Lenihan, Los Angeles County Museum of Art, 1995 Although most modern art historians viewed the figure as regressive early 20th century American sculptors embraced the human form Curator of American Art at the Los Angeles County Museum of Art Fort presents a wide selection of works from this period not as a movement from the naturalistic to the abstract but as a reflection of a rapidly changing American society While she sees much modern American sculpture as rooted in the works of Auguste Rodin 1840 1917 she shows how the figure whether represented in genre primitive folk archaic or classical styles allowed

artists to criticize or praise modern society Fort's selection of minority and female artists for the work is especially refreshing and the biographies at the end of the book are useful because several are not well known Unfortunately the mostly black and white plates are small and cannot properly represent the lines and textures of the pieces Regardless of the quality of the photographs this highly original work complements Donald Martin Reynold's *Masters of American Sculpture* LJ 4 1 94 and is recommended for fine arts collections and academic libraries b Review by Julie C Boehning from *Library Journal*

Depression-Era Sculpture of the Bay Area Nicholas A. Veronico and Betty S. Veronico, 2017 The Great Depression was a terrible blow for the Bay Area's thriving art community A few private art projects kept a small number of sculptors working but for the majority prospects of finding new commissions were grim By the mid 1930s Pres Franklin D Roosevelt's New Deal program had gathered steam and assistance was provided to the nation's art community Salvation came from the Works Progress Administration WPA which employed thousands of artists to produce sculpture for public venues The Bay Area art community subsequently benefitted from the need to fill the then forthcoming Golden Gate International Exposition GGIE with sculpture of all shapes and sizes As bad as the Depression was its legacy more than 80 years on is one of beauty The Bay Area is dotted with sculpture from this era the majority of it on public display *Depression Era Sculpture of the Bay Area* is a visual tour of this artistic bounty
