Budding Star:

**The Adventured Star** Pamela T. Chandler, 2013-07-01 Join the adventure to discover the United Arab Emirates through the eyes of Najma a confident travelling star She is fascinated by her surroundings learning as much as she can about the climate language and culture It doesn't take long for Najma to become the beloved star of the Middle East *Taylor Swift* Jeff Burlingame, 2013-02 Learn about Taylor's early life in Pennsylvania how she got her recording contract and her life and charity work **Aimee Mann** Jez Rowden, 2022-06-29 Any consideration of the songwriting craft would be incomplete without the inclusion of American singer songwriter Aimee Mann From her first steps as singer and bass player with 1980s synth pop band Til Tuesday who scored a massive MTV hit with *Voices Carry* in 1985 she has continually produced starkly autobiographical songs with a sense of melody that cuts through the emotional detail With a career now spanning almost forty years she has built a catalogue of nine studio albums from debut *Whatever* to 2017's *Mental Illness* since going solo in the early 1990s Via a series of record label frustrations Aimee has developed into a fiercely independent recording artist flying outside the mainstream Her critical acclaim has never wavered however and while happy to continue working in a niche market her soundtrack for the film *Magnolia* and the accompanying Oscar nomination raised her profile considerably adding to her stalwart army of fans This book gives an overview of Aimee Mann's career from her earliest days when she made it big with Til Tuesday through her solo career investigating every recorded track It is a comprehensive guide for fans and new listeners keen to investigate a double Grammy winner who is also a true original and whose work deserves to be much more widely recognised A music fan for as long as he can remember Jez Rowden worked in record shops for many years absorbing music of all kinds He enjoys many genres and has been involved in writing album and concert reviews mostly within the progressive rock field for nearly 15 years also acting as editor for the Dutch Progressive Rock Pages DPRP website and currently The Progressive Aspect TPA which he helped found in 2013 His previous book for Sonicbond covered the music of Steely Dan's Walter Becker and Donald Fagen An avid gig goer he lives in Swansea **Orson Welles and the Unfinished RKO Projects** Marguerite H Rippey, 2009-04-21 Orson Welles and the Unfinished RKO Projects A Postmodern Perspective traces the impact of legendary director Orson Welles on contemporary mass media entertainment and suggests that ironically we can see Welles's performance genealogy most clearly in his unfinished RKO projects Author Marguerite H Rippey provides the first in depth examination of early film and radio projects shelved by RKO or by Welles himself While previous studies of Welles largely fall into the categories of biography or modernist film studies this book extends the understanding of Welles via postmodern narrative theory and performance analysis weaving his work into the cultural and commercial background of its production By identifying the RKO years as a critical moment in performance history Rippey synthesizes scholarship that until now has been scattered among film studies narrative theory feminist critique American studies and biography Building a bridge between auteur and postmodern theories Orson Welles and the Unfinished RKO Projects offers a

fresh look at Welles in his full complexity Rippy trains a postmodern lens on Welles's early projects and reveals four emerging narrative modes that came to define his work deconstructions of the first person singular adaptations of classic texts for mass media explorations of the self via primitivism and examinations of the line between reality and fiction These four narrative styles would greatly influence the development of modern mass media entertainment Rippy finds Welles's legacy alive and well in today's mockumentaries and reality television It was in early unfinished projects where Welles first toyed with fact and fiction and the pleasure of this interplay still resonates with contemporary culture As Rippy suggests the logical conclusion of Welles's career long exploration of truthiness lies in the laughs of fake news shows Offering an exciting glimpse of a master early in his career Orson Welles and the Unfinished RKO Projects documents Welles's development as a storyteller who would shape culture for decades to come *Dial Love: Divine Intelligence Almighty Love, Light Omnipresent Vibrational Energy* Donna Lynn, 2012-01-25 Heal yourself and in doing so you will heal others Feel their pain don't judge Offer love and compassion give of yourself as that is when you receive the most for yourself and your dreams DIAL LOVE Gods Planetary Guide for Attaining Happiness through Spiritual Fulfillment is a collection of channeled work with each channeling conveying a message one paragraph at a time In 2006 something out of the ordinary occurred Author Donna Lynn was preparing for a spiritual workshop when she began to hear a comforting gentle and loving voice Heal yourself and in doing so you will heal others Feel their pain don't judge Offer love and compassion give of yourself as that is when you receive the most for yourself and your dreams During the following four months for sixteen consecutive Wednesdays Donna continued to receive messages of truth Dial Love is her endeavor to share those messages with you Dial Love provides simple truths about divinity and spirituality May you find an enlightened approach to the fulfillment of your life's purpose You are the miracle that is waiting to happen Now is the time to reset your frequency and Dial Love **The Simple Guide To Taylor Swift ,**

White Screens, Black Dance Pamela Krayenbuhl, 2025-07-30 White Screens Black Dance shows how several types of American masculinity were built through Black dance on mid twentieth century film and television It does so by analyzing case studies of major period stars both Black and white the Nicholas Brothers Gene Kelly Elvis Presley and Sammy Davis Jr In the process it also reveals the white stars appropriation of Black culture through dance which the author terms blackbodying Both this practice and the midcentury models of masculinity that it describes are ultimately shown to remain with us today on film TV and TikTok *Hughes* Richard Hack, 2002-09-01 Howard Hughes 1905 1976 was a true American original legendary lover record setting aviator idiosyncratic film producer talented inventor ultimate eccentric and for much of his lifetime the richest man in the United States His desire for privacy was so fierce and his isolation so complete that even several decades after his death inaccurate stories continue to circulate about him Richard Hack explodes the illusion of Hughes life and exposes the man behind the myth a playboy whose sexual exploits with Hollywood stars were legendary an entrepreneur without ethics an explorer without maps and ultimately an eccentric trapped by his own insanity Drawing on
