and fulfill their organization's mission. This new thoroughly updated edition of the bestseller offers a guide that any organization can use to secure funding from private foundations or the government. Filled with updated examples, this guide directs the novice grantseeker and offers a refresher course for experienced grantwriters. Following the process presented will improve anyone's ability to transform an idea that needs support into a proposal that demands funding. As part of the new Jossey Bass Nonprofit Guidebook Series, *Winning Grants* has sold over 75,000 copies in its first two editions and has established itself as a leader in the grantseeking market. Note: CD, ROM, DVD, and other supplementary materials are not included as part of eBook file.

Strategic Communications for Nonprofits Kathy Bonk, Emily Tynes, Henry Griggs, Phil Sparks, 2008-09-17 This is a new edition of *Strategic Communications for Nonprofits* which was first published in 1999. It is an up-to-date nuts and bolts guide to helping nonprofits design and implement successful communications strategies. The book offers a unique combination of step-by-step guidance on effective media relations and assistance in constructing and developing an overall communications strategy aimed at creating social or policy change. It first explains the basic principles of a strategic communications strategy that will define the target audiences you need to reach and tells how to develop the messages and messengers you use to reach them. The book then goes on to address specific issues like earning good media coverage, building partnerships to increase available resources, handling a crisis, and more. This second edition builds on the earlier work and includes new case studies, new trends in media and branding, ethnic media issues, and trends in technology.

Budgets and Financial Management in Higher Education Margaret J. Barr, George S. McClellan, 2010-12-07 *Budgets and Financial Management in Higher Education* This thoroughly updated and expanded edition of the classic resource *The Jossey Bass Academic Administrator's Guide to Budgets and Financial Management* will help administrators become more proficient in their financial management roles. Grounded in the latest knowledge and filled with illustrative examples from diverse institutions as well as helpful reflection questions, the book's guidance can be put to immediate use. In addition, the authors suggest ways of avoiding common pitfalls and address what to do when faced with budget fluctuations and changing fiscal environments. This book is vitally important for understanding the complex financial underpinnings of higher education. Could there be a more critical time for administrators to add to their knowledge in this area? I don't think so. EUGENE S. SUNSHINE, senior vice president for business and finance, Northwestern University. The authors have produced an easily readable and valuable resource for board members, administrators, students, faculty, or anyone interested in knowing about budgeting and the budgeting process. Their treatment of the subject is thorough and complete. LARRY H. DIETZ, vice chancellor for student affairs, Southern Illinois University Carbondale. This is the best nitty-gritty how-to book on university budgeting that I have found. My graduate students at both the master's and doctoral levels have found it to be a comprehensive, insightful, and useful tool in their graduate studies. LINDA KUK, program chair, Higher Education Graduate Programs and associate professor of education, Colorado State University.
